The Calvary Baptist Church Day Care Center is the key service project for the Jack and Jill age group. The age groups have participated in supporting the center as well as the parent group. They have engaged in such activities as making educational material, supplying wooden blocks, books, toys, toys with wheels, and setting up hearing - vision screening and dental assistance. The Jack and Jill groups will volunteer their time as teachers, educational aides, and teen counselors for the center's summer program.

The nine - ten age group spent a day in Annapolis, Md. during the spring vacation break. They toured the State House, sat in the chambers of the House of Delegates and the Senate to see how our State bills are made into law. They also met and talked with some of our legislators, Senator Clarence Mitchell, Senator Clarence Blount, and Delegate Larry Young and the late Del. Arthur Murphy.

The teen group has been extremely active this year. They raised over $2,000 for the Vicky Mitchell Scholarship Fund through the annual car wash, rummage sale and teen disco. Aside from being active in community service projects, they spent a delightful weekend in New York City recently.

Catonsville Notes

By Liz Williams

Congratulations to Mr. and Mrs. John Brown (Arieanna) formerly of Chatham Road who have been married 49 years and who have 10 living children, 38 grandchildren and five great-grandchildren. Eight grandchildren graduated from high school in June. They are: Bryan Brown Annapolis, Md., Landis and Catherine King — Rochester, N.Y.; Fleeta Blake, Marsheeda and Marshelia Keith — Baltimore, Md., and Charles Brown — Fort Campbell, Ky. Landis King and his cousin, Charles Brown, will enter the Army in the summer.

Many of you know the Browns because they ran a guest home for the elderly on Chatham Road. I will always be grateful to this wonderful family because of the excellent care that they gave my mother during several years of her long illness. The Catonsville community salutes them and may God continue to shower his blessing upon them.

Among the known sick in our community are: Emma Eldridge, Marie Young, Ruby Morris, Janet Hudson, George Hopewell, Benjamin Nicholos, Marie Randall, Robert Rideout, Les Gundy, Burley Caldwell, and Wilbur Radcliffe. Continue to remember the known shut - ins in your community.

Get Well cards to Rebecca Quille who recently had foot surgery at Union Memorial Hospital. At last reports, she is doing nicely and should be home soon.

The Catonsville Golden Age Group took a bus trip to Mt. Vernon, Va., last Saturday. The day was perfect and those guys and gals were looking good and had lots of fun.

Congratulations to the Women's Day Committee at Morning Star Baptist Church. They celebrated their annual Women's Day last Sunday. I understand that they far surpassed their goal. The co - persons were: Nettie Page, Lillian Hawkins and Eva Brooks.

Can you imagine that less than 10 women participated in Women's Day 50 years ago. Mrs. Beatrice Kane, "the oldest in service" lady has continuously worked and contributed generously throughout the many years.

The Vacation Bible School will be held at Grace AME Church - July 17 - 21 - 9 a.m. to noon.

Sympathy cards to the family of the late Mrs. Mary Williams of Winters Avenue, whose funeral services were held during the past week from Grace AME Church.

Among the happy relatives who traveled to Wilberforce, Ohio to attend the graduation of John Copeland Jr. from Central State University, were his grandparents — John and Grace Jackson of Shipley Avenue, his parents — the John Copelands Sr., his sisters, Mary and Joyce Copeland, and his friend, Don. Janice Copeland is home for the summer from Northeastern University, Boston, Mass.

Congratulations to Lucille Washington (Elhana) who will retire from the Baltimore County Schools as of the end of August. The faculty honored her at a pre - retirement dinner, recently, at Synders West. Lucille has been working at the Westchester Elementary School.

The administrators, (past and present) and the faculty members spoke about the beautiful relationships that they'd had with this lovely lady throughout the years. Lou, as we fondly know her, received many gifts and cards. She was also presented with a special gift from the faculty in addition to a beautiful cake. The community wishes the best for Lucille during her coming days of leisure.

The Willing Workers at Mt. Olivet United Methodist Church are sponsoring a trip to Niagra Falls and Thousand Islands on August 11 through the 14. For reservations or further information, contact the following: Irene Gaines, Viola Rideout, Elizabeth Barnes, Grace Jackson, Mildred Copeland, Dorothy Crawford, and Rosa Epps. It should be a lovely trip, so get your reservations in now — the price is $135 per person with a $50 deposit.

Congratulations to Alphonso and Drunell "Nellie" Cottman who are celebrating their 40th wedding anniversary. Our congratulations are a little belated because their anniversary was June 19. Better late than never.

Holy Trinity Episcopal Church at Lafayette and Wheeler Avenue is looking forward to its 25th anniversary celebration, September 10 to October 1. The Homecoming Committee wishes to extend an invitation and a warm welcome to all of its former members. Contact Father Garrenton concerning any question of participation - Call 945-0002.

To inaugurate their Sesquicentennial Year of Celbration, the Oblate Sisters of Providence will begin the celebration with A Liturgy of Thanksgiving at St. Mary's Park on Pace Street on Sunday, July 2. Lawrence Cardinal Shehan will be the celebrant. Various celebrations will be held throughout the United States and in other countries where the Oblates have served.

The celebration will end this time next year with the A Liturgy of Thanksgiving to be held at Mary Our Queen Cathedral.

Congratulations to these great group of nuns who have so faithfully served our communities for almost 150 years. May God continue to let them carry on their good work, where - ever they may be, Sister Marie Infanta Gongales is the Mother Superior.

Have a nice week - end and continue to think about others. We must remember that no man can walk alone.

Girl Scouts 'Zoo Do'

"Zoo Do", a summer day program sponsored by Girl Scouts of Central Maryland in cooperation with the Baltimore Zoo and the Youth Incentive Entitlement Program, will begin July 17 at the Baltimore Zoo. All Baltimore City girls ages 7 to 13, non - Scouts as well as Girl Scouts, are welcome. There will be two sessions of eight days each.

Activities at "Zoo Do" will include music, art, dancing, drama, puppetry, games and hikes as well as nature study and ecology projects. There will also be opportunities to learn about the zoo and its animals through tours and films.

Cost of each eight - day session is $6 for registered Girl Scouts and $7 for non-Scouts. (The additional dollar is for insurance.) The fee covers program supplies and bus transportation from designated Baltimore City communities. A free lunch will be provided through the Summer Food Service Program for Children.

The first session of "Zoo Do" will be held July 17 to 20 and 24 to 27; Session II is set for July 31 to August 3 and August 7 to 10. Activities are scheduled from 9:30 a.m. to 3 p.m. daily.

Although a girl may register for either session of "Zoo Do" as long as there are openings, each section of the city will have bus service for only one session. If a girl wishes to attend the session when buses do not come to her area, she will be responsible for her own transportation to the zoo or the nearest bus stop.

For information on bus schedules and registration procedures, interested persons may call the Girl Scout office, 889 - 2861, weekdays between 8:30 a.m. and 4:30 p.m.

Girl Scouts of Central Maryland offers many kinds of summer program for girls 6 to 17 in Baltimore City and Anne Arundel, Baltimore, Carroll, Frederick, Harford and Howard Counties. It receives partial support from the United Ways of Central Maryland and Frederick County.

Don't Pass Us By

In the next few months, you will see the Tastee-Kake Bread, Marton Frozen Foods, and Hostess Cakes in a style like this in this paper. The purpose of these advertisements is to let Wonder/ITT Continental Baking Company and you our customers, to learn about our programs, and employees. Second, but equally important, we want to support the economic growth and stability of Black newspapers.

Our first message will feature Sr. Louis Mo., employee Sam Bloom Bloom Wheeler, former basketball star with the Harlem Globetrotters. His success in overcoming a personal physical handicap to become an inspiration to others and to assist and promote the Handicapped Olympics is a story you will want to read.

The second ad will present the story of our involvement in health education through ITT Continental Baking Company's Hostess Seminars. These programs were introduced in Baltimore in conjunction with the Northern Region of the National Medical Association.

The third and final advertisement will focus on employees who have received the Harlem Y.M.C.A. - New York City - Black Achievers Award for accomplishments in business. We are extremely proud of these men and women and the Black Achievers Program that salute them.

We hope you will keep your attention on these reports of our ongoing progress through programs that affect and benefit men, women and children throughout the land.
