DR. JOHNSTON
HAS DISCOVERED
The most certain, speedy, and only effectual remedy in the world for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose, or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 46 years, has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed, disease and forever from the system, especially all cases of constitutional debility; nervous diseases, which soon or late turn to consumption, and all the evils entailed by certain improper practices which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be powerfully restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No unskilled or unprofessional charge.*
Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

THE NEW LINE STEAMERS
Leave Spear's Wharf, Foot of Gay St., Baltimore,
DAILY, AT SIX O'CLOCK P. M.
The steamers of this Line are all new, and their remarkable speed is due to their construction, the most approved modern models of the best Hudson River Steamers having been adopted.
The superiority of their models gives them a great advantage over the Boats of the old style of naval construction, and the newness of their boilers and machinery guarantees to the public their perfect safety.
It is hardly necessary to inform our patrons that with their powerful machinery and fine water lines that *they do not require the slightest approach to 'racing'* to enable them to obtain a much better rate of speed than any Boats in these waters.

GEORGE LEARY, Captain Blakeman.
JAMES T. BRADY, Captain Landis.
CITY POINT, Captain Talbot.

MEDICAL.

DR. MAGNIN'S LAUSSA CORDIAL.—This justly celebrated CORDIAL is the only efficacious remedy for those sad derangements of the body and mind, caused by early improper habits of youth, or indulgence of the passions, the effects of which are prostration, dyspepsia, pain in the head, and dimness of vision, weakness of the back and lower extremities, weakness of memory and power for mental application, dejection, aversion to society, timidity and self-distrust. Young and middle aged men may here learn why they are declining in health, why they are losing their youthful appearance and vigor, why they are disinclined to business, and incapacitated for matrimonial alliance.
The Lacina Cordial has restored thousands of persons to health and vigor who have long suffered from the effects of early indiscretion, who have blighted themselves in youth. Procure it, then, you can use it without exposure or hindrance to business, at home or abroad, and be restored.
Objections have been made against the use of this cordial, because the trash that has been thrown in the market, in opposition to it, is sold cheaper, but the fact is, it cannot be afforded for less, and those who offer it are, many of them, ignorant of the ingredients which compose it are among the costliest things in nature; whereas the others are made up of cheap drugs, worth but little in money, and less in merit.
We assure our readers that the utmost reliance may be placed on the LUCINA CORDIAL in the cure of the maladies mentioned above, and also of those which follow, viz: Loss of Manular Energy, Physical Lassitude, Mental Prostration, Irritability and all Nervous Affections, Indigestion, Sluggishness of the Liver, and every disease in any way connected with the Procreative functions, in all of which it will afford almost instantaneous relief, and if used as directed is almost certain to produce a positive and permanent cure. Persons about to marry, if conscious of any weakness, should take the Cordial, as it infallibly restores health and vigor in a brief period, and where want of offspring is a source of regret, if recourse be had to them, the most beneficial results may be anticipated with confidence. Most all weakness and lassitude, before taking it, at once become robust and full of energy under its influence. Price $3 per bottle, or $10 for 5 bottles. For sale by druggists, HANCE, 188 Baltimore street, Baltimore, Md.
