New army officers hear Lt. Col. Wm. Cummins

"The time is now. The opportunities are here" for the advancement of the black officer in the military, said Lt. Col. William Cummins to a mid-summer ROTC commissioning ceremony at Morgan State College.

Speaking to the gathering of college and campus military officials, parents and students in Murphy Fine Arts Center, Col. Cummins said that black officers must use the "experience they have as fathers and husbands to bring about positive leadership in today's world and in the Army of the United States of America."

Commissioned into the Army Reserve as Second Lieutenants were: Robert W. Barnes of Lexington Park. Quartermaster Corps; Rodney S. Brooks of Baltimore, Infantry; and Spencer Carter of Baltimore, Ordnance Corps.

The commissioning ceremony was conducted by Lt. Col. John H. Branch Jr., professor and chairman of the Morgan Department of Military Science.

Dr. Kenneth Jerkins, dean of the college, standing in for President King V. Cheek, awarded letters of appointment.

Members of the new officers' families affixed the gold bars of rank to the uniforms of each of the three men.

A reception was held after the ceremony in the theatre lobby.

Sparkle is hot tasty food served with a warm smile.
