Youth Entitlement Activities

During winter and spring months, Dallas F. Nicholas Elementary children perform various academic and custodial duties such as marking papers, cutting out materials for the development of learning stations and making charts. The enrolles also work with many different machines, laminator, duplicator, mimeograph and master-copier.

Some youngsters work with the custodians in the upkeep of the school and school grounds. They clean bathrooms, damp dust shelves, tables and chairs and assist with the vacuuming and mopping.

In the summer and early fall months, neighborhood beautification is the main objective.

The boundaries are North Avenue and 25th Street on the South and North, respectively and Greenmount Avenue and Calvert Street on the East and West.

The boys and girls with
