IF IT IS YOUR WISH, as is mine, to live long enough to see your grandchildren through college and so forth, you will pack your bags for Hawaii.

Dept. of Health, Education and Welfare (HEW) surveys reveal the longest lifespan for any persons in the 50 states is found to be in Hawaii, the iles where summer never ends.

MY GRANDBABIES who have resided there going on four years were never slated to become tall. However, Marilyn, age 12, is now nearly 6 feet and the four younger boys close to it.

Credited to excellent health is the fact that years of volcanic overflow into the soil gives certain minerals, etc. which are reflected in the water you drink and the food you eat.

PERSONS WE MEET around town often capture vast interest and disclose little-known stories.

TAXI DRIVER No. 942, Charles Angelo Coleman, at the wheel nine years, used to sell AFRO's when "a penny was a penny" and he received 2-cents each. Now making a living is a hassle, he finds and, "You have a lot of worries as you face a gun everytime you go to work."

A change from night to day and day to night shifts "eases my nerves" he states.

GLASCO RYALES JR., now residing in Baltimore, has traveled the world playing the drums (see photo). And what a scrapbook he has. Salutes most extraordinary have come from Spain, Morocco, Greece, Italy, Turkey, Pakistan, Iran, Ethiopia and Saudi Arabia.

SOON he will appear on stage here in town but most noteworthy is the fact Summer Fun program at the Jonade Gallery, 31 E. 21st St.

Under guidance of owners Norman Brailey and Richard E. Diggs, the 32 youngsters go 9:30 a.m. to 2:30 p.m. free of charge for music, painting, and trips. Lunches are delicious and the laughter that rings as the kids play is delightful.

NINA SCOTT reveals the Wednesday party at the Westview Lounge honoring Board of Elections Supervisor Mrs. Edna W. Dunton was a singular event.

MRS. DUNTON, there over 8 years, is member of Macedonia Baptist; Eureka Chapter, OES, PHA; Emanuel Circle No. 4, Knights Templar; Heroines of Jericho; president, Cathleen Bagwell Club and other organizations that will occupy retirement time.

THE SMART SET BARBECUE Saturday all day is on Mountain Rd. in Pasadena. Mouthwatering dishes, bones with plenty of meat on them and potato salad.

CENTER CITY OPTIMIST CLUB'S men are receiving laurels for interest in inner city youngsters.

JUST IMAGINE THIS — the group escorted 85 kids to Colt Night at the Stadium and let them jump up and down and have all the fun a baseball game allows.

The Little League football team organized for fall plus the awards banquet is the work of Elias Dorsey, George Brown, Vernon Williams, Henry Lewis, William Parrish, Ray Florence, Carl Hitchens, Charles Kelly, Jonathan Melnick and Frank Coakley.

CALL Mr. Dorsey, president at 664-6407 or Mr. Brown at 393-3391 if you want to join to help the youngsters grow and see a better life.

SUMMER MEMORIES last ones whole life through. Thus never-to-be-forgotten days came last week to the boys and girls in summer school at Eutaw Marshburn Elementary.

Each class had an ethnic group to study and the prekindergartners under Miss Nine De Simoine and kindergartners under Mrs. Ilona Grier picked Greece.

Mrs. Grier invited, Mrs. Kiki Loulias, a native of Greece, to share her heritage and culture.

The youngsters had opportunity to wear handmade Greek costumes; taste Greek foods, enjoy native music and games.

A MARYLAND WOMAN, now wife of an official, must be one of the most expensive of all brides in history. Word is her new hubby paid his former wife over $600,000 for a divorce ... so he could wed No. 2.

WIFE NO. 1 now has enough to purchase another mate if she wishes.

The 2nd World Black and African Festival of Arts and Culture is on.

Festac '75 is the 2nd World Black and African Festival of Arts and Culture. This is the long-awaited sequel to the Festival held in Senegal almost ten years ago. Festac will take place in Lagos, Nigeria this year from November 22 to December 20.

Over 60 nations are involved. There will be 2,500 participants from the United States who will be part of 30,000 participants worldwide. They will all unite to form a breathing mural of rebirth and freedom through art, drama, writing, film-making, music, science, technology and education.
