sion/depression.

"The black unemployment rate is so dangerously high that when America comes out of the recession/depression next year or the following year, it will take three to five years for Black America to recover from the present economic crisis that grips the nation.

"Maybe, just maybe, under the horrible pressure exerted on us now, economic, political and psychological pressures, maybe, just maybe black people can come together again in unity and in strength and in purpose.

"Maybe, just maybe the economic crucible in which we blacks find ourselves today will rekindle the spirit, the desire to reach out and help each other."

Blocks on the move

Mrs. Hilda Yerkovich of Adopt-A-Lot is working with AFRO Clean Blockers. Call her at 396-4147.

By Arnetta Lottier

The 900 Blk. Gilmore St. is really on the move. Visited there the other day and they looked like they were ready for company. Everything looks so pretty with the yellow and green decorations.

In order to have enough trash cans in the block, they have painted large trash cans in yellow and green and placed them along the curbs. Inside the cans they have put plastic bags to keep the inside clean. Maybe some of you Clean Blockers can do the same thing since you've only been able to get one trash can.

Another pretty feature in the 900 blk. Gilmore St. is the artistic work done by the Clean Blockers on the vacant houses in the block.

Artists were Mr. Holly, Donnie Griffin, Edward Johnson, Samuel Mace, Edward Robinson, Gregory Johnson, Wilbert Mullins, James Johnson, Melvin Moody, Herman Brown.

Would you believe this — All of these youngsters live in other blocks except two. They enjoy what this block is trying to do and willingly help this block. When I asked why they don't have a Clean Block in these other blocks they advised me they couldn't get cooperation in their blocks. What a shame.

Mrs. Gladys Johnson is Captain, Andre Brown, co-Captain, Mrs. Khadieja Fatan Mata, Advisor. Mayor problems in area are vacant houses not boarded up. They have complained but nothing has been done. 1600 and 1602 W. Lafayette Ave. (right behind 900 N. Gilmore) need to be boarded up. These houses are being used as shooting galleries (dope). This is very dangerous since there are many small children in the block. Call Police Community Relations 396-2525, if no action is taken call 396-2710.

700 blk. Newington is all dressed up with many different colored flower urns. It is too bad, however, that all the neighbors haven't dressed up their fronts. Don't be discouraged, Clean Blockers, this is a very long block and your job isn't an easy one. Keep up your good work. Lee Hood, Captain; Leonard Faust, Co-Captain; Area D Teen Center, Advisor.

1300 Myrtle Ave. is bright and shiny with yellow and white decorations. When I visited there a few weeks back, things weren't looking so good. You should be very proud of your block now. It's looking great. Ronald Hewlin, Captain; Mrs. Annie Young, Co-Captain.

Congratulations to the 600 blk. Baker St. You have really moved to catch up with the blocks that started ahead of you. Your block looks pretty with the red and white steps. The red window boxes are also most attractive. The door numbers in white on red is very neatly done. Your block shows what can be done with paint, flowers and the desire to have a pretty block. Natalie Minter, Captain; Brenda Paul, co-captain; Mrs. Doris Minter, Louise Paul, Advisors.

The 900 blk. Arlington Ave. has come along way. It looks lovely decorated in red and white. The pretty painting on the door of the vacant house was done by a NYC youth. Samuel Garrett painted th walls. Elizabeth Scott, Captain; Larry Keems, Co-captain; Selwyn Shields, Advisor.

Visited the 1800 blk. Park Ave. The block looked nice and clean but where are the flowers we gave you? Guess you just haven't put them out yet. Get busy with your flowers. You never know when we are going to visit you.

To the blocks that we haven't visited, don't feel neglected we will be there in the very near future. Just keep your blocks looking good because we're taking pictures of the blocks that are moving.

To the blocks that have news about their blocks that they would like to share with other AFRO Clean Blocker readers please call me or send in your information.

Apologies to Mrs. Marie Presberry, 1200 blk. Argyle Ave. for not listing her as one of the workers in the block. She is not feeling too well but she has not let that stop her from helping the Clean Block workers. Orchids to you, Mrs. Presberry. Sorry for the oversight and we hope you'll soon be feeling better.

Welcome to the blocks that the AFRO Clean Block Campaign. Among them are the 500 blk. Wilson St., 1700 Division St., 2200 Blk. N. Baltimore St., 1100 blk. Stricker St., 404 E. 22nd St., 3400 Fieldlea Ct., 1900 Homewood St., 2800 blk. Harlem Ave., 1800 Penrose St., 419 E. Federal St., 1600 E. Lanvale St. and 2500 blk. Garrett Ave. We are glad to have you aboard.

Remember, you blocks that have not registered yet, there is still time, if you hurry.

So many people have called asking about Mrs. James (Rubber tire urns) telephone number because they threw the AFRO away that gave her number. In case you are interested it is 327-5475.

Mrs. Elva Edwards, Associate Director of the Urban Servicts Agency presented a check for $1,000. this week to Mrs. Arnetta Lottier, Deputy Director of the AFRO Clean Block Program.

Trashball Contest

day, Jim Beek and Ms Peggy Daidakis, from the office of the Mayor, told the AFRO Clean blockers of the Captain Hook-Shot and The Mystery Trashball Truck. Some of you already know about it since they visited some of your blocks recently. By the way, they were so excited by the beauty and cleanliness of the AFRO Clean Blocks that they want to visit as many as possible.
