24,000 MILE GUARANTEE

PASSENGER CAR TIRE GUARANTEE

Montgomery Ward guarantees each of its passenger car tires for a specified number of miles when used as originally intended on the vehicle upon which it was first mounted. If your tire does not give the mileage because of:

- a defect in material or workmanship,
- a normal road hazard failure,
- a premature tread separation (2/32 inches or less remaining),

Montgomery Ward will:

1. During the first 10% of guaranteed mileage, replace the tire free.
2. During the remaining guaranteed mileage, replace it for a prorate charge based on mileage used.

Nail punctures repaired free during the entire guaranteed mileage.

For guarantee service and adjustment, return tire to any Montgomery Ward branch with the Guarantee Booklet issued at the time of sale.

Charge after first 10% of guaranteed mileage based on price in effect at the time of return at branch to which returned, including federal excise tax.

Passenger tires used as truck-tires, and motor vehicles other than passenger cars are guaranteed as the same tires equal defects in materials and workmanship only.

Proper tire and maintenance system is important to obtain the maximum mileage. We suggest that you have your tires and wheels properly balanced, rotate your tires and keep your wheels aligned. Check your tires every 3,000 miles, for the only guaranteed mileage, at any of the retail or catalog branches of Wards tire installation facilities. Wheel alignment, balancing, rotation are available, at regular charge.

A 2 fiber glass belts give strength and rigidity and help protect against costly impact and puncture damage.

B 2 durable body plies of polyester cord provide the Twin Guard with body strength for smooth rides.

34,000 MILE GUARANTEE

A 2 "armour-like" steel belts help stabilize and strengthen the tread for great traction and mileage.

B 2 body plies of popular polyester cord give you a smooth, comfortable ride.
