3-Day festival in Annapolis

The Twelfth Annual Annapolis Arts Festival will be held on the picturesque City Dock in Annapolis June 14th through June 16. The three-day celebration of all the lively arts will open on Friday, June 14th at 11 a.m. with beautiful Annapolis Harbor as a backdrop, colorful tents and an outdoor stage for a continous festival of art, music, drama and crafts.

The highlight of this year's festival will be a special concert featuring the extraordinary talents of two giants of jazz—Charlie Byrd and Teddy Wilson. Although guitar virtuoso Byrd and "the daddy of them all" jazz pianist Wilson have appeared on the same bill at many jazz festivals both in the United States and abroad, this will be the first time they have played in concert. This unique presentation will take place on Friday, June 14th, at 8 p.m. at the Annapolis Senior High School.

Visitors to the Festival will once again be struck by the beauty of the multi-colored tents and the "Player's Platform" set on the city dock, amidst the many sleek sailboats and motored craft moored or cruising in the water. The arts in all their forms will radiate outward from the entrance lined with flower displays and a "floor plan" of the Festival area. On each side of the entrance visitors will notice the two large crafts tents which will be full of artisans and craftsmen making and displaying their art forms. Chairman Maurice Foote has arranged for 80 of the most skilled craftsmen ever to participate in a festival to be on hand. On one side of the Craft Alley will be the adult tent, where the crafts on display have been carefully selected because of their unique nature, variety in pride and quality, and appeal to the public interest. Demonstrations will be held in several of the crafts periodically throughout the Festival.

Students take staff positions school No. 20

The students of Sir Robert Eden Elementary School No. 20, Eden and Federal Sts. had a Student Day. Students from each class took over the roles of the principal, secretary, coordinator, teachers, aides, librarian, physical education teacher, art teacher, music teacher, reading teacher, and resource teachers.

The biggest position sought was that of the principal. Ten students from grades 3 through 6 were selected by their classmates to run for the position. The candidates were Nina Brown, Bernadette Buckson, Wanda Dudley, Stanley Gilliam, Wallace Hines, Audrey Jenkins, Sherina King, Kenneth Thomas, Regina Washington, and Denise Willis.

The ten candidates held a campaign rally outside in the new Park Plaza. The entire student body and faculty assembled together to hear the candidates tell why they felt they would be the best students for the position of principal.

Each candidate had really prepared for the rally. Before each speech was given, cheerleaders or just supporters gave cheers, chanted songs or yelled for their candidate. The candidates reasons for wanting to become principal included honesty, good leadership qualities, pass experience in other organizations, improving conditions at School No. 20 for teachers and students, daily evaluations of what is going on in the school and keeping Park Plaza clean. Every candidate was "BTTB," the school motto for being "Better Than The Best."

The entire student body voted. Bernadette Buckson was elected as principal and Stanley Gilliam who came in second was the coordinator. Listed below are names of the students and the positions they fulfilled:

Teachers were: James Ferguson, Tamnika Harris, Anthony Smith, Queenette Baylor, Tony Downey, Belinda Thorton, Irving Brown, Dorreen Carter, Lisa Robinson, Marcus Alston, and Angela Harris.
