Fayette St. fire victim is buried

"I was in the kitchen attempting to take the trash out. Someone was knocking on the door and I heard them say there was a fire. I went in the bedroom to get my sister. The room was full of smoke.

"I tried three times to get my sister. She had tried to get out of the room. I had only been in the kitchen ten minutes before the fire started."

Mrs. Rebecca Hines, was telling the AFRO about the fire that caused her sister's death early Tuesday morning.

Mrs. Louise Taylor, 59, 1800 block Fayette St., was dead on arrival at Bon Secours Hospital after fireman removed her from her second floor bedroom. Mrs. Taylor apparently died of smoke inhalation.

Past Potentate Alfred L. Fields is serving as general chairman of the program. He will be assisted by the Illustrious Potentate of Abu-Bekr Temple 91 in Brooklyn, other elected and appointed officers in the temple, and by imperial council officers of New York.

6,205 study at Morgan

Enrollment figures for the spring term at Morgan State College reveal a seven per cent increase over the spring semester of a year ago.

According to the College's registrar, Houston L. Stansbury, a record 6,206 students are currently enrolled for spring classes at Morgan State, now in its 106th year.

This represents an increase of 463 students over the enrollment of 5,743 who registered last year for the spring session.

Stansbury says, "In spite of cutbacks in financial aid at federal and state levels, Morgan State has been able to increase its enrollment significantly.

"I think this is due in part to the College's sensitivity to the needs of the community which it serves. It has been able to provide a more diversified educational program for the citizens of Maryland."

A total of 5,144 students are enrolled in undergraduate classes, including 242 new students who are matriculating at the Northeast Baltimore (Md.) institution for the first time.

The Graduate School has a total of 1,029 students registered for the spring semester which is an increase of 98 students over those registered for the spring semester in the Graduate School last year.
