Larson 'Olympics' draws top stars from six areas

PLAINFIELD, N.J. — Larson's 3rd Annual Invitational Track and Field Meet will be held on August 8, 1973 at 6 p.m. with a rain date for August 9th. The meet will be sponsored by Larson Mortgage Company and Plainfield Division of Recreation and will take place at the Plainfield High School field, Randolph Road.

The first year the Larson Olympics were limited to Plainfield residents. The second Annual Olympic Games were expanded to include five communities. This year, the program will include contestants from six communities: Plainfield, South Plainfield, North Plainfield, Scotch Plains, Westfield, Edison and Piscataway.

First place winners will receive calendar watches with the inscription of Larson Invitational Track Meet and date. Second and third place winners will be given plaques and trophies. The Larson Trophy will be given to the most outstanding male athlete.

The Milt Campbell Award will be presented to the most outstanding female athlete. The community achieving the most points (a team award) will receive the Plainfield Recreation Trophy. A trophy will also be awarded to the most outstanding track club.

• • •

Robert W. Larson, president of Larson Mortgage Company, said that he was pleased that this year's meet was going to be held in the evening because this would give an opportunity to parents and friends to come out and support their favorite athletes. This meet, according to Larson, is a culmination of a full summer of training, and since Plainfield has long been considered a top track town, the performances will be outstanding in many events.

• • •

One of Plainfield's most recent track champions was Joe Myatt who is a high school senior and was invited to compete in California and Florida in top invitational meets. Joe was a place winner and well represented his town among the nation's top hurdlers.

Larson said that with the able leadership of Sam Brown, the meet director and John Pepe, director of Recreation for Plainfield, this meet will regularly be a place to identify future track greats.

Any athletes who is interested in participating should call Sam Brown at the Plainfield Recreation office at 201-753-3097 for further information.

Integration grants total $147 million

More than 600 grants totaling $147 million have been awarded school districts and nonprofit organizations active in advancing school desegregation, HEW Secretary Caspar W. Weinberger announced today, (Friday).

The grants went to school districts and organizations in 42 states, the District of Columbia, Puerto Rico, the Virgin Islands, and the Trust Territory of the Pacific Islands.

They represent the third and final batch of Fiscal Year 1973 grants made under the Emergency School Aid Act (ESAA), passed last year to assist schools throughout the nation to overcome isolation of racial and ethnic minority groups.

• • •

These grants bring to $195 million the total amount obligated during the first year of the ESAA program. Most of this will support educational improvements in desegregating districts during the 1973-1974 school year.

SPEEDY—Larry Brown (l), who lost only one race this year in the 100 yard dash, accepts Essex Community College's trophy for outstanding athlete of 1973 from coach, Russ Rogers (r). Brown will go to Moscow next month to compete at the World University Games International Track Meet.

Larry Brown, star runner will compete in Moscow

NEWARK, N.J. — Larry Brown, chosen Essex County College's outstanding athlete for 1973, has been selected to compete at the World University Games International Track Meet in Moscow, USSR. Brown will be in Russia from August 15-28.

His coach, Russ Rogers, former University of Maryland track said, "Larry will compete in the 440 relay in Moscow, and it is almost certain that he will compete in the 100 and 200 at the games." Larry had an outstanding year, having lost only one of twelve races in the 100 yard dash.

He has run four 9.3 100's and competed on the national relay team which [illegible] new American record [illegible] the AAU Championships on February 22 in New York City.

• • •

Larry also set a new National Junior College record in the 300 yard dash at the first Indoor National Junior College Championships held in March at the University of Missouri Hern Fieldhouse.

The ECC track team itself won the overall national championship at that first Missouri National meet in which over 50 community colleges and 300 athletes from throughout the United States also competed.

Coach Russ Rogers was named "Coach of the Year" by the National Junior College Association. Rogers' Wolverines, who also held the title of National Outdoor Junior College Championship in 1972, returned to San Jacinto Junior College in Pasadena, Texas, to defend the championship.

In a controversial decision still being negotiated, Larry Brown—in his sole 100 yard loss of the season—was disqualified for running out of lane. The Wolverines came in second and lost the overall 1973 National Outdoor Junior College Championship by 3 points.

• • •

Coach Rogers, who competed in 1965 U.S. vs. U.S.S.R. International Dual Meet in the 400 meter hurdles, remarked, "Larry has a heck of an opportunity for a Brooklyn boy to grow and mature in an international setting."

Educators plan fall convention in Baltimore

An estimated two thousand educators from across the United States will come to Baltimore next November for the 8th Annual Convention of the National Community School Education Association.

The convention will be held from November 27th through November 30th, 1973. Meetings will be held in the Lord Baltimore Hotel, the Hilton Hotel and Holiday Inn Downtown.

General Chairman of the event is Mrs. Pearl C. Brackett, Assistant Superintendent, Baltimore City Public Schools.

If, you've got the time, we've got the beer.
