we don't play games with meat prices

All our most popular cuts of meat and poultry carry bargain once tags every day of the week, not just on weekends or during special sales. Day in day out, you'll find our meat and poultry prices overall lower than most competitive supermarkets. All beef cuts are USDA choice.

At Pantry Pride you win. Because we don't play games

Do you sometimes feel that shopping is a "game"— with the odds stacked against you? We don't want you to feel that way when you shop in our stores. So, instead of playing games with our customers, we play straight. We think that makes more sense. Don't you?
