PLUS Double Savings Coupons!
ON ALL MANUFACTURERS' MONEY-SAVING

Redeem the manufacturers' money-saving coupons you clip from newspapers and magazines, or receive in the mail, at Acme/Super Saver. When you purchase these items from us we will double the savings marked on the coupons. The offer is good thru March 17, 1979. This offer applies to manufacturers' money-saving coupons only. It does not apply to other stores' coupons whether a manufacturer is mentioned or not, or to "Free" coupons. Cigarettes, milk, tax, lottery tickets and certain other items are excluded by law. This offer is good for the condition stated, except where the total would exceed the value of the item. When double the value of a manufacturer's coupon exceeds the retail value of the item, the refund will be equal to the purchase price of the item.

PLUS Acme Brand Quality Products At Generic Brand Prices!

Anyone can produce a product of lower quality and offer it at a lower price. No-Name Generic Brand products admittedly offer you lower quality at so-called "economy prices." But don't be fooled, it's not the plain packages or cans that cost less, it's simply the quality of the product that goes in them that costs less.

At Acme/Super Saver Markets, we know cutting quality just to give you a lower price is not the way to give you better value. That is why Acme has priced many of its own quality brands at No-Name Generic Brand prices.

You'll find many more of Acme's own brand quality products priced the same as Generic Brands. Just look for the shelf signs, and see for yourself, the price is the same. The big difference is the consistent quality of Acme's own dependable brands.

PLUS 111 Bell Ringer Price Reductions!

Look for our Yellow Shelf Labels for Bell Ringer Price Reduction Specials!

These Bell Ringer Shelf Labels indicate PRICE REDUCTIONS on items you and your family use every day. Plus the Unit Price, that makes it possible to compare the economy of the size of the item being purchased. Also, on every Bell Ringer Shelf Label you'll find a date that indicates the length of time the Bell Ringer Price Reduction is in effect.
