You can help Mrs. Santa make it... if you share...

AFRO'S Mrs. Santa needs you

Mrs. Santa, AFRO Charities is a non-profit organization of the AFRO-AMERICAN Newspapers which collects funds to aid the less fortunate at Christmas.

Funds are used to purchase food baskets which include all the ingredients for a meal and staples to last at least two weeks. Names are supplied by our readers, city agencies and the Police Department.

SPECIAL NOTE

If you decide to contribute $50 or more, please call Mrs. Santa at 728-8205 and we'll arrange for a picture with Mrs. Santa. When it is published in the AFRO, it will encourage others to give.

WRITE

If you know a needy family, a burned out family, write and give us the full facts. The names, ages, sizes of children and why you think they need help. We will investigate and try to help. All families are listed in our files and in the paper by case numbers.

ADOPT FAMILY

We suggest that clubs and organizations send cash donations to the AFRO's Mrs. Santa Fund. We are able to purchase food in bulk, and the basket will be delivered by the Maryland National Guard. Send your check or money order to Mrs. Santa, AFRO Charities, 628 N. Eutaw St., Baltimore, Md. 21201.

If you wish to give clothing or furniture to a family, call Mrs. Santa, 728-8205 and we will arrange to give you the name and address of the family, or arrange for transportation.

My daughter wants to work...

Case 355 — My husband and I have four daughters, 17, 14, 13 and 4 years old. My husband is not able to work now because he has had two heart attacks and a back operation. My two older children understand we won't have much for Christmas, but the two younger children would like games and a bicycle, and a doll and dishes for the youngest. My oldest daughter wants to work but can't find a job to fit in with her school hours. I don't want her to stop school because she is in her last year. Please help us if you can with a few toys for my children.

Case 356 — Please send a Christmas basket for me and my two-year-old son. I am in a wheelchair and am not able to work. I would like a few toys for my son.

Case 357 — I am heating by a cookstove because I can't afford to buy oil. Can you help me with some oil? Please send a Christmas basket for me and my five children. Also, please try to help my sister and her two children with a basket.

Case 358 — My husband will be 83 years young on Christmas Day and I will be 70. Please do what you can to help make our Christmas a lovely one. We are asking for a basket again this year and let you know how much we enjoyed the very nice one sent us last year.

Case — I am a college student — two sons, 4 and 8 years old who wear sizes 5 and 10 clothing. I am writing because I just do not have any money to buy my children anything for Christmas. I will appreciate anything you can do to help.

Case 360 — I am desperately in need of a Christmas basket for my family of nine. I am the only one employed and do not bring in enough money to feed this large family. I would like you to help my grandchildren also if this is possible. Anything will help their ages, age 5 months, 7, 8, 9 and 4.

My sister had to leave college...

Case 361 — If you could give us a food basket and some oil in our tank, my mother would be very happy. We are not asking for anything for ourselves. My father is a very sick man who weighs nearly 400 pounds and has diabetes. He does not get disability pay yet. My sister had to leave college to get a full time job to help. She and my mother never complain about going out in the cold to work. We only want some oil to keep us warm and some food.

Case 362 — I am a mother of six children and things are pretty bad for us this year. We are very much in need of food and toys for the children and will be grateful if you can help us have a happy Christmas. The children's ages are: girls, 12, 8 and 5; boys, 10, 6 and 9.

Case 363 — My husband is very sick and I am the only one working. We have four children and would greatly appreciate it if you would send us something to help us have a happy Christmas.

There's never enough food

Case 366 — Please help us have a good Christmas for myself and my seven children. There never seems to be enough food in the house. My boy lost his job and I have a bad heart. Please try to help us.

Case 367 — I was working at a car wash but I broke my arm and the doctor says I can't work until it is better. Will you please help me out with clothes, food or money. I am trying to get some help from welfare but have not been able to get it yet.

Case 368 — I am asking for a little help for my five kids. We will be glad for anything you can get to help us.

Case 369 — Can you please help my grandparents? They never have enough money for food to last the month so we usually try to get together to help them. It is usually around Christmas time, the last of the month, when they run out of food. I know you have a lot of requests for food, but can you please try to place these two wonderful old people on your list too.

Case 370 — I am asking a little help for my three boys, ages 14, 15 and 12. We could use clothes and food. Anything you can give to help would be appreciated. I am on welfare and just get enough money to pay rent and buy a little food.

Case 371 — I have one child and am expecting another and I am not working. My little girl is 2 years old. Please send me a basket.

Case 372 — I have six children, four boys and two girls ranging in age from 12 years to 5 years. My husband has been laid off since September. We need food, clothing and toys for the children. We will appreciate anything you can do for us.

I am a widow...

Case 373 — I am a widow with four children. I am unable to give them much and hope you can help us. We need food, clothing and anything you can send to help us have a Merry Christmas. I am sick and unable to work.

Case 374 — I have a family of five and I cannot work because I am sick. My daughter and two grandchildren are here with me for the holiday. Her two children are 11 and 13, and one grandchild, age 13 months. My daughter has a mental problem.

Mother of 13...

Case 375 — I am the mother of 13 children and now have to take care of my 14-year-old granddaughter's twins. I don't know what I am going to do for Christmas. The children don't have clothes to go to school. Won't someone please help us? We also need a bigger house. We are crowded in a small house and the landlord won't make repairs so we have rats in the house and the children are scared. If someone has a large house to rent, please let us know.

Case 376 — I am 8 years old and I live with my grandmother. My mother has been laid off. My uncle is sick. Please help us with a basket of food.

Case 377 — I am writing this letter for my grandmother's children. One is 2½ and the other is 9 months. Their father has 13 more children but he doesn't give them anything. Please help us out.

My husband had accident...

Case 378 — I am the mother of six children. My husband had an accident while driving a cab. He can't drive the cab anymore until he pays the damages of $500. This leaves him without a job. We had to turn to Social Services which leaves us with very little. The children are still looking forward to getting something for Christmas. The older children are trying to get jobs but no one seems to be hiring. My 20-year-old goes to CCB and is trying to get a part-time job to stay in school. With no jobs and no food I am worried to death. If you could get someone to hire this youngster who is trying so hard to get ahead I would appreciate it. Please send us something for Christmas so my family can have a nice Christmas.

Case 379 — I am writing about a girl who lives up the street from me. She was burned out and is now moving back in. She has a girl 4 and a boy 1½ years old. Please help this family with a basket, clothes and toys.

Case 380 — The father has been out of work for quite a while but hasn't gotten any help from Social Services yet. He is behind in his rent and doesn't have money to buy clothes for his children. Their ages are 17, 16 and 14. Please help them a little. I am sure they will appreciate it.

Case 381 — My husband has been laid off and we have been living off the small unemployment check he gets each week. I have an illness that keeps me from working. We have 6 children, ages 3, 5, 7, 8, 10, 12, 14 and 16. Please give us some help. Anything you give will be appreciated.

Case 382 — I am 76 years old. I would like for you to send me a basket for Christmas because I cannot give my granddaughter and her four children anything.

My father left 9 years ago...

Case 383 — My mother has seven children, ages 20, 19, 18, 17, 15, 13 and 11. My father left us nine years ago and we have not seen or heard from him since. We receive money from Social Services. My mother is mentally ill and we all go to school and college and have to take care of her. We are in desperate need of help.

Case 384 — I have three in my family and husband has been sent to Mt. Wilson Hospital for TB. I would greatly appreciate some food as my small check will not go far now. My youngest child, a girl, could use a coat and some long pants for school. She wears a 6X or 7.

Case 385 — I am the mother of 11 children and 10 grandchildren. My house caught fire about three months ago and I have been trying to get a place to put my family in and it took every penny I can to keep them in school and eating. Please help us.

Medina Temple No. 1 AAONMS, Hiram Grand Lodge presented $100. to Mrs. Santa, Ida Peters. From left: Franklin Parker, public relations; Imperial Potentate, Past Impotentate, Deputy Grand Master, Hiram Grand Lodge; Wardell Young, chairman of Charity program.

We have to move...

Case 386 — My mother cannot afford to get me and my sisters anything for Christmas because she is behind in our rent. She also has high blood pressure. We have to move as soon as we find a place. I am 11 and wear a size 12. My sister is 13 and wears a 14 in chubby. My little sister is 10 and wears a 10½ in pants. My other sister is 13 and wears a 14. Please send us games and toys, too, if you can't send us clothes.

Case 387 — I am the mother of eight children and two grandchildren. I am on Social Security because I am a widow. My oldest son is out of work. He is married, has two children. They stay with me. Please send us a food basket so we can have a good meal on Christmas. The boys' ages are 13, 12, 9, 8, 4 and 17. Grandson is 4 months. Girls' ages are 5 and 3. My granddaughter is 18 months.

My husband is alcoholic....

Case 388 — I am diabetic and can't get around very much. There is not enough of anything to go around for the kids. My husband is an alcoholic and had to be put away. My children's ages are 4, 8, 14 and 18. I was hoping by God's help I wouldn't have to ask for anything but the devil is so busy in our lives that some of us will be trying all our lives to get somewhere.

Case 389 — I have a daughter, 15 and a son 9 and we are very much in need of food and clothing for Christmas. Will you please send me a gift certificate for food? We need furniture and both of my children want TV sets for Christmas. Any amount of money you send me will be appreciated.

Case 390 — I am unable to do much work and am in a financial strain. I would like a food basket. I am engaged in doing some volunteer work and have run out of funds. I am trying to get settled in my new apartment. Would like to have a 3-piece bedroom set, living room set, TV and stereo. I would prefer financial assistance. Don't want any used items because this apartment is brand new and we have cleanliness restrictions.

Case 391 — I have three boys, ages 17, 16 and 3 and three girls, 14, 10 and 5. Please send me toys for the three youngest and clothes for the oldest. I hope someone out there has a heart. Maybe one day I can help someone.

Case 392 — I have three boys, ages 17, 16 and 3 and three girls, 14, 10 and 5. Please send me toys for the three youngest and clothes for the oldest.

Case 393 — I have a girl, 1 and a boy, 2, who will be without for Christmas this year. We will appreciate it if you will please send us a Christmas basket.

Case 394 — I have been writing for help for the last three years but you always forget me and my eight children. If you have clothes, food or toys please help us. My girls wear sizes 5, 9 and 14 and 4½-7, 7 and 8 shoes. My son wears size 10 and 5½-8 shoes.

Case 395 — My husband and I are separated and I have a girl, size 5 and three boys, sizes 7, 8 and 14. Please send us a Christmas basket and a few toys. I would appreciate some clothes for them if you have them.

Case 396 — Please send us a basket, some clothes and toys. My husband died and I am the only one to care for my children. My girls are 14, 11, 9 and the boy is 7.

Case 397 — I have 4 children, ages 11, 9, 7 and 5. We are all in need of warm clothing, underwear and shoes. I also need a coat and shoes. Please help them have a happy Christmas. It makes them sad to see their friend with things on Christmas while they have nothing.

Case 398 — My sister and her husband have six children. He is the only one working. They would appreciate it very much if you send them a basket and some toys.

Case 399 — I would like a Christmas basket and clothes for my two children, 3-years and 1 year old. My husband is a cripple and does not make enough for us to have any kind of a holiday dinner. My father-in-law who has a bad heart lives with us.

Case 400 — My sister has two boys, 13 and 10. Please send her a basket and some toys for the boys. She gets a check but after she pays rent and buys food she doesn't have anything left.

Food most of all...

Case 401 — Please help me and my eight children. I am on welfare. Boys' ages—16, 11, 10 and 5. Girls' ages, 15, 12, 6 and 3. Food, clothing, toys or anything you can spare. Food most of all because around this time I don't have anything left.

Case 402 — This letter is for a very dear friend. She was robbed of her food stamps by her so-called friends. She loves her kids and wants them to have a happy Christmas. Her children's sizes are: 6, 8, 10 and 10.

Case 403 — I am seven years old and I am writing to you this letter because I want you to send me and my sisters and brothers a Christmas gift for Christmas. My sisters want a doll and I would like a pair of skates and a five-speed bike. Merry Christmas to Santa.

Case 404 — I am writing this letter for a Christmas basket for me and my children. We would be very thankful for whatever we get. We would like old toys or clothes for little girls of the ages of 6, 7 and 10 years old.

Santa's cases

Mama needs a coat

Case 405 — I am writing to ask you could you please send us a food basket and could you please get mama a new coat for us? She does all she can to help us and she needs one bad. Her size is 20½.

Case 406 — I am writing for hope for my little girl and I would like a basket if I can get it because we need food. My little girl needs a little clothes. She wears size 8. I am writing because I am not working. I have been in the hospital for two operations. I am going to go back to the hospital for another operation. I was shot in the back.

Case 407 — I was working but I got sick with the flu. I haven't been able to go to work. I have four kids. Please help us.

408 — I need a Christmas basket for I see no kind of a holiday dinner for them. We are even cold. I have no money to get oil to heat. The children are girls, ages 16, 14, 10, and a boy, 13. Please help us.

My husband is sick

Case 409 — I have four children and my husband is very sick, all of the time and cannot work. I am working and only getting $72.00 a week to try to live on and get the different medical things that my husband has to have. Please help if you can?

Case 410 — I am an Eastern Star and this family really needs help. I am writing to you about a family who is in need of everything: the welfare sent her $67.00 that doesn't pay any rent. The landlord sent her a notice to pay rent or get put out. The girls' sizes are 14,15,9,6X, twins, size 2, 7. Boys' sizes are 8, 9, and mother's size is 15½. The mother has been having bad luck since January. She just came home from having an operation and her older grand daughter, 14 years, just had twin girls. She went back to school and she is home with the twins. Welfare won't help her. The twins' father doesn't want to take care of the children. They cut her gas and electricity off. Her nerves are very bad. They have been without food for two or three days. They need a bigger house and a television for the children.

Case 411 — I have five children and need food and toys for the kids and I am expecting a baby soon. Please help us?

Mother of 12 in hospital

Case 412 — As I write you this letter, I am desperately in need of help. I am the mother of 12 children, five still at home. My husband left me 10 years ago. I am in the hospital because of my heart. I have been working but now I am in the hospital. My bills are piling up. I am the sole support of my family. Will you please try to help me and my family? Food or anything will be appreciated. I am in Bon Secours Hospital.

Case 413 — Will you please help me and my husband give our two children, boy and girl, ages 3 and 6, a happy Christmas this year? My husband was hit by a car three weeks ago. He is suffering from a broken collar bone and severe bruises. He is receiving an unemployment check of $60 per week and that takes up our rent, food, gas and electric and what little is left which we usually don't have will be for some clothing. We are really in need for shoes, but we really are asking help for our children, because when they are happy, we are happy. So if you can find it in your heart to help us, we will really be very thankful.

Case 414 — I would love for my kids to have a merry Christmas. I have four kids. My husband is sick in Johns Hopkins Hospital. He doesn't know when he will be home. I have two boys and two girls, ages 8, 6, 10 and 12.

My son has not been home in years

Case 415 — I have seven children of my own and three of my daughter's. One of my sons is out in Hagerstown. I don't hardly have enough money to pick him up Christmas Eve. He was shot five times a year and a half ago. He hasn't been home in years for Christmas. One of my sons was locked up three months on a homicide charge. He is only 18 and he is ill. He has been in five hospitals from age 13 until now with mental problems. Paying a lawyer and trying to help him is making a very poor Christmas around here and on account of him, I have to move before the first of January.

Case 416 — I am writing for my three sons, ages 2, 13, and 15. The two-year-old needs pants and shirts, size 4, and a pair of shoes, size 8. The 13-year-old needs pants and shirts, size 16 and a coat for school, size 16. The 15-year-old shoes, size 10. He just came home yesterday with shoes torn to pieces. Also he wants a train track that they can all share. Also send us a basket for Christmas, because when the bills are all paid I have nothing left out of my check. This month after the insurance was paid, I did not have enough for gas and electricity. I am afraid now it may be cut off before Christmas, but they gave me a week to pay on it, but I have nothing. I am still unable to work because of my hand. Help us?

Case 417 — I am 51 years old, have arthritis of the spine and difficulty in walking. Will you please ask someone to give me a nice warm coat for the winter? I can't seem to save enough money for one. My income is only $109 a month.

Case 418 — Please help me with some food and toys for my children for Christmas. I am drawing unemployment. I have three boys and a girl. Their ages are 12, 10, 7 and girl, 6 years old.

Case 419 — My family and I would like it if you could help us out this year because we are in need of food, clothes and toys. The children's ages are 7-10. Girls' size 6X and 10; Boys, 12 and size 12 and 9 months. If you can't help us, we will understand because we know that a lot of people write to you.

My kids didn't get anything last year

Case 420 — Will you please send us some clothes, food, toys? I have three kids. The baby is 8 months. My little girl is 2 years. My little boy is 4 years and their sizes are 5, 12 months and 3. My kids didn't have anything last year, so please let them have a nice Christmas this year.

Case 421 — Please send me a Christmas basket of food. I have six grandchildren and they would also like a few toys and clothes. The few dollars I get every month don't last and without your help this year, the children will have no Christmas.

Case 422 — I am writing so that my children may have a Merry Christmas. We are living on Social Services. I am separated from my husband and there are four girls to support. Their ages are from 9 years to 3 years. Mostly every month I end up borrowing money to make ends meet and then the next month I am always short. I am waiting for a city house so that things then may be a little better for my family.

Case 423 — My mother is in bed sick. I am the only one that is supporting everyone. I receive a check and with the way things are today, there is nothing left from paying bills and buying medicine for my mother.
