Block parties can be fun, especially when concerned parents like those in the 1900 and 2000 blocks of Beechwood Ave. organize festivities for every family.

Last weekend the parent's group, headed by Mrs. Sarah Penner, ended the summer season with a cookout and all the works . . . card games, dancing.

Added attraction was a special appearance byb Lollipop the Clown (Mrs. Penner).

The highlight of the day was dancing to the music of the Exvians band, a group of neighborhood youngsters under the management of Roland Williams who has several of his own children in the band.

(Note: Cleaning up was no problem. The children took care of it all).

When inflammation, infection and swelling exist in hemorrhoidal tissues—it can be very painful for the sufferer. But there's an exclusive formulation which in many cases gives hours of relief from the burning itch and pain in hemorrhoidal tissues. It also helps shrink the swelling of such tissues. Sufferers are delighted at the way it acts so gently and is so soothing to sensitive tissues.
