FOR WORTHY CAUSE—Twenty young men enrolled in the Carpentry Shop at Lake Clifton Senior High School have built twenty lockers for the YMCA's Camp King's Landing. The ninth and tenth grade students, under the instruction of Gilbert Brooks, the Carpentry Instructor, completed the work on the units which stand six feet high and four feet deep, last week. In top photo, Roland Price and Nathaniel Broadway put things together. Below, Gilbert Brooks, instructor, gives pointers to Ricky Winns, Donald Lawrence and Gerald Knight. The students are a part of an exploratory program in the school, they spend 11 weeks in each of several sections of the Vocational Department. Material for the building of the units was furnished by the King's Landing Women, (KLW): a mothers' group of the camp. The locker units will be placed in the cabins and will provide a section for each of the campers to have his own separate storage shelf for clothing and other personal effects. Mrs. Mamie Jones is president of the KLW. Mrs. Marjorie Green is treasurer. A. P. Moss, YMCA associate general executive, is in charge of the residence camp located at Huntingtown, in Calvert County, Md. Lockers will be in use when camp opens on July 2, for the first of four two-week periods for boys and girls, ages 8 to 14.
