Banners feature Denver Racquets

BALTIMORE — The Denver Racquets explode into Baltimore Friday night, at the Civic Center at 8 p.m. in one of the last home performances of Jimmy Connors this season.

Following the match the Wimbledon Champion takes off for the National Clay Court Championships. His future appearances with the Banners hinge on his progress in that tournament.

Led by player-coach, Tony Roche and Francoise Durr, the Raquets lead the Pacific Division and seem certain for a play-off berth.

ATHLETICS 19 vs INDIANS 1

In a game called because of darkness at the end of 3½ innings, the Athletics found themselves on top for the 10th time this season. This time over the last place team in the American League, the Indians. The A's scored one run in the bottom of the first then broke loose for seven in the second and eleven in the third. The Indians scored only once and that came in the second by Anthony Handy on four straight walks.

The Indians were held hitless by Roland Curry, the A's third string pitcher. Curry is also the A's first string first baseman. Curry struck out five, but walked twelve.

• • •

Curry was helped by great defensive work on the part of the A's infielders. The bases were loaded in the second, third and fourth innings. In the fourth with the bases loaded via walks with nobody out, the A's infield cut off two runs at the plate, and the catcher, Mark Ingram picked off the runner at third for the final out.

Indian's pitchers, Mark Johnson and Tony Wilkens, combined to strike out five and walk thirteen; and allowed only six As hits.

Kraig Holt, had a perfect day at the plate with 3 triples and a walk. He scored four times. Mark Ingram, Bryan Samuels and Michael Fester had the only other A's hits. Mark Ingram and Elston Carroll scored 3 runs each, Roland Curry and Bryan Samuels scored 2 runs each, and Victor Johnson, Edward Holmes, Cecil Roberts and Michael Feaster and Leroy McDuffie scored 1 run each.

TUESDAY, JULY 25

PIRATES 12 vs METS 5

Pirates' pitcher Phillip Bourne allowed the Mets only 5 runs and 3 hits as the Pirates defeated the Mets 12 to 5. Bourne struck out 9 and walked 4. C. Meyers, P. Merrick and G. White had the only Mets hits. Merrick, G. White, M. White, J. Divers and R. McEachern scored the Mets runs.

Met's pitcher, James Divers struck out 5, walked 2 and gave up 9 hits and 12 runs. Derek Goldsmith had 3 hits for the Pirates, while R. Hines, M. Marsum; E. White, L. Durrah, S. Worthum, and L. Bourne had the other Pirate hits.

The Mets ended their rookie season with a record of 11 defeats, one tie and no wins, but as the old cliche goes, wait until next year.

GIANTS CLINCH NATIONAL LEAGUE CHAMPIONSHIP

The Giants clinched the National League by defeating the only League contenders, the Cubs. The Cubs started the game with 2 runs in the bottom of the first but had allowed the Giants to score 3 in the top of the first. The Cubs then came back to tie it in the second and went ahead by 1 run in the third, holding the Giants scoreless until the fourth.

The Cubs, now ahead 4 to 3, allowed Giant runs to cross the plate. The Cubs, now down 9 to 4, got 1 run back in the fifth and 2 in the sixth, but it wasn't quite enough as the Giants won 9 to 7.

• • •

Both pitchers showed control problems in the early goings. Cubs pitcher James Tolson, struck out 8 and walked 8, while pitcher Robert Taylor struck out 12 and walked 9.

Charles Thompson led the Cubs with 2 hits and 3 runs. T. Bennett and Andre Brown had the only other Cub hits. M. Brown, R. Roane, J. Tolson and A. Brown scored the other Cubs runs. Robert Taylor and Mark Bailey led the Giants with 2 hits each and each scored 2 runs. B. Gibson also scored twice. Tony Joshua, Horace Love and Roger Griffin had one hit each to account for the other Giant hits. Joshua, Griffin and Dale Corton each scored 1 run to account for the Giants runs.

• • •

The James Mosher Championship game will be played on, Saturday, August 10 at 5 p.m. at the James Mosher Field. The Giants' opponent from the American League will be decided today (Friday) in the game between the Twins and the Orioles.

Should the Orioles defeat the Twins it would force a playoff between the Twins and the Athletics. As of now the Twins record is 10 wins and 1 lost, while the As are 10 and 2.

Student candidate hits campaign tactics of adults

"I intend to continue my independent campaign for the Democratic State Central Committee from the 41st District in order to restore our party to its rightful owners, the people.

"I hope the seasoned politicians will not try to discourage the young candidates with the same old tactics of mud slinging and false innuendoes.

"It is most unfortunate when adults set a bad example. So many young people have been turned off but are greatly concerned about people's need and people's concerns."

The statements are the reactions of 21-year old Michael W. Lee, a senior political science major at Macalester College in St. Paul, Minnesota, and his parents.

They made the statements after young Mr. Lee's name cropped up in the published articles of a dispute between Delegate Walter R. Dean and State Senator Clarence R. Blount.

• • •

Dean had charged in an AFRO story, as well as a daily newspaper article that he had been dropped from the Blount ticket because he would not promise to pay $1500 to join the ticket, pledge support for Lee for the State Central Committee and withdraw from the race for the Democratic National Mini Convention. Sen. Blount, on the other hand, termed the charges false.

In a daily newspaper article discussing the break between Del. Dean and Sen. Blount's Five by Five Political Club, it was asserted that young Lee was a-one-aide to City Councilman Alan B. Spector, who had-secured his College scholarship.

• • •

Lee's father, Thomas M. Lee, in an exclusive interview with the AFRO, vehemently denied this.

He said: "Our son, Michael, has received no financial assistance from any member of the City Council. Any inference that he has is totally false and casts an unnecessary cloud of doubt over his independent candidacy.

"My wife and I are hard working people. We pay the bills with our hard-earned dollars and we have the cancelled checks to prove it."

Mr. Lee is a Social Security employee.

Mrs. Lee, the former, Frances Wilson, is the daughter of Dr. Edward N. Wilson Sr., Registrar Emeritus of Morgan State College.

• • •

Young Lee said that because of the controversy involving Dean and Blount, he intends to continue his campaign as an independent candidate for one of the three seats on the Democratic State Central Committee from the 41st.

He says his platform is restoring democracy to the Democratic Party.

He explained the Central Committee "controls the Party's budget, elects the officers and at-large delegates to the National Conventions and fills vacancies in our State Legislature."

Further young Lee said, "I am beholden to no one. I am a senior and a political science major at Macalester. During the summers of '72 and '73, I was a student intern at the City Council office of Mr. Spector under the sponsorship of the Macalester College Political Science Department.

He added, "it is extremely important that young people actively participate in the process of government. It is most unfortunate when adults set a bad example. So many of us have been turned on when they do.

• • •

Lee, who has a reputation as being unusually smart—has not only developed some expertise in politics, but is also talented as a musician.

In St. Paul he is double bassist with the St. Paul Symphony Orchestera and has done some conducting.

At Northwestern High School where he graduated in 1971, he was president of Association of Student Councils of Baltimore City, first vice president of the Maryland Association of Student Councils and was instrumental in having the first student commissioner named to the Baltimore City Board.

He belongs to the fifth District Democratic Organization, The Young Democrats of West Baltimore, Local No. 30 of the American Federation of Musicians AFL-CIO.

At Macalester College, he has endeared himself to students who have elected him president of the Student Government Association.

MORNING SPEAKER — Rev. Levin B. West, pastor of the Grace Reformed Church, Newark, N.J., will be the morning speaker this Sunday at Mt. Ararat Baptist Church, Longwood St., and Gwynns Falls Pkwy., at 11 a.m. Rev. Samuel B. Redd is pastor of the church.
