Pollack-Blum's opens new store at Mondawmin Mall Metro Plaza

POLLACK BLUM'S GRAND OPENING was held Monday, May 6, at the new store in the Mondawmin shopping center. Shown are shoppers going through the store's vast displays of furnishings. Mrs. Elenore Williams, 3900, Bareva Rd. gazing at a price tag states, "I like the furniture and the prices."

The latest chapter in a retail history dating back more than 131 years was written on Monday, May 6, at 10 a.m. when Pollack-Blum's Furniture Co. opened a new store in the Metro Plaza Building in Mondawmin Mall.

With the opening of this new store — the largest in the Northwest Baltimore area — Pollack-Blum's reaffirms its continuing faith in the future and growth of the city of Baltimore, and in the future of the Baltimore business community.

Of the 9 Pollack-Blum's stores, 5 are located in Baltimore City: Howard and Saratoga Sts.; E. Monument St.; W. Pratt St.; Eastern Ave.; and the new Metro Plaza store.

Pollack-Blum's believes in the future of the city, and in its economic growth and development. With the addition of the Metro Plaza store, Pollack-Blum's hopes to make another significant contribution to that growth and development.

The Metro Plaza store is designed to give the customer the full scope of furniture buying. Everything is on convenient level — a full 23,000 sq. ft. of display divided into elegant room settings, with everything for the home from entire rooms to carpeting, bedding, accessories and appliances.

And the store is designed for maximum shopping pleasure, with fully carpeted floors, friendly salespeople, and scientific lighting to provide merchandise the most realistic colors and tones. Customers can park at street level, right at Metro Plaza's door.
