Visit these 1975 AFRO Honor Blocks

By Ida Peters

A caravan of official judges in the AFRO's 41st Annual Clean Block Campaign will leave the AFRO Clean Block Office on Sunday, Aug. 31 promptly at 10 a.m.

The caravan, led by a motorcycle escort, will tour the city, passing out AFRO Honor Flags to deserving blocks.

For the past week, Mrs. Peters, AFRO Clean Block director and Mrs. Arnetta Lottier, deputy director, have been criss-crossing the city helping blocks get ready for inspection.

Judges in the 1975 campaign, Mrs. Marguerite Campbell and Jim Smith from the Mayor's Office; Battalion Chief No. 41 Harry O. Lutsche and Lt. Jimmie Jones from the Fire Department; Mrs. Elva Edwards, assistant director Urban Services Major Clarence Roy and Officer Wendell Reid, Police Community Relations.

Also, Delegate John W. Douglass, Congressman Parren J. Mitchell, Michael Mitchell and City Councilwoman Mary B. Adams and Mrs. Mary James. Also Jerry Bullock, Health Department.

All AFRO Clean Blockers who participated and attended meetings will receive some type of cash award and a Certificate of Appreciation on Sunday, September 7 at 2 p.m. at Mondawmin Shopping Center. Watch the AFRO for complete details.

The AFRO Clean Block Office will remain open on a year-round basis. If your block has problems, call 728-8200.

Blocks on the move

By Arnetta Lottier

It Does Happen

One day last week I received a call that things were happening in the 500 blk. Sanford Place. I couldn't imagine what it could be since I have always known this to be one of our oldest and best-kept residential areas in town.

I passed there on my way home from work to see what was happening. To my surprise, there were beautiful rubber urns all painted in different colors and filled with evergreens. It looked just beautiful. This has always been a clean street, but I have never seen it look so lovely.

Next day, I called Mrs. Sadie Givens, captain of this block, to inquire how this action happened. This is the story that she tells. For seven years she has worked with the AFRO Clean Block and the neighbors kept their street clean like they do year around. The reason Mrs. Givens felt obligated to work at keeping the neighborhood cleaned is that 35 years ago Mrs. Esther Gatewood requested that she keep this block from going down as did many beautiful black blocks. There were also Mrs. Martha Penn and Mrs. Waymond Myers who requested the same thing.

The other person who was an inspiration to Mrs. Givens was late Mrs. Carl (Vashti) Murphy, wife of the late Dr. Carl Murphy, editor and publisher of the AFRO-AMERICAN Newspapers. At one of the Delta Sigma Theta Sorority Mother and Daughter Luncheons, held upstairs at Wilson's, at North and Penna., Mrs. Murphy gave "A charge I have to keep A God I have to serve." These words have rung in Mrs. Givens' ears all these years and this year her dreams have come true.

The other Thursday, Mrs. Givens had Mrs. James bring her tire urns to put between some of the houses in the block. Other neighbors became interested and it ended up with all the neighbors in the block working together, painting their urns and planting evergreens in them. It became a neighborhood affair.

When we visited there the other day, neighbors came out to greet us and everyone seemed so excited. It was really beautiful to see such friendliness among neighbors. Hope other neighborhoods do the same thing. It takes a long time sometimes, but in the end your work is rewarded with this type of cooperation.

700 blk. E. 21st advises us that they will have a Clean Block Party on Saturday, Sept. 6th from 10 a.m. to 3:30 p.m. They are asking each household to donate $5.00 toward the party, if they can afford it. This money will be spent on refreshments for the youngsters. They plan to have an outdoor picnic type of affair.

They also plan to have Operation Champ in the block. Along with this, there will be rides for the youngsters. Mrs. Rebecca Smith, Captain; Doris Wheeler, Co-Captain; Mrs. Vernice Marshall Advisor.

* * *

200 blk. N. Amity St. will have their block party on Sept. 1st. There will also be a talent show in this block on Sept. 3rd under the direction of Mrs. Martha Williams, mother of the Co-Captain, Stephanie Williams.

Participating in this talent show will be: Marva Webb, Mistress of Ceremony; A. Burrell, S. D. Johnson, Marvin, Actors; A. Ferrell, D. Johnson, M. Burrell, R. Foster, M. Williams, S. Williams, singer; Ann Harding, Janice Holmes, Linda and Jackie, dancers.

200 E. Eager St. is planning a party for the block on Friday, August 29th, if they can get their street blocked off. It seems that they waited too long to get permission from the Police Dept. (We are doing everything we can to help you with this problem).

1000 blk. N. Castle St. plans to have their party this same date, Friday, Aug. 29th.

1300 blk. Homewood St. is planning for an AFRO AMERICAN Clean Block Modern Dance Program on Sept. 7th. The group that will perform is known as 3 B's. This stands for Bad, Bold and Beautiful dancers. The group was formed to entertain neighbors in the block and others passing through the block by the AFRO Clean Block Captain, Roberta McDaniel. Dues have been collected to provide the dancers costumes.

Committee members and dancers are: Patricia Graves, Stephanie Shelton, Catherine Graves, Janet Shelton, Vannetta Penn, Marsha Fields, Monnetta Penn, Dora Patterson, Becky P. Patterson, Denise Watkins, Vicky Graves and Vena Biles.

Director is Roberta McDaniel; Asst. Director, Deborah Lilly; Treasurer, Janet Shelton.

Help! Looking For Someone

Can you help us locate the person that owns 1633 Edmondson Ave.? Lt. Jones, Fire Dept., advises us that the owner can't be located. The former owner, Mrs. Anna Wilson, is deceased. It is believed that it is now owned by her daughter whose name might be Holden and lives on Forest Park Ave. Remember, this is the vacant house I told you about where addicts gather and light candles. Neighbors are afraid of a fire starting in there. If you have any information, please contact me. It will be kept confidential. (728-8200)

Complaint Department.

1100 McKean Ave. neighbors are complaining about the trash people are throwing on their corner. They also complain about residents on Fulton Ave. throwing trash in the alley behind McKean Ave.

1600 blk. Edmondson Ave. still has a problem of non-surveillance by the police dept. after 12 a.m. Flower pots are disturbed by transients who loiter on their corners at night. These home owners want something done about this situation.

500 blk. N. Gilmor St. still has the problem of children pulling up vegetables from neighbor's gardens and digging up flowers from the pots. Children in the area are also putting trash on neighbors walks and steps after they have been cleaned. They also need the drug store on the corner boarded up.

1000 blk. N. Gilmor St. wants the old Regal Laundry (they moved to the county) to clear the ten feet high grass on their lot. Rats are living there. Residents call the Manekin Real Estate Agency, 2 Hopkins Plaza, phone 727-3333.

900 blk. N. Gilmor complains that their alleys have not been cleaned up August 13, 1975. The regular days are Mon. Wed. and Sat. Neighbors keep calling the Sanitation Dept. 396-6070.

1200 blk. Argyle Ave. is complaining about the wood on the lot of Shields Place alley that has not been taken away. They are also having a problem with the men who drink in their neighborhood and throw beer cans and trash in the sewer hole.

The vacant houses in back of Shields Place need cleaning out and boarding up. Children in the area are giving a problem because they are taking the bricks from around the trees at night. Try calling Community Relations, Police Dept. for help. Phone 396-2525 or 396-2710.

2000 blk. Barclay St. would like for the yard at 2014 Barclay to be cleaned out.

1600 blk. W. Franklin St. tells us that the Sanitation Dept. is late picking up trash on the playground behind them and this makes other people just keep adding to it. Call the Sanitation Dept. daily until you get help. Phone 396-4515. They also need a house on the corner of the alley to be boarded up.

500 blk. Wilson St. is still requesting that the pile of trash on the corner of Brant St. be removed.

1900 W. Mosher St. complains that the garage they wanted boarded up was boarded up with debris still inside. This is in the rear of 1924 Mosher St.

800 blk. North Ave. at Oakhill has broken down city owned garage that needs to be torn down. It is a terrible eye— sore to the residents on Oakhill Ave.

2200 blk. E. Lanvale St. is complaining that a house in the block was boarded up but was not cleaned out.

700 blk. E. 21st St. complains about a house in the block that has rats but is boarded up with trash.

900 blk. N. Castle St. wants the Health Dept. to help them with eradication of the rats in the block. This block is very neat and clean but still has rats. Help!

1400 blk. still wants 707 and 708 W. Lafayette Ave. boarded up. They are also complaining about the city digging up the street in the 700 blk. W. Lafayette Ave. This makes it very hard for neighbors to keep the sand out of things.

Residents of the **Ashburton area** are complaining about rats being in Hanlon Park. Call for help. Phone 396-8069.

Residents in this same area are complaining about the residents in the **3200 blk. Edgerton Rd.** who have not seen that the bulk trash in their neighborhood be removed. Residents, call 396-8069. Your block looks terrible. This trash is also a breeding place for rats.

221 N. Fremont Ave. Lexington-Poe Homes-Highrise Apts. 10th floor is still requesting that other floors join their floor in making the highrisers one of the prettiest in the city.

200 blk. N. Amity St. is still requesting the help of all neighbors in keeping this block beautiful. It seems that there are only a few people in the block that are working. Come on neighbors, you have a pretty block. Why not get out and do your part?

1000 Brantley Ave. is pretty with flowers around the trees and flower urns on the steps. Left to right; Richard Lyles, Gordon Johns, Captain; Natalie Keys, Mrs. Sylvia Johns, Advisor; Irvin Johns, David Barnes, Charles Cox.

500 blk. Sanford Place has beautiful colored urns Congressman Parren J. Mitchell is shown here holding an urns before it was painted. With him are some neighbors in the block. Left to right; Mrs. Paul White, Mrs. Emma Parrott, Mrs. Sadie Givens, Captain, Congressman, Mitchell, Elizabeth Williams, Mrs. Mary James, (Tire Lady) Earl Smith. Mrs. Mary Burns, Mrs. Ruth Campbell, Lionel Murphy, and William Curtis.

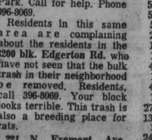
IN MEMORIAM

DUNCAN — In Loving memory of our dear mother and grandmother, HARRIETT, who passed away seven years ago, August 30, 1968:

So many times we've needed you,
So many times we've cried.
If love alone could have saved you
You never would have died.
In life we loved you dearly
In death, we love you still
In our hearts you hold the place,
No one else could ever fill.

Loving, CHILDREN, GRANDCHILDREN, GREAT-GRANDCHILDREN, and GREAT-GREAT GRANDCHILD



GORDON — In Loving memory of my husband and our father GEORGE GORDON, who passed away August 26, 1974:

Today my heart is heavy
My thoughts are all of thee
Oh, how I miss you, George dear
None, but God in heaven can see
Some say time heals an aching heart,
But no, it isn't true
For one long year has passed dear,
And my heart still aches for you.

Your wife, ANN and CHILDREN

HOLLAND — In loving memory of our dear mother, grandmother and great grandmother, MARGARET S. HOLLAND, who passed away August 27, 1974:

Dear God, please take this message
to our dear mother, grandmother
and great grandmother above;
tell her how much we miss her,
And give her all our love.
although her soul is now at rest,
And free from tear and pain,
our lives will seem much richer
If only we had her back again.
It broke our hearts to lose her,
But she did not go alone
For part of all of us went with
Her, the morning you called her home.
Apreciose one from us has gone,
A voice we still love is stilled.
A space is vacant from our home,
Which never can be filled.
God gave us strength to face it,
And courage to meet the blow,
but what it meant to lose her,
No one could really know.
She left a message for each of us,
She taught us to face each new day,
Oh thank you guiding light, our
Heavenly angel for that wonderful
Mother, Grandmother and Great Grandmother,
For her precious memory will gently hold
in our hearts today, tomorrow and ever more.

Her Devoted Children: ALLENE E. WEST, DOROTHY R. JOHNSON, ROSIE V. FOWLER, SARAH H. WARD and MISS AGNES D. HOLLAN RUSSELL S. and CHARLES B. HOLLAND; GRANDCHILDREN and GREAT GRANDCHILDREN

IN MEMORIAM

MILES — In loving memory of our dear daughter and sister, JACQUELINE MILES, who passed away September 4, 1972:

Never a smile so sunny,
Never a way so dear,
Never a daughter so faithful
Who brought such joy and cheer.
Never a touch so gentle,
Never a heart so true,
Never a daughter in all the world
So precious, dear JACQUELINE, as you.

Mother, SARAH FROST
Sister, BARBARA

STEWART — In loving memory of my husband and our father, CLINTON D. STEWART, SR. "PEE WEE," who passed away August 27, 1972:

There are many kinds of hurts and pains in life
And we feel them every day, but
nothing compares with the hurt
And pain I felt the day God took you away.
I stood beside your dying bed, as
long as I could stay,
And saw you passing away.
Loving hands tried hard to save you,
Prayers and tears were all in vain.
Happy angels came and took you; only
memories I hold dear.

Loving Wife, ERNESTINE; Sons: CLINTON, ERNEST, DONALD, GREGORY and ODELL

AN EQUAL OPPORTUNITY EMPLOYER

POSITION AVAILABLE
POSTDOCTORAL RESEARCH ASSOCIATE IN MICROBIOLOGY

The position is designed for a recent Ph.D. or graduate student about to complete the Ph.D. in general microbiology. Must have interests and background in microbial systematics and microbial ecology. The research project involves a multidisciplinary approach to the molecular systematics, ecology, and pathogenicity of an opportunistic bacterial pathogen common in the environment. The research is supported by the National Science Foundation. The postdoctorate will become part of an ongoing research program involving two other students. The postdoctorate will be responsible primarily for the molecular systematics area but will be expected to be involved in animal pathogenicity and ecological experiments. The postdoctorate should gain expertise in microbial ecology and molecular systematics. All research will be coordinated by the Principal Investigator (Dr. R. J. Seidler).

Employment may begin as early as Oct. 1, 1975 but no later than Dec. 31, 1975. The grant will run until Aug. 31, 1977.

Applicants should forward a detailed curriculum vitae including the following information:
1. Date of birth
2. Education
3. Research activities
4. Area(s) of specialization
5. Publications
6. Honors
7. Society memberships and/or affiliations

Applicants should also arrange for three letters of reference to be forwarded to the address below. Letters should be from persons familiar with applicant's professional experience.
