Catonsville Notes

. . . by Liz Williams

Sympathy cards to the family of Charles H. Joyce whose furneral was held at St. Mark Catholic Church, here in Catonsville.

Get well cards to Raymond (Rudy) Rheubottom (Gertrude) who is at University Hospital. Cards also to Mamie T. Ebb who is at St. Agnes Hospital and Bill Rideout who was seen working in his garden the other day. This is certainly good news because he has had quite a time. We all pray that he continues to improve.Mrs. Mildred Hebron is also at St. Agnes Hospital.

Leaving for Simarron, on, New Mexico, soon will be Robert (Bobby) Barber. Bobby, along with two other boys from the city, Joseph Odom, Jr. and Mark Jones, will be travelling with the Boy Scouts Of America. Bobby is the son of William and Willie-Mae Barber of Leadwood Ave.

On July 5, Mr. and Mrs. Leslie Gundy Sr., held an outdoor affair at their Old Frederick Road, honoring the choirs and music committee of Macedonia Baptist Church.

Among the honorees were the new music director, Dr. Edward Ward and his assistant, M's Marie Kelley.

* * *

Send get well cards to Mr and Mrs. Bernard Cole, (Lillian), who are both confined to their Winters Lane home. The Gundys and the Coles are long-time members of Macedonia.

By the way, Mr. Gundy is planning a trip to the Holy Land, U. S. A. which is in Connecticut, on July 31. Seats are still available. This trip should be educational as well as enjoyable.

Margaret and Thomas Fleming entertained their very large families and friends on the 5th at their Wesley Ave. home. Their son, Dennis, is a talented artist. He is a student at Catonsville Community College and is doing outstanding work in his field. You should see his paintings. They are really great.

Mr. and Mrs. Hawthorne Smith Jr. (Minnie) also entertained friends and family on their lawn on this day. Many other families in the community had outdoor gatherings.

Sympathy cards to the family of Dorothy H. Rand, formely of Ellicott City.

Mrs. Rand had been living in East Orange, N. J. She is survived by four brothers, John, Charles, and Lawrence Henson.

Congratulations to the Rev. Mary Francis Mosley and James Cooper and their committees. You did a beautiful job. More about this event next week.

Congratulations to Charles "Buck" (Gwen) Lynch upon his retirement from the Baltimore School System. Relatives and friends came from far and near to honor him. Vera Flint of Region 9 was the chairperson.

* * *

Congratulations to Mrs. Nellie Watts for the Bicentennial Award she received at Macedonia Baptist Church last Sunday. Aunt Nellie or "Nana" as she is known to four generations in her family, along with the late Dr. Louis (Ruth) Johnson, founded the Nurses Unit at the church 30 years ago.

This spry "young gal" of 76 years is just a beautiful person to know. She has been an active member at Macedonia for 45 years. She belongs to many organizations, along with being a member of one of the choirs. When she is not singing with her choir she can be seen in the church every Sunday morning and some times spends the entire day.

In addition to her love for her church, her entire life has been devoted to her family (three generations whom she has helped to rear), nursing the sick, and helping others whether it be friends, neighbors, relatives, and even strangers, especially the down-trodden.

I met Mrs. Watts years ago when I met her nephew-in-law whom I later married. She is the widow of the late William (Doc) Watts who was a lifetime member of the old St. Barnabas Church now St. Pius V on Schroeder St.

Many members who started out in the Nurses' Unit with our lady of the week are still active in the group. The Unit is called the Johnson-Watts Nurses Unit of Macedonia Baptist Church. The entire community, along with her family, join me in wishing Mrs. Watts the best of everything.

"Kindness in words creates confidence. Kindness in thinking creates profoundness. Kindness in giving crestes love." Lao-Tse (Ambassador Cards)

The "Homecoming" held at Trinity AME on Sunday was quite a success. Many of the oldtimers and their families who attended Trinity when it was located in Richmond Town (Linden and Biddle St.) were there. Space does not permit me to give the names of the oldtimers present, but you can believe me there were many. These folks were able to tell about the many ways in which Trinity had influenced their lives. I saw four generations in many families.

LAW GRAD—Miss Alice (Allie) Pinderhughes received a law degree at Catholic University in Washington last month. She is employed as law clerk at the Md. Court of Appeals while studying for the bar exam. Miss Pinderhughes is the daughter of Mrs. Alice Pinderhurhes, director of Early Childhood Learning in the Baltimore city schools, and the late William Pinderhughes, longtime city educator who was assistant superintendent at the time of his death.

Woodlawn Highlights

July 4 had a special meaning for both Mr. Sylvia Little, supervisor in the Bureau of Data Processing and Mrs. Shirley Frazier, Stride Intern.

Sylvia was celebrating her promotion to a GS-9 Supervisory Social Insurance Claims Examiner in the downtown 707 Calvert Street building. The promotion became effective on July 4, 1976.

Sixteen years ago, Sylvia started as a GS-3 Card Punch Operator in the Bureau of Disability Insurance. Prior to her employment at Social Security, she attended Cortez Peters Business school.

Renewing old acquaintances and strengthening family relationships are the two top priorities on Sylvia's calendar. Her classmates from Wiley H. Bates High School recently held their 20 year class reunion at Martin's West on Dogwood Road and her family will gather at her Patapsco Park home in August for a reunion.

Sylvia and her husband Jasper attend St. Johns United Methodist Church in the Pumphrey Area of Patapsco Park. She is active in the church as a Sunday School teacher, chairman of the church Sick Committee and member of the Gospel Choir Ensemble. The Rev. Joseph U. Amen is the pastor of the church.

Effective July 4, Shirley Frazier became a Management Specialist in the Office of Data Development. She was a member of the first Stride Intern class that began in 1973. She was working as a supervisor when she was selected to participate in the Stride Program.

Last year under the Stride Program Shirley was able to earn a Bachelor of Arts degree from Morgan State University.

Shirley's Social Security career started nine years ago in the Bureau of Data Processing file section. She is also finalizing plans to move to a new house with her 11-year-old daughter, Lisa who will enter St. Lawrence Catholic School in the fall.

In spite of her busy schedule, Shirley finds time to perform duties as president of a social group called Club Charisma and spend a few hours a day relaxing with a good book.

The Bible Break Bunch, (SSA employees who hold daily sessions at the Social Security headquarters building) will render service at the Star of Bethlehem AME Church in Mt. Winans on Sunday, July 11 at 3:30 p.m. The Rev. Thomas F. Odellas is the pastor.

Hilda Cashen Thomas will be the afternoon speaker. Hilda is a member of the Bible Break Bunch (BBB). The group choir will render several musical selections during the afternoon program.

Just can't think of a better way to spend a Thursday evening than cruising down the Bay with the Missionary Circle of Bethel Baptist Church. They called it a "Christian Cruise," and that's just what it was last Thursday aboard the Port Welcome as guest accompanists for Mrs. Celclia McLeod on the piano and William Haithcock on the violin, raised their voices in the joyful singing of well known Baptist hymns.

Mrs. Irene Paige, chairman for the cruise expressed the feelings of everyone by stating that "The beautiful expressions of joy makes me know that the cruise is a success." Mrs. Bessie Mason is president of the group.
