Four major productions are planned for the year, with a mix of one-act and full-length plays, ranging from the serious to comic, under consideration. Final selection of plays for the season will be announced following the two-day casting try-outs.

Actors and actresses of all ages, from teenagers to oldsters, are needed. Ability as well as experience will be considered, so don't let the opportunity pass simply because you've never tried before.

In addition to its major productions, the theater is also planning a number of other activities and special events, including experimental productions, staged readings, presentations of original scripts and sponsoring other selected professional and community theater productions.

Those interested in working on technical and stage crews or in the business end of play production, are also asked to sign up now.

It's like a bounty on bugs. The makers of Raid, the nation's number one bug killer, will knock off a dime so you can knock off the bugs—crawling bugs, flying bugs, indoor bugs, and outdoor bugs.

Just clip the coupon and take it to your retail store. You'll save more than a dime, you'll save yourself a lot of trouble when the bugs start bugging you.

RAID HOUSE & GARDEN
The indoor-outdoor bug killer. Won't leave oil stains on draperies or furniture, won't harm plants or shrubs.

RAID ANT and ROACH KILLER
Penetrating Raid vapor goes through wall cracks and crevices—kills bugs where they hide. Outside walls, continuing action keeps killing bugs even after it dries.

RAID FLYING INSECT KILLER
Patented non-oily formula has a fresh, clean odor. It smells so nice but it kills bugs so dead.

RAID YARD GUARD
Jungle-tested formula kills flying insects up to 20 feet away. Cleans out flies, mosquitoes, gnats and ants. Perfect for your back yard, patio or picnic area.

RAID MOSQUITO COIL
Just light it and it releases a vapor that acts like a barrier to repel mosquitoes. Keeps working for hours.
