TO MY FRIENDS, ASSOCIATES AND CUSTOMERS OF BALTIMORE CITY AND ENVIRONS:

At this joyful season of the year, when we pause to count our blessings as well as to plan the future, I take this opportunity to say thank you to the many friends, associates and customers of Ashburton Insurance Ltd. as well as to my personal friends. We have had success and you have made it possible. Past success, however, should be an encouragement to face more demanding tasks in the future. Therefore, we at Ashburton are encouraged to do a better job in 1978 than in 1977. We hope that the entire black business community shares this ambition with us. 1978 will also be a momentous year in the political life of our State. As one who is politically ambitious, I urge all my friends to make themselves aware of the issues before the electorate, and to stand by and support those whom they believe to be worthy. Happy Holidays and a successful New Year.

Goes down in the far off West.
We miss you no less as the time passes on
Than we did on the day of your going,
For absence can never close the door of our hearts,
And the lamp of our love is still glowing.
Your heart was the truest in all the wide world,
Your love the best to recall,
For no one on earth can take your place,
You are still the dearest of all.

And wish we had been able to say "Goodbye."
