Ouster of Patterson termed unjustified

"I don't see any need for Dr. Patterson's removal. This is quite unjustified.

"He has done more than any other superintendent to make this school system responsive to the needs of the community."

This was the comment from a school principal concerning a heated letter sent by Councilman William J. Myers (D. 6th) to Mayor Schaefer asking for the immediate removal of Superintendent Dr. Roland N. Patterson.

Mr. Meyers based his reasons for the removal on a recent order Dr. Patterson sent to principals, regional superintendents and that all communication to administrative staff asking the School Board go through his office.

In the letter, the councilman states, "This order is a direct slap in the face of our principals and teachers as well as to the School Board. Does Dr. Patterson feel he must act as a censor?

"This is a public school system that has been entrusted to his charge. What empire is he trying to build? This last order is the straw that is bound to break our educational system's back."

However the order sent by Dr. Patterson was a policy approved by the School Board that has been in effect for some time

Several school staff members have indicated that they do not object to the request and intend to follow it.

One principal told the AFRO, "I feel this is a standard policy that must be followed. I hope my staff will do the same thing and go through my office when they request information from anyone in our regional office or the school administration."

This call for removal by Councilman Myers is the second ouster attempt of Dr. Patterson. Last August, five white members on the board tried to get a motion for his removal but failed when a group of angry parents prevented the motion to continue during the meeting.

OPERATION IDENTIFICATION — Mrs. Faith Young, community relations assistant at the Southeastern District Police Station, explains to Joseph Ayre, senior adult and former city jail, guard, the Operation Identification system. The police will for free to help residents identify their property when it is stolen and recovered. Mrs. Young explained the system at the Friday Morning in Highlandtown program in East Baltimore.

Hospital head says report is horrid

"I object to this horrid plan. It was ill-conceived without proper basis and was done only to demonstrate the competence and skill of this planning team."

• • •

This was the comment from Dennis Gowie, executive director at Provident Hospital, concerning a recent report by the Baltimore Area Regional Planning Commission recommending the closing of five city hospitals' maternity wards.

• • •

The commission prepared the report after a study of maternity services at 13 area hospitals.

• • •

Mr. Gowie states that the study should have included health professionals and medical people to give their input and recommended during a hearing March 14 that the commission prepare another study.

• • •

He states, "If our maternity services are cut off, our pediatrics will also be affected. They are almost one in the same."

• • •

The four other hospitals named in the report are Lutheran, Mercy, Maryland General and Union Memorial.

Urban Services cites Mrs. Sara S. Causion

Urban Services Council "A" has saluted its "Woman of the Year", Sara S. Causion.

Ms. Causion was born in Sparks, Md. but now resides in the Latrobe Projects in East Baltimore, and has been a living example of a person who has long since understood the value of being involved in the day-to-day affairs of the community.

Often forceful but never obnoxious, Ms. Cuasion has been diligently involved in many facets of community work.

She became a member of Council "A" in 1968. She has served in many capacities, among these are: life member of Stevenson AME Church of Sparks, affiliate member of Centennial United Methodist Church, Council "A" secretary, Policy Steering Board member, chairman of Social Service Task Force, chairman of Health Task, chairman of Council "A" Housing Review Committee, committee, member of Participation Area Committee (better known as PAC Committee in Oldtown's Urban Renewal Program), Community Clinic Committee, Board Member of the East Baltimore Medical Program.

She is also member of the Women's Society of Christian Service, secretary of the Latrobe Project Senior Citizens Club, founder and organizer of Latrobe Project's "Helping Hand Club", member of Eastside Democratic Organization, member of the Baltimore National Association for the Advancement of Colored People (better known as NAACP), and many other community functional committees too numerous to write.

Distinguist guests present were: Hon. Robert Douglas, senator, 4th Legislative District: Hon. Clarence "Du" Burns, City Councilman, 2nd District Del. Hattie Harrison; Hattie Taylor-president, Latrobe Tenant Association; Father Raymond Collins, St. James and Johns Church.

Also present were: Mary Ross, Urban Services Community Councils-S. D. E. and P Cultural Arts Program; Raymond Puryear, chairman of Day Care Board; Robert Embry, Commissioner, H.C.D.; Edward DuPree, Urban Services Agency; Josephine Wieniekl, management analyst-U.S.A.; Herbert Sledge, director, Day Care Program; Henry Mouzon and staff, Juvenile Services.

Ladies group wants Milton Allen for mayor

The United Ladies Democratic Organization has announced its intention to draft Milton Allen for mayor.

Mrs. Roberta A. Gaines, president, states: "Our group has contacted many individuals and clubs and are receiving a favorable response.

"Many members of the black community feel Mr. Allen was cheated out of his position as states attorney and are nursing a vengeful attitude.

"We have circulated petitions in the community and feel we will be able to secure enough signatures to convince Mr. Allen to run for mayor.

"Mr. Allen's experience as an attorney makes him more than qualified and aware of the needs of the community. Also his compassion for his constituents keeps him in touch with the people on a whole.

"Mr. Allen has shown the ability to work with all people, black and white.

"Several meetings have been planned for the near future, by members of the organization and many others.

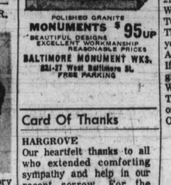
In Memoriam

WALKER — In loving memory of my dear husband, CHAUNCEY WALKER, who passed away Palm Sunday, March 22, 1970:
You fought the pain so bravely,
Your head, you did not bend,
I kept the watch with you, dear husband,
Yes, even to the end.
I watched and waited long in vain,
God grant some day we'll meet again.
Wife—
ISMIE WALKER.



BROWN — In loving memory of my dear wife, CECELIA T. BROWN, who passed away March 19, 1974:
What would I give her hand to clasp,
Her patient face to see.
To hear her voice, to see her smile,
As in the days that used to be.
But some sweet day we'll meet again
Beyond the toil and strife,
And clasp each other's hand once more,
In Heaven, that happy life.
Husband—
WILLIAM HARRISON BROWN

ST. CLAIR — In loving memory of my dear husband and father, HUGHEY A. ST. CLAIR, who passed away March 22, 1970:

A voice we loved is stilled,
A place is vacant in our home
Which never can be filled:
Some may think you are forgotten
Though on earth you are no more,
But in memory you are with us
As you always were before.
Wife—
ELNORA ST. CLAIR

DEBORAH L. J. TISDALE
Thank You
Perhaps you sang a lovely song,
Or sat quietly in a chair;
Perhaps you sent beautiful flowers,
If so, we saw them there.
Perhaps you sent or spoke kind words
As any friend could say;
Perhaps you were not there at all
Just thought of us that day.
Perhaps you prepared some tasty food,
Or maybe furnished a car;
Perhaps you rendered a service unseen,
Near at hand or from afar,
Whatever you did to console the heart,
We thank you so much . . . . whatever the part.
THE FAMILY.
