CONSUMER CORNER

THE SUPER SNACKS

Having good snacks on hand is a way to keep peace and squash quarrels.

Nutritious, economical foods can work as snacks that produce as much peace as the expensive, snack packaged items they'll replace. Cold cereals,to eat by hand with raisins and peanuts, crackers or celery spread with peanut butter or cottage cheese, or cheese and fruit combinations are ideal. Provolone with pears is perfect for gourmets or kindergarteners. Likewise swiss cheese with grapes alongside or in the holes.. Cheese cubes or popsicle sticks or picks are super — see this weeks Pantry Planner for cheese chatter.

Your own snack mix in a cookie jar is a good reliever or hunger pangs and band tempers and it doesn't disappear as fast as cookies — combine cherrios, cheese, and cookie pieces with raisins and some nuts and seeds. Neatest eaten from a paper cup.
