MEMORIAL DAY PLANNING

For cooking on coals next weekend, plan now and save then. Ribs and sirloin are sizzlers, but barbecue dollars will go further with humble hamburgers, franks. or sensational-on-the coals fish, turkey, and bargain beef cuts.

A pound goes furthest with franks, Great Ground hamburgers, or midget meat loaves, ham slices, canadian bacon, thick slices of bologna or salami or fish steaks.

Get good milage and great flavor with tenderized or marinated economy steaks from the round, chuck, or rump. Get thick cuts to slice diagonally and don't overdo — tenderizers cut cooked time by one-quarter.

Additional cook-out suggestions in this week's Pantry Planner salong with money saving coupons and money saving information about cheese storage and corned beef.
