NOTICE OF PUBLIC MEETING
BALTIMORE COUNTY, MARYLAND
DEPARTMENT OF PUBLIC WORKS

Baltimore County is initiating the preparation of a Facility Plan to determine the sanitary sewerage needs of certain areas of Eastern Baltimore County

Baltimore County will hold a public informational meeting to discuss the preparation of the Facilities Plan in accordance with applicable Environmental Protection Agency rules and regulations

One area to be studied is designated the "Brien Run Area" and is generally outlined on the Study Area Map attached

The meeting is scheduled for:
7:30 P.M. on Wednesday, March 21, 1979
at Middle River Junior High School
800 Middle River Road
Middle River, Maryland 21220

The Consultant will describe the intent and scope of the Facility Planning Process, answer questions, and receive citizen input relative to this project

Representatives of Baltimore County, the State of Maryland, and the U.S. Environmental Protection Agency will also be present

All interested citizens are cordially invited to attend and participate

Written requests for additional information may be addressed to Mr. Wilsworth N. Diver, P.E. Chief Bureau of Engineering, Baltimore County Office Building, Towson, Maryland 21204

DONALD P. HUTCHINSON
County Executive

THE STATE OF MARYLAND
OFFICE SPACE WANTED
REQUESTS FOR LISTINGS AND OFFERS
PROPOSAL REQUEST NO. 12-79

The State of Maryland requires approximately 5,000 net usable square feet of office space in a single location in Baltimore City specifically in the geographic area bounded by Baltimore City line on the West, Franklin Street to the North, Hilton St. on the East and Frederick Ave. on the South

The term of the lease will be five (5) years with the State enjoying the right and option to renew for an additional (5) year term

The space will be used for an area office for the Division of Parole & Probation, Department of Public Safety and Correctional Services. Proposals must be for modern, air conditioned general purpose office space on the ground level or elevator serviced, and will include price, services provided, parking availability, and date available. All locations submitted must be accessible to and provide facilities for the handicapped. Proposals must be received by April 10, 1979. 1979. Information on specific requirements and proposal specifications may be obtained from the Department of General Services, Space Management Branch, Room 1309, 301 W. Preston Street, Baltimore, Maryland 21201, or by calling 383-6063. Proposals should be addressed to the above address. All inquiries, telephonic or in writing must specify the above proposal number.

ANNOUNCEMENT
STATE OF MARYLAND

THE STATE MANPOWER PLANNING OFFICE OF THE DEPARTMENT OF HUMAN RESOURCES ANNOUNCES THE ISSUANCE OF ITS COMPREHENSIVE EMPLOYMENT AND TRAINING PLAN (ETP) MODIFICATIONS APPLICATION TO THE U.S. DEPARTMENT OF LABOR. THIS CEPT INCLUDES THE MASTER AND ANNUAL PLANS FOR BOTH THE BALANCE OF STATE (EASTERN SHORE AND SOUTHERN MARYLAND) AND

the master plan describes the established administrative and programmatic arrangements that will govern all programs under the act the balance of state annual plan includes the description of programs that will be continued to be funded under titles II, III, IV and VI of the act these programs provide manpower services, training and public service employment jobs to eligible balance of state residents. the application requests 16,177,637 DOLLARS FROM THE DEPARTMENT OF LABOR TO CONTINUE SERVICES TO OVER 6,000 CURRENTLY ENROLLED PARTICIPANTS.

THE special governor'S GRANT ANNUAL PLAN INCLUDES A DESCRIPTION OF THE PROGRAMS TO BE CONTINUED TO BE FUNDED UNDER TITLE II OF THE ACT. THE SPECIAL GOVERNOR'S GRANT APPLICATION REQUESTS $555,691.00 FROM THE DEPARTMENT OF LABOR TO BE USED TO ENCOURAGE COORDINATION AND ESTABLISH LINKAGES BETWEEN PRIME SPONSORS, EDUCATIONAL AGENCIES AND INSTITUTIONS PROVIDING TRAINING PROGRAMS.

RESCHEDULED
BALTIMORE CITY COUNCIL
PUBLIC HEARING ON
BILL 7927
ZONING DISTRICT CHANGES

THE JUDICIARY COMMITTEE OF THE BALTIMORE CITY COUNCIL WILL MEET ON TUESDAY, MARCH 27, 1979 AT 1:00 P.M. IN THE CITY COUNCIL CHAMBERS, ROOM 338, CITY HALL, 100 NORTH HOLIDAY STREET FOR THE PURPOSE OF HOLDING A PUBLIC HEARING ON BILL 7927 AN ORDINANCE TO AMEND ARTICLE 30 OF THE CITY CODE (1976 EDITION) TITLED: "ZONING"; BY CHANGING THE FOLLOWING FOUR (4) ZONING DISTRICTS IN THE FREMONT URBAN RENEWAL PROJECT: (1) FROM THE R-9 ZONING DISTRICT TO THE B-2-3 ZONING DISTRICT 715 RAMSEY STREET (PORTION ONLY); 717-743 RAMSEY STREET, 718 CARROLL STREET (PORTION ONLY); 720-751 CARROLL STREET AND 725-727, 733-741 AND 753-755 EISLEN STREET; (2) FROM THE M-1-2 ZONING DISTRICT TO THE R-9 ZONING DISTRICT 729-55 W. PRATT STREET (PORTION ONLY); 757-61 W. PRATT STREET, 770-778 DOVER STREET, AND 201-237 OTTERBEIN STREET; (3) FROM THE M-1-2 ZONING DISTRICT TO THE R-9 ZONING DISTRICT 110-130, 133-171 SCOTT STREET 750-80 W. PRATT STREET (PORTION ONLY); 763-765 AND 782 W. PRATT STREET AND 810-61 LEMMON STREET; AND (4) FROM THE M-1-2 ZONING DISTRICT TO THE R-9 ZONING DISTRICT 314-27 S. FREMONT AVENUE (PORTION ONLY); AND 701-739 RINGOLD STREET.

THIS BILL IS SUBJECT TO AMENDMENT AT THE HEARING

FRANK X. GALLAGHER
CHAIRMAN

The Maryland Parole Commission and the Division of Parole and Probation are seeking proposals for quality bidders for the replacement of films equipment and implementation of new film processing system. Competitive selection of the most advantageous bid will be made on proposals received by 4:30 p.m., March 28, 1979. Qualifying parties wishing to receive consideration as suppliers and desiring specifications of the proposed project may contact the Project Director, Maryland Parole Commission

The proposed design for the Arundel Expressway will consist of two (2) twenty four (24) foot roadways separated by a seventy four (74) foot depressed median containing four (4) foot paved shoulders adjacent to each roadway. Adjacent to the outside of each roadway, a ten (10) foot paved shoulder would be constructed within a thirty (30) foot graded safety recovery area. The seventy four (74) foot median provides for a future (third) twelve (12) foot traffic lane in each direction, which would result in an ultimate median width of fifty (50) feet. Also included in the design for this project are

The improvement of Maryland Route 177 (Mountain Road) from Maryland Route 2 easterly through the intersection with Maryland Route 648 (Old Annapolis Road). The proposed typical section of the section from Maryland Route 2 to the vicinity of proposed Ramp 'B' provides for two (2) thirty-eight (38) foot urban roadways separated by a sixteen (16) foot raised median. Each roadway will contain two (2) twelve (12) foot traffic lanes, one (1) twelve (12) foot turning weaving lane and a one (1) foot offset to the face of each curb. From the vicinity of proposed Ramp 'B' to Old Annapolis Road two (2) twenty-five (25) foot roadways separated by a sixteen (16) foot raised median will be provided

The reconstruction of Marley Station Road to pass over the proposed Arundel Expressway. The approach road to the bridge structure is approximately 300 feet in length on the east side of the expressway and 390 feet in length on the west side. The proposed typical section provides for a fifty (50) foot urban roadway with a ten (10) foot graded area behind each curb containing a four (4) foot sidewalk. A detour road on the north side of existing Marley Station Road is proposed in order to maintain two way traffic during the construction of the proposed bridge at this location. A temporary sidewalk is also planned in this area

The relocation of Cooper Road from Marley Station Road to Scott Avenue. The proposed typical section provides a thirty (30) foot roadway with a ten (10) foot graded area behind each curb containing a four (4) foot sidewalk

A service road to be constructed on the east side of Richie Highway connecting to Jumpers Hole Road. The proposed typical section provides for a thirty (30) foot urban roadway with a ten (10) foot graded area behind each curb

A new entrance road to the pumping station on Holloway Road. The entrance road will be approximately 1100 feet in length and will be graded fifteen (15) feet in width and paved with a ten (10) foot treatment. Interchanges will be provided at the following locations:

MOUNTAIN ROAD – A half - diamond interchange will be constructed on the north side of Mountain Road in order to provide local traffic with access to the Arundel Expressway to the north.

Maryland Route 100 – Directional ramps will be constructed to provide high speed connections between the Arundel Expressway on the north to both the east and west on Maryland Route 100

Ritchie Highway – A directional ramp (A-2) will be codstructed from Ritchie Highway to the directional ramp (A-3), which leads to the Arundel Expressway. This ramp provides for the direct exchange of traffic from northbound Ritchie Highway to northbound Arundel Expressway

Because of the proximity of Maryland Route 100 and Mountain Road at their intersection with the Arundel Expressway, directional ramps required for traffic southbound on Arundel Expressway to go west on Maryland Route 100 and northbound on Ritchie Highway to go east on diamond ramps required for the Mountain Road Interchange. Southbound a single exit is planned from the Arundel Expressway, and after approximately 800 feet allowed for proper signing, splits into two branches: one ramp (B-1) terminates at Mountain Road, and the other ramp (B-2) intersects Mountain Road and connects to westbound Maryland Route 100. Ramp (B-1) will require the removal of an existing ramp originating at Mountain Road. The turning movement provided by this ramp will be replaced with the construction (as part of a separate project) of the outer ramp in the northwest quadrant of the existing Rte. 100/Ritchie Highway - Maryland Route 100 Interchange

The directional ramp (A-1) for eastbound traffic on Maryland Route 100 desiring to turn north on the Arundel Expressway joins with ramp (A-2) from Ritchie Highway, and with the northbound diamond ramp (A) from Mountain Road and, after a 1500 foot merging distance, connects to the Arundel Expressway as a single lane entrance ramp

Beginning on March 15, 1979, the Design Study Report submitted in support of the construction of design approval will be available for public inspection during normal working hours at the following locations:

State Highway Administration
District No. 5 Office
Patuxent River
Administration Building
Maryland Route 231 in
Calvert County

State Highway Administration's
Glen Burnie Maintenance Shop
Maryland Route 3
Glen Burnie, Maryland

March 7, 1979

PUBLIC NOTICE

The Baltimore City Department of Housing and Community Development has received a request from the owner, A. Scott Renovation, Inc. to be granted the privilege of negotiating exclusively for the redevelopment of the properties located at 401-421 East Baltimore Street and 8-14 Hanover Market Place, within the Municipal Center Urban Renewal Project, plus the Wholesale Fish Market Building and adjacent sites if a replacement for the Market is provided in a new location. The request includes a proposal for the establishment of an arts and crafts center within the Municipal Center Renewal area. The Bernstein Building, located at the southwest corner of East Baltimore Street and Market Place, would be redeveloped as a new headquarters for the Henry A. Knott Remodeling Company. The remaining buildings on East Baltimore Street and Market Place would be renovated into facilities for artists and fabricators of restoration, crafts, and do - it - yourself material and supplies, plus artisan and crafts studios, professional designer offices and creative assembly facilities, as well as ancillary operations of the Knott Company. If available, the Fish Market Building and adjacent property would be renovated into an exhibit center for crafts and an educational facility including classrooms and auditorium.

The Commissioner of the Department of Housing and Community Development will conduct a public hearing on this request at 3:30 p.m. on Wednesday, April 18, 1979, at which time other interested parties may be heard

For further information, contact Mr. Martin Millspaugh or Ms. Carol Doctrow of Charles Center - Inner Harbor Management, Inc. 1444 World Trade Center, Baltimore, Maryland 21202, or telephone (301) 837-0862

By authority of:
City of Baltimore, Department of Housing and Community Development
M. J. Brodie, Commissioner
