Sidelights

By Arnetta Lottier

1600 Edmondson Ave. - Clean Blockers have constant problems. The broken steps we pictured in the AFRO, where a car knocked down the marble steps months ago, still have not been repaired. Rat holes are in the yards of 1607 and 1609. 1623 Edmondson Ave. needs to be boarded up. There have been two fires set in there. Call 396-1153, Ms. Mereida Goodman.

Neighbors are still annoyed with stereos playing from 12-4 a.m. Most neighbors have to work the next day. Call shift commander for 12-8 shift at 396-2477.

700 Newington Ave. - would like neighbors to keep trash out of the alleys after the Baltimore Summer Corp cleans the alleys. There are also some yards in the block that need to be cleaned.

1400 N. Bethel St. would like to have the lot at 1600 Llewelyn St. cemented. This lot faces Bethel St. and there are rats on it. They also need a bulk trash pick-up. The trash is at the end of the alley between Bethel and Hoffman. Call Joel Becker, 396-8183. 1400 needs yard cleaned out. Youngsters in the block have tried cleaning it, but there are weeds and stuff that need special tools. Call 396-1153.

800 N. Chapel St. is complaining about the city trash can on the corner not being picked up. Call Joel Becker — 396-8183. Edward Moore, chief sanitation officer, told Clean Blockers these trash cans would be emptied weekly. They would also like for the neighbor who drinks all hours of the night, disturbing neighbors by cursing them and telling his friends to park on the curbs to stop annoying them.

2500 Edgecomb Circle North Clean Blockers want the dead cats removed from the wooded area around them. Call 396-0539. They would also like to have the woods cut down.

1800 N. Monford Ave. - having problems with odors in the alleys from dogs and cats excrement. They have a number of stray dogs and cats in the block. Call 396-4176.

1900 Homewood Ave. - alleys need to be cemented. They have rats in the yards of 190, 1905, 1903, 1925, 1911, 1908, 1900. Also, 1901, 1905, 1907, 1925 have dirty yards. People are coming from other blocks drinking and leaving their bottles in this block.

1100 E. Lanvale St. only has one complaint. Folks in the block won't help clean their yards. Keep trying and maybe they will come around.

2200 E. Mura St. has rats in the yards at 2216, 2212, 2219, 2214. Yards at 2216, 2212, 2224, 2227 and 2226 are dirty. Call 396-4176.

2100 McCulloh St. has a fallen tree in the back of 2133. Call 396-6108. There are rats in the back yard of 2100. Yards dirty are 2134, 2116 and 2114. Neighbors in this block and the 400 block Bloom St. are asked not to throw trash out after the treashmen leave. Get it out before the treashmen come or keep it until the next trash day.

Visited **2500 Virginia Ave.** where Dana Buchanan is captain. There are three vacant houses in the block; 3517 is boarded but the back yard is filthy and the back porch is falling; 3526 was recently vacated and all kinds of garbage and old furniture was left in the alley, yard, and unboarded house; 3538 needs boarding and cleaning also. A garage used by 3538 before moving was left open and full of trash old tires, a refrigerator and two stoves. The roof is also caving in. Dana and pis workers would also like to have the sewer holes cleaned out and a lot at the dead-in corner cleared of rubbish.

2800 Waldorf Ave. is a clean block with flowers planted in freshly painted urns. They have had their flowers stolen twice. There are three houses that need cleaning and boarding, 2800, 2835, and 2829. The workers are concerned about the 2810, inhabited by a man who keeps the house and the yards filthy. They are also concerned about the bulk trash in both alleys which have not yet been picked-up. They would also like to have the sewer hole cleaned out, the water which drips constantly from the North Ave. Beauty Supply at 2926 Ridgewood and drains in the alley corrected, the trees trimmed around electrical wires, and a stray dog picked-up.

5000 blk of Beaufort Ave. where Ted Ellis is captain and Mary Snoden is advisor, is a Clean Block with the front lawns cut, gutters swept and the back yards clean. The AFRO Clean Block workers would like to have a light replaced in the alley, bulk trash removed from the alley and something done about the rats

(Photo by Arnetta Lottier).

Large hole at the alley in the 1300 block E. Lafayette Ave. needs to be filled in to keep stagnant water (shown above) from collecting. This is very unhealthy.

2400 Francis St. Clean Blockers are disgusted because the Mass Transit bus yard is not being swept daily. Old newspapers and transfers like those shown here blow down Francis St. after the buses are swept out. Mass Transit employees promised to cooperate but they haven't done to well to date.
