Mrs. Santa's cases

'We won't be having Xmas dinner'

Case 392 — I am in need of a basket for Christmas. Would you please send one for my 3 children and I. I am on the welfare but can't afford a nice dinner.

Case 393 — I am writing this year to say that I have eight children who won't be having Christmas. Because I am not able to provide them with food or anything else, I have heart trouble and high blood pressure. I cannot help myself plus there is no husband to help. He walked out on me and the 8 children. The only way I can have a nice Christmas is with what you send. Please help.

Case 394—I am grateful for anything that you can give my 4-year-old daughter and I. I receive a social services check every month. Because my social worker said that I would receive a grant for all the things that I needed for the baby, we had to sleep on the floor. At the last minute she told me it was too late to receive the grant. I was in a foster home so I really don't have anybody to go to and ask for food. I am ashamed to keep begging people for toys and food for us. But sometimes it looks like you have to do put your pride aside. I have gone to all different churches and other places for help but none could. Please don't turn your back on me.

I keep my 2 grandchildren and a old man. I don't get much money. Would you please give us a basket and some toys.

Case 395 - A — I am writing you because I am in need for Christmas. You see I get a check each month but when I pay all my bills there is nothing left. I have 3 toys and one girl. My baby suffers with heart trouble. I suffer with headtrouble and very bad nerves. We are in need of food and clothes. Also we need a bed, we are sleeping on the mattress on the floor. My children know that they might not get anything for Christmas. They understand that I don't don't have any money to buy them anything. Please help me to answer my prayers.

Case 396 — I am in need of a basket for Christmas. My monthly income is $100.69 disability check. There are 7 people in the house. I have been separated from my husband a long time now so I am the head of the household. I have to take care of the children all alone. I'm sure that you can understand what I am going through. Bless you for your kindness.

'My son gets so discouraged'

Case 397 — I am writing for my son and myself. My son is a student at the Community College of Baltimore. He's trying so hard to make it and find a job to take care of me, and look himself some clothes for school. He had to drop out of school earlier to finds job to try and help but because he was unsuccessful in finding one he returned back to school. I myself am trying so hard to keep him together, but sometimes he gets so discouraged. I have 3 grandchildren. All I want is a living room set or anything that can help. I am a member of so many organizations, and clubs. When I went to some of these groups for help they all just turned me down, or some of them were too busy to help me. It's so funny that when you really need people and when you do all you can for them they turn their backs on you. All year long especially during the election, my son and I worked hard helping out at the polls and working throughout the neighborhood. Now when we really need someone, everybody is too busy. I want so much to give my son a desk for Christmas but it looks like I won't be able to. A friend of mine told me that I should write to Mrs. Santa because you wouldn't turn me down. My son doesn't even know that I'm writing this letter. Please help me with whatever you can give. I got shot in 1975, and I haven't been able to work.

'5 children'

Case 398 — My sister said that she was going to write you, but she never did. She is on the welfare and is separated from her husband. She also has 3 children. I am staying with her now because my father and mother are in the hospital. My sister doesn't have enough food for her and the children. They don't have coats. The kids would like to have a few toys this year too.

Case 399—I'm writing to see if you could help me and my 5 children with a basket for Christmas. I am having a very hard time. I am sickly and cannot work. My bills are so high I have to skip one bill an pay another. God only knows how I did it through. I'm separated from my husband so you know how hard it is. Please consider helping me and my family.

Case 400 — I have 2 girls who don't have any food or clothes. Please help me for Christmas. I don't get any money for the girls. I am 46 years old and I can not work.

Case 401 — Please help my family have a good Christmas this year. I am not working now I lost my job in November just before Christmas. Now Christmas is here and I don't even have money for a good dinner. My baby's birthday is Christmas day. I hope that you can give me some kind of help.

'My husband left me'

Case 403: My husband left me and my children. We would like to have a little something for Christmas but it is hard for us to get something. We will appreciate anything you could contribute toward us having a nice Christmas. Please help. I have four children ages 4, 7, 9, and 11. My only boy is nine years old.

Case 404: I am a widow and I am in need of help this year. Please help us to have a Merry Christmas. We don't have any food or heavy coats. I have two girls ages 10 and 12.

Case 405: The first of the year my wife left me with 4 kids. I had to go on welfare because I am unable to work. I haven't worked for 4 years because I have high blood pressure, emphysema, and cirrhosis of the liver. There is no way that I could get all my money for food stamps because I need the money for Christmas. I have three boys and a girl and my main problem is having enough food for them this year. It sure would make me happier if you could help.

Case 406: I'm in need for help for myself and two children. We don't have anything for Christmas, and I would like to have a Merry Christmas. Please help us in anyway that you can.

'I just lost my job

Case 407: I just lost my job, and I do not know where my next meal will come from. I am not asking for much, but just enough for my children and I to have a nice Christmas.

Case 408: I have three children, ages 1, 3, and 4. We would like to have something to eat this Christmas if possible. Mrs. Santa, please don't let us go hungry this Christmas. Please help.

Case 409: Please help my friend. She has five children and only gets a check once a month. She needs clothes, food, shoes and a bed. Please send her all you can.

'Mother of 10'

Case 410: I am the mother of 10 children -ages 17, 16, 8, 7, 6, 5, 5, 4, 2 and 2 months. I would like to have some trucks and dolls for my little ones. I will be happy if you can send a little something for us all. Won't you please help us?

Case 411: My brother is 50 years old and is blind. He has just had an operation on his neck. I would like to see him smile this Christmas, so please send him a basket.

Case 412: I was burned out September 4 and I lost everything I had. I have 4 children - ages 17, 16, 15, and 3 months. I am on welfare and I live with my daughter. We all need coats and food for Christmas baby. I have a bad heart and asthma and also diabetes. I am under the doctor's care. Please Mrs. Santa, help us to have some kind of Christmas.
