Man charged in Pine St. shooting

Police report Samuel Boyd, 26, 1900 block Argyle St., is charged with the shooting death of William Leach, 29, 600 block N. Lynhurst St. last Monday.

Homicide detectives report Mr. Leach was found slain in a poolhall in the 2200 block Pine St. He was pronounced dead of bullet wounds of the back at 5 p.m.

Manager of the poolhall, Pleasant Brodos, 2300 block Greenmount Ave., told police he was in the bathroom in the rear of the hall when he heard something that sounded like a gunshot. He said when he came back he saw a man known to him only as "Possum" lying on the floor.

floor.

Police reveal Mr. Broados asked a neighbor to call the police while he waited by the victim.

Police state the suspect, Mr. Boyd, told them on arrival the victim stumbled into the room stating, "I've been shot!" and fell to the floor. He also told them he did not know who did the shooting.

Police report Mr. Boyd was later arrested in his home and charged with the crime.

Halstead Funeral Home told the AFRO funeral arrangements were not complete at AFRO presstime.

—Fire Board

(Continued from Page B-16)

The proposal would add another lieutenant, five firefighters, and a clerk typist.

The Boards also want 17 jobs restored, costing $157,000, to put an additional fire boat back in operation.

Another suggestion calls for spending $318,000 more this year (a total of $732,000) on materials and supplies.

Most of the proposed increase, about $250,000, is to pay for 2,100 new firefighting outfits consisting of coats, pants and gloves.

Mr. O'Malley reported this new gear is recommended because it is lightweight and fire resistant.

On the fire truck leasing suggestion, the Fire Board has already received word from the city's deputy treasurer, Lawrence B. Daley, "the leasing of fire apparatus on a long term basis is fiscally sound and would be beneficial to the city."

* * *

Mr. O'Mailey pointed out the lease plan does not mean the Department would not be needing more new trucks during the 10-year span of the lease. He admitted a few more trucks would be needed each year beginning five years from now.

Tormenting Rectal Itch Of Hemorrhoidal Tissues Promptly Relieved

Gives Prompt, Temporary Relief from Such Burning Itch and Pain in Many Cases.

The burning itch and pain caused by infection and inflammation in hemorrhoidal tissues can cause much suffering. But there is an exclusive formulation that in many cases gives prompt relief for hours from this itch and pain so that the sufferer is more comfortable again. It also actually helps shrink swelling of hemorrhoidal tissues caused by inflammation and infection.

Tests by doctors on hundreds of patients in New York City, Washington, D.C. and at a Midwest Medical Center reported similar successful results in many cases. This is the same medication you can buy at any drug counter under the name *Preparation H®*.

Preparation H also lubricates to protect the inflamed surface area and it doesn't sting or smart. In fact, it has very soothing qualities which make it especially helpful during the night when itching becomes more intense.

There's no other formula like Preparation H. In ointment or suppository form.

Do not ask us if we miss him;
There's such a vacant place.

Days of sadness still come o'er us.
Tears in silence often flow
Memory keeps him ever near us.
Though he left us two years ago.

Why should our tears in sorrow flow?
When God recalls his own.
And bids them leave a world of woe
For an immortal crown.
Is not even death a gain to those
Whose life to God was given?
Gladly to earth their eyes they close.
To open them in heaven

For a part of us went with her,
The day God called her home.
