MEDICAL.

DR. JOHNSTON
HAS DISCOVERED
The most certain, speedy, and only effectual remedy in the world for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose, or Skin, Affections of the Liver, Lungs, Stomach or Bowels—these terrible disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adapted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed at once and forever from the system, especially all cases of constitutional debility; nervous diseases, which soon or late turns to consumption, and all the evils entailed by certain pernicious practices which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No secret but or unprofessional charges.*
Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

I was recommended to take Hance's Sarsaparilla or Blood Pills, and after taking one box the pain was entirely removed from my breast and arm. I found them extremely gentle in their operation, and would recommend them to every person in want of a mild purgative.

MEDICAL.

AYER'S PILLS.
Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable?—These symptoms are often the prelude to serious illness. Some bit of sickness is creeping upon you, and should be averted by a timely use of proper remedies. Take AYER'S PILLS, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, set upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dyspepsy, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.
They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.
