Goucher scholarship recipient

Miss Thomasine Hawkins, 20, who graduated cum laude this May from Anne Arundel Community College, has been notified of the award of a renewal scholarship by Goucher College, where she will continue her education this fall.

A graduate of Annapolis Senior High School, Miss Hawkins majored in liberal arts at the community college, where she says her favorite study was French, adding that "mathematics was my most difficult subject, but very interesting."

MISS THOMASINE HAWKINS
wins Goucher scholarship

Miss Hawkins, a former Girl Scout, whose hobbies include bowling, ice skating and Bible study, is an active member of the First Baptist Church of Annapolis and of the local chapter of the international Young Life Club. She intends to major in French at Goucher and hopes to be able to pursue graduate studies to prepare for her teaching in Anne Arundel county schools.

Asked about marriage plans, she stated firmly that "finishing college comes first."

A straight A student in French at Anne Arundel, Miss Hawkins voluntarily helped several classmates having difficulty in the language. Although quiet and modest, she feels strongly that "faith is a very important factor in life."

Miss Hawkins resides in Annapolis with her only sister, Frances, and her parents, Mr. and Mrs. Thomas Hawkins.
