DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours. He writes a guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 45 years has proved it beyond a doubt, that the worst secret readily yield, and are thoroughly removed, root and forever from the system, especially all cases of constitutional debility; nervous diseases, which soon or late terminate in consumption, and all the evils entailed by certain pernicious practices which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the awful effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No charge but or unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

THE NEW LINE STEAMERS
FOR FORTRESS MONROE, NORFOLK, CITY POINT, PETERSBURG, RICHMOND AND ALL OTHER CONNECTING POINTS.

THE NEW LINE STEAMERS
Louis Spooner's Wharf, Foot of Gay St., Baltimore,
DAILY, AT SIX O'CLOCK P. M.

The steamers of this Line are all new, and their remarkable speed is due to their construction, the most approved modern models of the fast Hudson River Steamers having been adopted.

The superiority of their models gives them a great advantage over the Boats of the old style of naval construction, and the newness of their boilers and machinery guarantees to the public their perfect safety.

It is hardly necessary to inform our patrons that with their powerful machinery and fine water lines that they do not require the slightest approach to "racing" to enable them to attain a much better rate of speed than any Boats in these waters.

The New Line is composed of the following elegant side wheel Steamers, superbly fitted up with Saloons and Single and Family State-Rooms:

GEORGE LEARY, Captain Blakeman.
JAMES T. BRADY, Captain Landis.
CITY POINT, Captain Talbot.
DICTATOR, Captain Dearing.
MAGENTA, Captain Bunker.

The tables are supplied with every luxury the market afford, and equal to first-class hotel fare, and notwithstanding the superior advantages offered to the public in point of elegance, comfort, safety and speed, the fares are as low as by any other line.

They connect with the elegant New Line Steamers for Cherrystone, Mathews county and all points on the Eastern Shore of Virginia, and also with the steamers for Newbern, Edenton, Plymouth and all other points in North Carolina.

Passengers Transferred to and from all Depots, and Baggage handled free of charge.
