Provident Hospital employees in the news

MRS. JEAN CRAWLEY
First employee of the month

Provident Hospital's first 'Employee of the Month' was recently named. She is Mrs. Jean Crawley, an Outpatient Billing Clerk in the Patients' Accounts Department.

She recently marked her tenth anniversary as a Provident employee. Mrs. Crawley has been employed in her present position for two years. According to her supervisor, Robert Bloom, "Mrs. Crawley is a very conscientious employee who is seldom absent and never tardy. She is becoming very good at handling patients' questions and complaints. She is the Union Delegate (1199E) for her department, and I think she was chosen because of the trust and respect her fellow employees have for her."

Mr. Bloom points out that Mrs. Crawley has taken the initiative in learning more fully about the billing operations and the computer center. She has designed and implemented a form used to submit corrections and rejections to keypunch.

Her efforts have helped to save considerable sums of money for Provident, and Mrs. Crawley's determination and loyalty have set an example for her co-workers.

The mother of four children, 24, 23, 22 and 18, Mrs. Crawley spends her leisure time as a member of Provident's bowling team and sewing.

When asked how she felt receiving 'Employee of the Month' award, voted on by a committee composed of hospital employees, Mrs. Crawley stated, "I was really surprised. I didn't even know I had been nominated. It makes me feel good about the hospital and about my work."

Mrs. Crawley will receive a $50 United States Saving Bond and a framed certificate, presented by Dennis A. Gowie, executive director of Provident and her supervisor, Mr. Bloom.

Mrs. Wright

A new position has been created within the Cardio-Pulmonary Department to better organize medical records and charts of patients. Mrs. Jeanette Wright, Medical Records Specialist (Technician), began her challenging job earlier this year and is currently seeing the results of the new classification system she has initiated.

Prior to her coming to the department, records were arranged on the basis of alphabetical order. The change involves reclassification using the Terminal Digit System which color-codes the files and arranges them according to Social Security numbers.

Mrs. Wright has found that most hospitals within Baltimore City have also changed to the newer method of medical record keeping for Cardio-Pulmonary patients. She finds that the system is more accurate and requires less space for the records.

While reorganizing the files, Mrs. Wright must review each case to be certain that the patient is accurately classified. She has also developed an inactive file for deceased patients and for those who have not been seen for the past five years. The effect of all the updating has been a large reduction in the backlog of records within the department.

Mrs. Wright's other duties include receiving patients as they enter the Cardio-Pulmonary area, helping to ready them for EKG testing, and making sure that charts are available for the doctors' use. She is responsible for conveying any information needed to other hospital centers when it is requested.

The Medical Records Specialist worked for a month in Provident's Medical Records Department before assumeing her current duties. Before employment there, Mrs. Wright was the Supervisor of Radiology at Johns Hopkins Hospital from 1967-1972. Her work now is under the supervision of Mrs. Hattie Green, director of the Cardio-Pulmonary Department and Dr. Elijah Saunders, Chief of Cardiology.

King's Landing Camp

A new "Progressive Camping" program has been put into the YMCA Five Year Plan emphasizing THE KING'S LANDING CAMP service to Branches. It is hoped that the majority of our campers will move through this progression, it is as follows:

1) Ages 1-5 Family Camping
2) Ages 6-8 Day Camping
3) Ages 13 Resident Camping
4) Ages 14-17 Travel, Caravan Back-pack, Canoe, Tripping.
5) Ages-18-25 Counselor Camping
6) Ages 25 Adult Conference Camping

Campers will not necessarily need to experience each step but we suggest that a year around activity in a YMCA program can have real meaning for our campers. An interested camper may sign up and attend a DAY CAMP in the YMCA Branch nearest his or her home. Check your local Branch for ages and fees for DAY CAMPS.

Families interested in Family Camp Programs are urged to contact the BLACK ROCK OUTDOOR YMCA for FAMILY CAMP programs and activities.

Older Campers

There are special programs for older campers. Young men and women sixteen years of age who wish to train for positions of leadership (L.I.T. program attend camps as paying campers. Only young men and women interested in training in the Camp, School and Community are encouraged to become a part of this program. Advance camping programs will be provided for this age group.

King's Landing Camp is located on a secluded site in Calvert County, four miles west of Huntingtown, Maryland, on the beautiful Patuxent River. The camp is located on one of the wide gentle bends in the river providing an excellent area for canoeing, water skiing and sailing.

The property covers 285 acres of rolling hills, with several large wooded areas which offer plenty of space for on-camp nature hikes, wood craft, axemanship and outpost camping instructions.

There are large areas with athletic [illegible] the six villages on the camp, plus plenty of facilities for minor sports.

The swimming pool, dining hall, health center and riding ring are located in the large central area of the camp which divides the boys' section from the girls' section.

The camp is used for off-season Conference Camping by many churches in the Baltimore and Washington area, by Calvert County Schools for their Out-door-Education Program and by the Maryland Ornithological Society for their Junior High Camp. The wooded area abound with natural bird habitat where some seventy different birds have been seen and catalogued.

Program

The program at King's Landing Camp is designed to help each camper grow physically, mentally, and spiritually. Each day in the camper's life is an exciting one, filled with new experiences, new friendships, and new appreciation of the great out-of-doors.

RIDING will be a point of particular enthusiasm. Each camper has an opportunity for beginners and advanced horseback riding instructions at a special camp rate. Each camper will receive introductory training in horseback riding. Additional instruction, necessary to trail riding will be available.

SWIMMING instructions are given to each individual camper, using the progressive YMCA Aquatic program. All swimming instructions are given in the 60' x 25' swimming pool.

WATERFRONT activities, sailing, water skiing, and canoe tripping based on a camper's swimming ability are a part of the program.

CRAFT, the actual making of things, is an interesting opportunity for campers from the youngest to the more advanced to develop their skills in producing items from wood, leather, shells, feathers, clay and stones.

NATURE abounds in the large wooded areas of the camp. With such natural resources, our campers have a real opportunity to gain a keener understanding of wildlife, birds, small animals, trees and the great out-of-doors in general. They can survey space in all of its splendor: as only a clear night in the country can reveal, and then view a specific star or planet through a telescope and listen to the words of the trained counselor.

ARCHERY AND RIFLESY, two national camp programs are taught by qualified instructors with special emphasis on safety.

SPORTS, such as baseball, basketball, volleyball, softball, tennis, golf and badminton are available.

Any boy or girl between the ages of 8-13 who is amenable to discipline and is free from habits that would make him or her an undesirable or an unhappy camper.

Year around members of the YMCA are especially encouraged to attend the Resident Camp to continue programs begun in the Branches.

A non-refundable Registration Fee of $10.00 per camper must accompany this Registration. (If the camper is not a member of a Branch of the YMCA or the YWCA, a minimum $5.00 membership fee should accompany this Registration). The Registration Fee will be credited to the total camp fee, but will be forfeited if applicant fails to attend camp. The balance of the fee should be paid 10 days before camper enters camp. Campers may register at any branch YMCA.

Woodlawn highlights

Friends, relatives, neighbors and co-workers of Walter E. Lee, joined together last week to stage a memorial farewell luncheon that involved over 225 persons who have known the honoree for most of the 33 years he has been associated with the Social Security Administration.

Guests began arriving at the Altmeyer Building around noon, laden with gifts and good wishers. There were two tables for his nieces, nephews, sister, Mrs. Mary Randalls and other relatives. The presence of longtime friends from the Candler Building "ERA" brought back memories of the "Good Old Days."

Retired co-workers Ed and Connie Wharton and Clifton Yorkman added gaiety to the scene. Walt's wife Ruth, who retired five years ago from the Social Security Administration was on hand to help uncover the 17" color television and to count the one hundred (100) one dollar bills placed on the pages of a fun book.

Mrs. Lee gifted her husband with pink carnations in a container shaped to resemble a Holy Bible.

* * *

Mt. Carmel Baptist Church congregation sent a flower arrangement in a bowling ball vase for the center piece. The Rev. Mr. Brown, pastor of Mt. Carmel and husband of committee member Phyllis Brown gave the invocation.

Afternoon show stoppers were the poems written and read by Mrs. Vera Martin and Mrs. Verna Day. Both ladies dedicated their humorous poems to the honoree.

"I am so glad to retire while I am able to enjoy retirement" stated Walt as he expressed gratitude and thanks for the wonderful way his friends had chosen to say "We Love You."

Special words of service recognition were spoken by supervisor, Linwood Moore and government service administration Building Manager, Mr. Harmon.

Committee members who planned the successful affair were: Mrs. Rose Simpson, Mrs. Phyllis Brown, Mrs. Ellean Isabelle and Mrs. Gertrude Thomas.

Employees on the Annex Cafeteria Catering staff gave a surprise retirement party on last Friday night to honor Walter E. Lee.

William Sturzer, Supervisory Photograper for the Social Security Administration's Bureau of Data Processing, retired June 21, after 24 years of government service.

Mr. Sturzer, a native of New York City, began working for SSA in 1950 as a microprint operator in the photography section and became supervisor of the section in 1954.

He attended City College of New York and worked for the New York City Board of Education for 18 years prior to his government employment. As supervisory photographer, Sturzer's responsibilities included taking and processing photographs, as well as buying equipment and supplies and consulting on photography matters.

He plans to devote time to extensive traveling and to his hobbies which include photography and electronics. "I want to do things I didn't have a chance to do while I was working," he commented. Sturzer and his wife, the former Marion Cohen live in the Pikesville area. Their son, Ned, attends the University of Buffalo as a Doctoral candidate in mathematical logic.

Foster patents honored

A special group of parents were honored by the Family and Children's Society, a United Agency, at its annual Foster Parents' Tea May 11.

These parents are special because they have opened their hearts and homes to troubled children whose own parents are not available to them. Their dedication has meant that many a youngster with chaotic beginnings has been able to grow up in a warm and loving family.

Individual awards were presented by Mr. David T. Mason, secretary of the State Department of Social Services and Employment, to those who have been with the Family and Children's Society from five to thirty years. Many have provided a home for some period of time to as many as 50 or 60 different children.

Tenth anniversary for men of Lucky Ten, Inc.

Michele L. McRae
AFRO staff writer

More than 900 guests gathered at recently to celebrate the 10th anniversary dinner dance of The Lucky Ten, Inc., a Baltimore men's service group noted for its charitable activities.

The Estrevans provided music. Hightlight of the affair was the crowning of "Miss Lucky Ten of 1974," Miss Ann Tilgman.

Second prize went to Miss Dorothy Noly, and third place winner was Miss Susie Stewart. Consolation prizes were awarded Misses Lena Smith and Rosie Stokes.

Services

The Lucky Ten has been making annual contributions to such institutions as the Anna Mae Hunter Home for the Blind, the Red Cross Open Air Camp Project, Boys Village of Maryland, Emmanuel C.C. Church and Camp Furtherest Out.

The group's special project has been Camp Furtherest Out to which the club has sent 30 underprivileged children each summer.

On the social side of the Lucky Ten's program have been the annual Bull and Oyster Roast, the Krazy Pants Dance and the crowning of "Miss Lucky Ten," the climax of each season's program.

* * *

Membership of the Lucky Ten is actually 14 but the club has maintained its original incorporated name despite the increase in membership.

James L. Camphor is president. Other officers are Malcolm Turner, vice president; Earl Gardner, recording secretary; Robert Wagoner, financial secretary; Charles Love, treasurer; Charles Mackey, business manager; Reginald Gardner, assistant business manager; Jerome Hill, sergeant-at-arms, and Francis Smoot, chaplain.

Other members are Frank McIntyre, Leroy Jenkins, William Harris, Thomas Barnes and Gary Thomas.

Honored

Miss Susan C. Ledbetter, 18, graduate of Woodlawn Senior High will be honored at a graduation swim and dinner party on Monday, July 1 at the Randallstown home of Trudy Edwards.

Miss Ledbetter has received a scholarship to University of Maryland, College Park School of Nursing for the fall semester. She will earn extra credits this summer doing volunteer work in the Trauma Ward of University Hospital. While in high school, she worked full time at Lutheran Hospital as a doctor's clerk under a workstudy program.

A Beautiful Day

What a beautiful day it was for Mr. and Mrs. Harry T. Coates of Mondawmin Ave. recently when Harry legally adopted his wife's (Sally), two sons, Mitchell and Marsden.

Mr. Coates is manager of Mid-West Federal Credit Union and Mrs. Coates is an I.B.M. Selectric Operator at the Enoch Pratt Free Library.

Correction

In last week's edition of the AFRO, this writer printed the engagement announcement of Miss Annie Beatrice Jordan to Thomas Edward Sinclair and the wedding date as August 14. This was an error. The wedding of the couple will take place August 17 at the New Psalmist Baptist Church, 2 p.m.

Mrs. Smith Initiated

At the recent, dinner meeting of the Monumental Chapter of the National Secretary Association, International, held at the Lord Baltimore Hotel in the Cavalier Room, Mrs. Helen L. Smith of Barrington Rd. was initiated into its membership. Mrs. Smith stated this is a step in her life she has anticipated since becoming a professional secretary.

She is the administrative secretary to the chief of the Department of Dentistry, Dr. Irvin Hawkins, at Provident Hospital, Inc. Mrs. Smith has worked at Provident since 1972. However, hospital surroundings are not new to her.

Prior to coming to Provident, she worked at Johns Hopkins Hospital for 5 years in the Medical Records Department and at North Charles General Hospital for 5 years, as the secretary to the chief of radiology. More recently she was employed as a legislative assistant and secretary to the Baltimore City delegation to the Maryland General Assembly in Annapolis.

Mrs. Smith stated the role of the secretary is very important and becoming a more responsible one in the age of computer. Good secretaries can be professionals in their field, especially those who possess advanced knowledge and skills of personnel, administrative and budgetary management and if they put the quality of professionalism in all areas of their work."

The principle purpose of this national organization is to elevate the standards of the secretarial profession through continuing education, through workshops and sponsored classes within the chapter, and through the association's certified professional secretary program. The association emphasizes the need for continual upgrading of knowledge and skills which would be valuable to employers in our increasing specialized, business and management world.

Melvin Moore Named

Melvin Moore Jr., M.S.W., Director of Mental Health Services for the Baltimore City Health Department has been elected president of the Maryland Workshop for Mental Health at its third annual meeting.

The workshop was organized in 1973 by interested persons from across the State working in the mental health field and motivated by a desire to promote better mental health. Today, the membership numbers about 350 persons engaged in mental health work.

As president, Mr. Moore succeeds Dr. Archie Hooten, a Catonsville psychiatrist, who is vice president for the coming year.

Also elected to serve on the workshop staff were Neva Lewis, Psychiatric Nurse for Prince George's County Community Mental Health Program, as record-keeping secretary; Kitty Broady, Director of Public Realtions for Provident Hospital Community Mental Health Center, as corresponding secretary; and Carol Petrelli of the Carroll County Health Department as treasurer.

Persons interested in more information about the group may call Mr. Moore at 396-4500.
