GENERAL ASSEMBLY NOTES

King Day bill hearing reset

By Claudette Newson

A bill sponsored by Del. Kenneth Webster, D.-th. to make a legal state holiday of Dr. Martin Luther King's Jan. 15 birthday has been rescheduled for hearing by the House Ways and Means Committee.

The postponement was announced Wednesday, the day of the original hearing.

That same day Del. Walter Dean, D-5th, announced that he is seeking to have the bill amended to include as sponsors all members of the Black Caucus.

Del. Dean, a member of the committee hearing the bill, says that the Department of Fiscal Services estimates the cost to the state will "range from $80,000 to more than $185,000 per holiday."

He says the cost factor has been the major reason for the bill's failure to pass the General Assembly.

"I hope the black community will massively support the bill," said Del. Dean. "Dr. King must be recognized for his lasting contributions to the nationhood of black people."

Dr. King is also to be remembered for his endless hours of work in efforts to aid and represent the needs of the black people.

Del. Webster explained that he made no mention of the Jan. 15 "Day of Prayer" on the House floor because he was not in attendance.

He says that he refrained from coming to work in honor of the day.

Del. Hattie Harrison, D-5th, who is just beginning her second year in Annapolis, (She replaced slain Del. James "Turk" Scott.) will be honored as Zeta Phi Beta Sorority's "Woman of the Year" in March.

Mrs. Harrison, counselor at Dunbar when not in Annapolis, is also Mayor Schaefer's appointee to the Dunbar Multipurpose Center.

Del. Hildagardeis Boswell, D-4th, who just recently acquired a legislative aide, has designed identification cards for the aides.

The card carries the aides named and the name of his or her sponsoring legislator and asks that the aide be extended all privileges of the office.

* * *

A letter has been drafted in behalf of Del. Frank Conaway, D-4th, requesting that the Ethics Committee review all the bills he has introduced since 1972.

Reportedly this will include over 100 bills.

The Gulf Boycott Coalition had plenty of leaflets on hand Wednesday when the oil company appeared before a joint legislative committee to testify on the extent of the energy crisis.

Gulf representatives said that there is a crisis in so much as demand is more than supply and acknowledged that ht company acknowledged that the company made an over 40 per cent higher profit in the first nine month of 1973.

The coalition protests the firm's agreements with Portugal allowing for the extraction of natural resources from Angola, which is seeking its freedom.

The warden revealed that the jail which have cut figures from the months of Nov. and Dec. show a decrease in overtime pay of $17,000.

He said he expected the decrease to continue and by the end of Feb. "I hope it will end entirely. Overtime remains our biggest problem, however," Kamka added.
