MASS TRANSIT ADMINISTRATION
MARYLAND DEPARTMENT OF TRANSPORTATION
REQUEST FOR PROFESSIONAL SERVICES

The Mass Transit Administration requests Engineering Services for the Projects listed below.

Firms interested in being considered for work on the Project must submit a letter of interest. This letter will indicate the firm's desire to perform services and it should show what percent of the work will be subcontracted. If subcontracting is indicated, the letter will specify those tasks or areas of expertise.

Interested firms shall also submit U.S. Government Form 254 and 255 with the letter of interest or the required forms will not be considered for services on the Project.

Firms may also submit additional information which will assist the MTA in their evaluation of the most qualified firms.

Inquiries concerning this request may be made by contacting the Mass Transit Administration. Samuel R. Kelly, phone (301) 383-4845.

All firms expressing interest in the Project will be considered. Those adjudged most qualified shall be requested to submit technical and price proposals. Additional information will be submitted to the selected firms so that they can prepare such proposals for the Project. The final contract shall be awarded on a competitive basis.

Closing Date: No response received after 4:30 p.m. on Friday, June 24, 1977.

STATE AVIATION ADMINISTRATION
NOTICE OF INTENT TO ASSIGN PROJECTS

In the near future, the Professional Services Selection Committee will recommend the assignment of consulting services for the following projects:

PROJECT 77-06 — MERRITT POINT PARK

The Department of Recreation and Parks is desirous of obtaining professional services for the design of an outdoor ice skating rink/tennis center and other parks facilities at Merritt Point Park. Specifically, these design services shall include:

a. A dual function facility which will accommodate an outdoor artificial ice rink for approximately five months of the year with a capability to be converted to a tennis center for the remaining time.

b. Improvement of fire damaged bathhouse into a heated bathhouse facility.

c. A revision of the damaged bathhouse which shall also incorporate a warming hut facility to accommodate ice rink patrons and a concession area.

d. Site selection for a future swimming pool to be located in the vicinity of the bathhouse.

e. Design of a comfort station to be located in the vicinity of the recently constructed docking pier.

Estimated construction cost — Phase I: $800,000.

PROJECT 77-07 — BELMAR, DOUBLE ROCK PARK, AND BEAR CREEK SHELTERS

The Department of Recreation and Parks is desirous of obtaining professional design services for the renovation of the Belmar Shelter and the Double Rock Park Shelter, both damaged by fire, and construction of a new Bear Creek Building at Bear Creek. Required services are as follows:

1. Belmar Shelter and Double Rock Park Shelter

a. Confirm insurance estimates for fire damage to existing shelters and renovate both shelters to provide for storage areas and lavatories. The Belmar Shelter is 32'x18'; the Double Rock Park Shelter is a two story structure, 40'x40'.

2. Bear Creek Shelter

This is to be a new 18'x18' shelter and shall be designed to provide for storage and lavatories.

PROJECT 77-08 — ADDITIONS TO THE INWOOD MAINTENANCE SHOP AND THE BALTIMORE COUNTY SIGN TOP

The Department of Public Works is desirous of obtaining professional services for incorporating additions to the Inwood existing buildings:

1. Inwood Maintenance Shop

An additional storage area encompassing approximately 3,500 square feet is required for the Inwood Maintenance Shop. This additional area will be used for storage of seed/fertilizer, a carpentry work area, a general maintenance area, and an office facility. Estimated construction cost: $75,000.

2. Baltimore County Sign Shop

An additional facility space of 5,000 square feet is required. Estimated construction cost: $86,000.

PROJECT 77-09 — MISCELLANEOUS MECHANICAL/ELECTRICAL SERVICES

The Department of Public Works is desirous of obtaining professional services for the following:

1. An outdoor lighting design for the Baltimore County Fire Department Driver Training Facility. This effort shall also include an evaluation of the adequacy and capacity of the existing electrical power and distribution systems. The facility is located on Paper Mill Road, west of Jarrettsville Pike (Former Nike site).

2. A design for the installation of smoke detectors for the Baltimore County Jail.

3. A design evaluation of the Baltimore County Jail electrical service and distribution systems.

PROJECT 77-10 — HVAC AND MISCELLANEOUS MECHANICAL/ELECTRICAL SERVICES

The Department of Public Works is desirous of obtaining professional HVAC and Mechanical/Electrical design services required for the recreation center at Towson Dundalk YMCA building.

The scope of services shall include:

1. Design of a new heating system.
2. Design of a HVAC system.
3. Design of a new hot water system.
4. Evaluation of electrical service and distribution system with new air-conditioning design recommendations as required.

To be considered for award, all firms currently prequalified must submit a separate Baltimore County DPW Form 101 (Prequalification) and Form 505 described above. Any firm not prequalified should do so immediately by filing a Baltimore County DPW Form 101.

DPW Form 505 submittals, for each project must be received by the Chief of the Bureau of Engineering, Room 200, County Office Building, Towson, Maryland, 21204 not later than 4:30 P.M., E.D.T. on Monday, July 11, 1977. Late submittals will not be considered.

Baltimore County DPW Form 101 (Prequalification) and Forms 505 can be requested through the above address or by calling 494-3700.

By order of the County Executive of Baltimore County, Maryland.
