AN AMERICAN STORES COMPANY

and we're not done yet!

We've reduced 400 prices so far. Prices on items important to you and your family. And we will continue to reduce no less than 50 more items each week. We realize there has been a substantial increase in the cost of living. Your budget can feel it. We are dedicated to do everything within our control to help curb this current trend. These reduced prices are one more way Acme Markets helps your family to reduce the cost of your weekly food bills. We offer you even more ways to save too! Like our Bell Ringer Price Reduction Specials! They are designated by yellow Bell Ringer Shelf Labels. These labels give the new price reduction, plus the Unit Price; this makes it possible to compare the economy of the item being purchased.

And you'll also find the length of time the Price Reduction will be in effect. 400 Prices Reduced! Plus Bell Ringer Specials! Convenient Hours! Plus Big Weekly Specials, too! That's what Acme Super Savings Time is all about. And that's why there's never been a better time to shop Acme/Super Saver.

Prices effective February 4 thru 10, 1979. None sold to other food retailers or wholesalers. Quantity rights reserved.
