DR. A. HUKT (Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adapted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed at once and forever from the system, especially all cases of constitutional debility, nervous diseases, which soon or late turns to consumption, and all the evils entailed by certain pernicious practices, which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No charge but or unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

MEDICAL.

IMPORTANT TO FEMALES.

DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice. They are mild in their operation, and cannot do harm to the most delicate; certain in correcting all irregularities, Painful Menstruations, removing all obstructions, whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c., disturbed sleep, which arise from interruptions of nature.

DR. CHEESEMAN'S PILLS

was the commencement of a new era in the treatment of irregularities and obstructions which have consigned so many to a PREMATURE GRAVE. No female can enjoy good health unless she is regular, and whenever an obstruction takes place the general health begins to decline. These pills form the direct preparation ever put forward with immediate and persistent success.

DR. MAGNIN'S LUNGA CORDIAL.—This justly celebrated CORDIAL is the only effective remedy for those sad derangements of the body and mind, caused by early improper habits of youth, or indulgence in passions, the effects of which are prostration, dyspepsy, pain in the head, and dimness of vision, weakness of the back and lower extremities, weakness of memory and power for social intercourse, dejection, aversion to society, timidity and self-distrust. Young and middle aged men may here learn why they are declining in health, why they are pale in their complexion, languid in vigor, why they are disinclined to business, and inexpacitated for matrimonial alliance.

The Lucina Cordial has restored thousands of persons to health and vigor who have prematurely injured themselves in youth. Procure it, then, you can use it without exposure or hindrance to business, at home or abroad, and be restored.

Objection has been naturally made to the price of this cordial, because the trash that has been thrown in the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and ought to be much dearer, as many of the ingredients which compose it are costly, and constitutes it unique in nature, whereas the others are made up of cheap drugs, worth but little in money, and less in merit.

We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL in the cure of the maladies mentioned above, and any of those which follow, viz: Loss of Muscular Energy, Physical Lassitude and General Prostration, Irritability and all Nervous Affections, Indigestion, Sluggishness of the Liver, and every disease in any way connected with the Procreative Functions, in all of which it will afford almost instantaneous relief, and if used as directed is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor in a brief period, and where want of offspring is a source of regret, if recourse be had to them, the most beneficial results may be anticipated with confidence. Persons at all ages and inclinations, before taking it, or any other medicine, be sure to read the pamphlet, which will be found to contain much valuable information, and will be sent free to all who require it.

The Lucina Cordial is sold by all respectable druggists everywhere, at $2 per bottle, or $12 for 6 bottles. Put up in a plain wrapper, and forwarded to any address, on receipt of the money, by the Proprietor, SETH S. HANCK, 100 Baltimore street, Baltimore, Md.

N. B.—Persons enclosing a remittance, post paid, will have their orders attended to with promptness and despatch.
