Viewed As Smashing Success

If the second issue of DAWN is an example of what is to come, DAWN will be a smashing success. DAWN is God sent.

Lauds 'What's Going On'

As a college professor, I find one feature of your DAWN to be particularly informative, i.e., the column entitled "What's Going On and Where." Congratulations on your insightfulness.

Timely Publication

Allow me to hail DAWN as a welcome newcomer to the field of the national magazine supplement. It has attractive makeup and a wide variety of stories that should appeal to youths and adults, men and women.

EDWARD PEEKS, Charleston, W. Va.

Impressed By DAWN

I just read your two issues of DAWN and am very much impressed.

DR. BONNIE J. GILLESPIE, Raleigh, N.C.

Right On! To DAWN

I find DAWN very stimulating and relaxing. My wife finds it very entertaining reading. When I showed her DAWN she went mad about it. She can't wait for the next issue.

Right on to you brothers, and right on to DAWN!

Someone you know sells Avon.

That's not surprising. Many thousands of black women are Avon Ladies.

An Avon Lady is your sister, your mother, your neighbor, your friend. And she brings a world of exciting products right to your house.

If you're busy when she stops by, she'll leave an Avon Brochure. So you can go through it when you have time.

And your Avon Lady never pressures you into buying anything.

Of course, if something you buy isn't just right, you can be sure she will make an exchange or refund your money.

When it comes right down to it, there's just nothing like buying from someone you know.
