—Sterling Keys next superintendent?

(FROM PAGE ONE)

though there may be differences of opinion...

However, Commissioner Dr. W. Eugene Scott is quoted as saying he will vote against Dr. Patterson when the board makes its decision.

• • •

Commissioners Williams and Sloan point out that their statement was "offered only as our own and not as a substitute for our participation in any other actions the board may decide upon in completing the evaluation process."

They also state, "We have acted as free and independent participants in the process."

Included in the statement were two areas which listed what the commissioners felt the superintendent had shown over the past three and one-half years of service.

Strength of The Superintendent:

Courage in accepting challenges of and confronting problems in reorganizing an urban school system.

Leadership in attacking problems inherent in and taking initial steps to make the system more responsive to its poor and underprivileged population; to all other levels of economic condition; to exceptional children in several areas of special education; and to the gifted.

Recognition of need for increased interaction of the system with public and private agencies and with industry.

Addressing the need and fashioning the mechanism for community involvement in and contribution to the structure and operation of the system.

—670 graduates at Coppin

(FROM PAGE ONE)

3.84; Haywood Johnson, 3.76; Ms. Carolyn Cousin, 3.75; and Ms. Gwendolyn Little, 3.75.

Students who were named Who's Who Among Students in American Colleges and Universities were Ms. Sieglinda M. Burns, Calvin Dotson Sr., Ms. Elsie Herring, Ms. Gwendolyn Lindsay; Ms. Brenda Preston Joanne C. Reid, D Ms. Reba Wainwright, Ms. Ernestine Wilkinson, Ms. Deborah Williams, and Dietra Wynn.

Subduing the climate of chaos and unrest in schools at the time of his taking command thru the utilization of "crisis" and "stabilization" teams.

Refurbishing and modernizing technical and administrative supportive services, and showing awareness of the need for further refinements of these services.

Supporting and participating in production of staff publications and programs to enhance the public relations of the system.

Attending and fully participating in meetings of the Board of School Commissioners and its committees.

Showing a willingness and understanding of the need to operate under deficit spending procedures, and with, in many instances, an architecturally obsolete plant.

Developing methods of training in teaching skills and management methods; has blueprint for further improvement; independently acquiring funds for this purpose.

For Clarification And Strengthening

Development of mutual trust between superintendent and board and Clarification of policy function and administrative function.

Credibility in the area of choosing important subordinates.

Clarification of lines of accountability for supplies, materials, equipment, maintenance and other details operating within regions after directives from central office.

Concern that attention to the needs of individual schools is balanced with sensitivity to total needs and requirement of the system.

Clarification of all communication lines throughout the system and Understanding of aggressive authoritarianism in facing problems and resolving differences.

Consideration of problems of morale reflecting the conditions of today's society and methods of approach to these problems.

JUNE 1

The official opening of Contact-Baltimore and Service of Commissioning for Telephone Works will be held at the Mount Vernon Place United Methodist Church at the Washington Monument on Sunday, June 1 at 3 p.m.

Children's art at Museum now

Dr. Roland N. Patterson, superintendent of Baltimore public schools, personally reviewed the exhibit of artwork by city public school students on display at the Baltimore Museum of Art now through June 1.

What Do Many Doctors Use When They Suffer Pain And Itch Of Hemorrhoidal Tissues?

Exclusive formula gives prompt, temporary relief from such pain and itch in many cases. Helps shrink swelling of hemorrhoidal tissues due to inflammation.

News about a most effective medication comes from a recent survey of doctors. Asked what they, themselves, use to relieve such painful symptoms, many of the doctors reporting named one particular medication they either use themselves or in their office practice.

This medication gives prompt relief for hours in many cases from pain and itching of hemorrhoidal tissues. And it actually helps shrink swelling of such tissues caused by inflection. Tests by doctors showed this to be true.

The medication used was *Preparation H*®—the same exclusive formula you can buy at any drug counter without a prescription. Try doctor-tested Preparation H. There's no other formula like it. At drug counters everywhere. Ointment or suppositories.

—Citizens call

(FROM PAGE ONE)

Rehabilitation Center employee and formerly on the board for six years, told the AFRO, "as one of the community people who has been contacted to give testimony, it is my belief that the School Board has been invited to the hearing.

"Whether they come out is of no consequence. It will go off as scheduled and the record will be sent to the mayor."

Mr. Griffin also told the AFRO some of the women who signed their names to the news release on the hearing "must have been under pressure" to back off.

His comment came after the AFRO asked if it were true that some members of the "Evaluate the Board Committee" had denied connection.

A unanimous vote at the hearing, called for another meeting scheduled Wednesday, June 4 at 7:30 p.m. at Coldstream.

Before that time, the Regional Advisory Councils in each of the nine regions will work out plans to be brought to the next meeting to form resolutions that will determine the criteria for the evaluation of the board.

—Sisters finish Walbrook

(FROM PAGE ONE)

grade honor student and Demaune, age two, the baby brother.

• • •

The proud graduates are Diane, 17 and Harriett, 16, both with dreams in their pert heads of entering Morgan State College in September.

Harriett is a member of the National Honor Society. Diane already has a full-time job. Both are members of Wayland Baptist Church.

Already vacation time visitors to the Bahamas and other far away places like California, they expect to continue travel.

Meantime, Mr. and Mrs. Millard wish to thank the faculty and students at Walbrook on behalf of their daughters who have enjoyed their high school years.

—Jury to see

(FROM PAGE ONE)

was played to the jury. Excerpts of the tape said:

Mr Burman Sr.: "Hello"

Tillery: "You want me to do any work down this bar for you, 'cause I'm just getting here."

Mr. Burman Sr.: Yeah, because I put that thing out you know.

Tillery: Yeah, I picked up that dear stuff.

Mr. Burman: Give it to Michael cause Fats be there at six.

Michael Bauman picks up the telephone and talks with his father.

The jury was told by Det. Smoot the term "stuff and thing" means narcotics.

Michael: "Hello"

Mr. Burman Sr.: "Take that stuff that he's got and ah ra, give it to Fat Boy (Elmer Gross) when he comes through.

Michael: Alright."

• • •

After hearing the above conversation, Det. Smoot testified State Trooper Charles A. English went to the Caro Tavern as a patron.

When the alleged drugs were taken from the club, Trooper English left the club and gave the signal to the other officers who followed the cab driven by McClain.

According to Det. Smoot, Mr. Chase left the bar carrying a brown grocery bag and entered Mr. McClain's cab.

After following the cab for several blocks, Det. Smoot testified the cab was stopped and the two men were arrested.

Det. Smoot told the jury he recovered 540 bags of heroin worth $5,400 in the cab. Also found in Mr. McClain's cab money bag was $271.

City, state and Baltimore County police conducted a narcotics raid on Mr. Burman's home in November, 1974 but did not find any drugs.

Grenville B. Whitman opens campaign offices

Grenville B. Whitman who announced his candidacy for a city council seat in the second district in January of this year, will be opening campaign offices tomorrow, May 24. The offices will be located at 416 E. 31st St., 366-2304.

Whitman, who is running as an independent democrat with no endorsements of major groups, has not filed. He indicated he will wait until the last minute to do so.

However, he has already begun his campaign. "I've already had one fund - raiser and I'm having another one." He has also begun "banging on doors."

Why is Whitman running—"I'm sick and tired of ... the same old rift. The problems still remain. There's a club - house atmosphere in this city."

He sees the problem as being government in the city and what he considers a lack of improvements. His major issues will be crime, schools, transportation, unemployment."

"They're a lot worse than they were."

If elected, Whitman plans to be more vocal and to keep in close contact with the community. "My first move would be to immediately pay a courtesy visit to each neighborhood group in the city. This neighborhood groups are a major in the city which is very positive."
