42nd Annual Clean Block round-up

By Arnetta Loller

The 42nd annual AFRO Clean Block Campaign started on May 4, 1976 with a planning meeting with city officials who would act as consultants to the Campaign.

These consultants included Lt. Bernard Williams and Lt. Martin Duffy, Fire Department; L. Clements Nixon and Mrs. Elizabeth Merryman, Bureau of Recreation; Martin Klimin, Adopt-A-Lot; Mrs. Catherine Matthews, Claude Patterson, Health Department; Mrs. Marguerite Campbell, Jim Smith, Mayor's Office; Edward J. Moore, Leonard B. Folio, Department of Sanitation; George L. Parrish, Bureau of Consumer Services; Terry Edmonds, Carling-National Brewery; Officer Wendell Reid, Sgt. William Burke, Baltimore City Police Community Relations.

The first official meeting with the Clean Blockers was held at the McCulloh Homes on Friday, June 25. At this meeting Col. William (Box) Harris presented the Governor's Proclamation that June 4 through Aug. 22 be declared AFRO Clean Block days.

Prior to the official opening of the Clean Block, there were several meetings with early bird AFRO Clean Blockers.

Clean Blockers attending these meetings were Ms. Khadeeja Faton Mata, 900 N. Gilmor St.; Mrs. Esther Middleton, 500 W. Lafayette Ave.; Mrs. Dorothy Phillips, 400 E. Lanvale St.; Mrs. A. Thomas, 1700 N. Spring St.; Mrs. Mary Sue Johnson, 400 E. 21st St.;

Mrs. Adeline Ware, 500 E. 21st St.; Mrs. Annie Thomas, 1600 Edmondson Ave.; Mrs. Louise Flood, 300 N. Gilmor St.; Mrs. Pattie Boyd, 1700 Holbrook St.; Mrs. Minnie Williams, 2400 Lakeview Ave.; Mrs. Bea Russell, 1300 Wirton St.;

Many Housing Projects joined the AFRO Clean Block Campaign this year. The most active was Lexington-Poe who with 11 floors, and 1,000 residents in the 755 Lexington St.-high risers. through her advisor, Mrs. Marion Dicks.

Other Housing Projects participating in the Campaign were: Perkins Homes, Westport Homes, Douglas Homes, Cherry Hill Housing Project, Flag House Homes, O'Donnell Heights, McCulloh Homes, Gilmor Homes.

During this time the AFRO Clean Block won the Mental Health Award for the 1975 campaign. The award was presented to Mrs. Ida Peters, Director at Hopkins Plaza.

Before the first meeting in June, over 20 blocks had joined the Campaign and $752 had been given the Clean Block fund.

A new employee, Miss Shirley Basfield, was added to staff to help with the Campaign. Yours truly decided to try a hand at taking the Clean Block pictures.

July 1, showed Campaign funds at $3,316 and over 90 blocks in the campaign. Also during this month, over 550 Clean Blockers saw "Sparkle" at the Charles Theater through the courtesy of Jack Fruchtman of J. F. Theaters.

During July, Super-Pride Stores made a garden center in their stores where Clean Blockers could buy their window boxes and other garden needs at a reduced price.

Mr. Bumble's Trashball Contest started during this time and blocks were requested to adopt their trees by cleaning out around them and planting pretty flowers and putting little fences around them.

August 1 showed $5,125 in the Clean Block Fund. Over 250 blocks had joined the Campaign.

The highlight of the Clean Block meetings was the Aug. 13th meeting when Oriole star, Al Bumbry visited and gave autographed bats, balls and pictures to Clean Blockers.

Final Inspection Day came on August 14 when a caravan of cars with consultants and AFRO judges, in black limousines traveled around the city looking at Clean Blocks for nine hours. A terrible thunder-storm made many of the judges leave the tour but faithful Mrs. Ida Peters, Clean Block Director and a few others carried on through it-all.

The awards ceremony was held on Aug. 22 at Mondawmin Mall. This was the day all Clean Blockers had waited for. Who would be the top winner of $1507

The ceremony was a gala affair. Corsages were given to the honored guests and AFRO Clean Block Steering Committee, who acted as hostesses which had been formed during the campaign.

The program started with a very impressive selections by the junior and senior Drum and Bugle Corps of East Baltimore, coordinated by Clean Blocker, Mrs. Mary Sue Johnson.

After various awards and certificates were given, the moment arrived to announce the winners. First prize went to the 1700 blk. Montford Ave. Mrs. Delores Fields, Captain. This beautiful block was in red and white and was kept spick and span all summer by neighbors. At one end of the block, they made a beautiful flower garden on a vacant lot.

There were 10 blocks who won $100, 25 blocks won $70; 30 won $50, 33 won $25 and 10 won $10. Separate prizes were given to the Housing projects.

There was a total of 300 blocks who joined the Clean Block campaign. The total fund contributions was $9,335. 1,000 blocks received AFRO Honor Flags.

The youngsters enjoyed many activites during the summer and fall including movie trips, Oriole baseball games, college football, J. C. circus. Free tickets were given to over 2,000 youngsters and adults.

The AFRO Clean Block won the Beautiful Baltimore, Inc. 1976 City Garden Contest for the beautiful blocks.

The Fall AFRO Clean Block Campaign

In September, Clean Blockers received free tickets to attend the Baltimore City Fair where the AFRO had a booth for the first time. The booth was decorated with color pictures of the 1976 Clean Blocks.

There were also a number of block parties in September just as there were in August. The biggest party was given by the top award winning block, 1700 N. Montford Ave. They had a huge cake made to look like the AFRO Honor flag and enough to give neighbors from eight blocks part of it.

In October the first year-round AFRO Clean Block started. A steering committee was set up to handle registration, activities and phone calls. Monthly meetings were scheduled to discuss ways of rat proofing neighborhoods since there has been such a drastic cut in the Health and Sanitation Departments; talk to city officials about the cuts in help and the effect it will have on the inner city.

Clean Blockers also enjoyed various activities during the fall. The Steering Committee were guests of the AFRO at the AFRO-AMERICAN Newspapers and Greyhound Company luncheon.

Clean Blockers planned to go to the Methodist Day picnic in Baltimore County but the event was rained out. They did, however, go to the Balloon Ascension at Memorial Stadium sponsored by the Boumi Temple Shrine Circus.

Over 100 Clean Blockers took part in blowing up 130,000 balloons for the event. Following this they attended the Colt-Dolphin game where the balloons were ascended, breaking the world's record.

When the Boumi Temple Shrine Circus came to town in November, over 2,000 Clean Blockers attended and had a grand time. These tickets were through the courtesy of Lou Grasmick, commissioner of Civic Center and the Shrine Circus.

The month of December was quiet due to the many activities Clean Blockers had getting ready for Christmas and because the Mrs. Santa program was in full swing.

Season's Greetings to our Afro Clean Blockers. Watch mail for February 7, 1977 meeting.

PRESIDENT

COMMUNITY COLLEGE OF BALTIMORE

The Search Committee invites nomnations and applications for the position of President.

The Community College of Baltimore is an urban, multi-campus public community college. The President, under policies established by the Board of Trustees, is the chief administrative officer and principal educational officer of the College Qualifications include an appropriate academic degree, senior-administrative experience in an institution of higher education or comparable organization, an understanding and commitment to the comprehensive community college concept, and a demonstrated ability to work in a multi-racial and multi-ethnic environment with a strong commitment to needs of minority students as well as other constituent groups.

Hints For Homemakers

• INEZ KAISER

Time passes swiftly and before we know it another year has passed. We now find ourselves recalling the events of the year that brought us happiness.

My greatest joy in 1976 was seeing my husband Richard retire in September with good health. He is still adjusting to the idea while assisting me in the office.

"My life hasn't changed much," Richard recently told a friend of ours. "I retired from one job, but now I find myself with another."

WISK DOES IT ALL!

Richard is right. Little has changed, including the fact that there are still rings around his shirt collars. But WISK helps me keep them clean.

We have been using WISK in our household so long that even Richard has become an expert in its use. He just pours a small amount of WISK on the soiled shirt collars, rubs it in and places the shirts in the washing machine.

Honestly, heavy-duty liquid WISK is just great for removing all sorts of problem stains and soils. It is truly a miracle product.

CLOSE-UP FOR ALL SEASONS

While doing your holiday shopping, remember to purchase some tubes of CLOSE-UP. This great-tasting toothpaste will carry you through the festive season in grand style.

I never get tired telling people about the wonders of CLOSE-UP—how it cleans your teeth and freshens your breath at the same time because of its special mouth-wash ingredient.

If you have not tried CLOSE-UP yet, there's no better time than now. Once you try it, you will thank me for recommending it so enthusiastically.

Just take it from me, CLOSE-UP really helps you feel at ease in all close-up social situations. That's why the TV commercials urge you to "put your money where your mouth is."

CLOSE-UP won't let you down.

LIFEBUOY WINS FRIENDS IN FLORIDA

For almost nine years now Lever Brothers Company, the makers of LIFEBUOY soap, has really spread Christmas cheer at Florida A&M University.

LIFEBUOY has made a financial contribution to the William P. Foster Band Scholarship Fund each December at the time of the Orange Blossom Classic at the Orange Bowl in Miami, Fla. This contribution often makes the difference in whether some deserving college student is able to finish his or her studies in music.

The young members of the famous FAMU marching band know all about LIFEBUOY soap. They are well aware that a LIFEBUOY bath or shower takes care of sweat and dirt, while providing a whole day's deodorant protection which leaves them feeling fresh and clean.

This is so important to these young musicians, because they are the fastest-stepping band in the land.

Every year the band members receive a case of LIFEBUOY soap for their personal use. They all appreciate that the makers of LIFEBUOY care enough to share.

LUX LIQUID IS KIND TO YOUR HANDS

No month in the year is more important than December for me to take good care of my hands. It seems that I never stop either entertaining or being entertained.

That's why I make sure that there is an ample supply of LUX LIQUID in my house as the holiday season approaches. LUX leaves my hands feeling so smooth and soft-looking after washing dishes.

I can leave the kitchen sink, change clothes and go off to a social affair with great confidence, without worrying about rough or red hands.

It really amuses me sometimes when people say, "Inez, your hands are so smooth and soft. Apparently you never wash dishes or do any hard work around the house."

My reply is always the same! "I certainly do wash dishes, but LUX LIQUID makes the difference in how my hands feel."

So, let LUX LIQUID be kind to your hands, too. You certainly won't be disappointed!
