A&P WEO WHERE ECONOMY ORIGINATES

A&P WEO Appreciation Days

The Biggest Dollar Sale of the Year
When we say Thank-you, We really mean it!

ENERGY IDEA #1

What we're doing. A&P is reducing the temperature in its stores to no more than 65°. That's still comfortable for shopping, but helps to conserve precious fuel.
What you can do. Turn your home thermostat down several degrees. You will save fuel and lower your heating costs.
