PLUS 110 Bell Ringer Price Reductions

Look for our Yellow Shelf Labels for Bell Ringer Price Reduction Specials!

These Bell Ringer Shelf Labels indicate PRICE REDUCTIONS on items you and your family use every day. Plus the Unit Price, that makes it possible to compare the economy of the size of the item being purchased. Also, on every Bell Ringer Shelf Label you'll find a date that indicates the length of time the Bell Ringer Price Reduction is in effect.

PLUS Acme Brand Quality Products at Generic Brand Prices

Anyone can produce a product of lower quality and offer it at a lower price. No-Name Generic Brand products admittedly offer you lower quality at so-called "economy prices." But don't be fooled, it's not the plain packages or cans that cost less, it's simply the quality of the product that goes in them that costs less.

At Acme/Super Saver Markets, we know cutting quality just to give you a lower price is not the way to give you better value. That is why Acme has priced many of its own quality brands at No-Name Generic Brand prices.

You'll find many more of Acme's own brand quality products priced the same as Generic Brands. Just look for the shelf signs, and see for yourself, the price is the same. The big difference is the consistent quality of Acme's own dependable brands.

AN AMERICAN STORES COMPANY

PLUS Double Savings

ON ALL MONEY-SAVING MANUFACTURERS' **Coupons**

Redeem the manufactuers' money-saving coupons you clip from newspapers and magazines or receive in the mail, at Acme/Super Saver. When you purchase these items from us we will double the savings marked on the coupons. The offer is good thru March 24, 1979.

This offer applies to manufactuers' money-saving coupons only. It does not apply to other stores' coupons whether a manufacturer is mentioned or not, or to "Free" coupons. Cigarettes, milk, tax, lottery tickets and certain other items are excluded by law. During the course of this offer, thre is a possibility of unusual demand for a particular Manufacturer's coupon item. If a Manufacturers' coupon item does become temporarily unavailable, please request an advertised price form "Rainbow Check". This entitles you to "Double Savings" on the Manufacturers coupon items when purchased. When double the value of a manufacturer's coupon exceeds the retail of the item, the refund will be equal to the purchase price of the item.
