FAMILY REUNION

On September 1, 1979, the Hammond, Holland and Marshall family celebrated their first annual family reunion at the Westowne Elementary school in Catonsville, Maryland.

The event was marked with all day picnicking and a program that included a brief family history; a poem written and dedicated to the older members of the family by Batin Rasulullah was read.

A Family Parade included ten bathing beauties depicting the root names of the family.

These included Hammond, Marhsall, Holland, Massey, Allen, Greene, Williams, Anderson, Cornish, and Wallace, of which the oldest member present was awarded a certificate.

These were as follows;

Hammond — Eleanor Jones of Balto., Md.

Holland

Massey — Eleanor B. Anderson of Balto., Md.

Massey — Eleanor B. Anderson of Balto., Md.

Allen — Vivian Humphries of Balto., Md.

Marshall — Eleanor of Jones of Cat., Md.

Greene — Connie Leannard of Balto., Md.

Anderson — Pathena B. Anderson of Greer, S.C.

Cornish

Wallace — Helena Hull of Balto., Md.

Also as part of the program were a modern dance trio, family disco band and a trio singing "We're A Family." The event culminated at the Howard Johnson's Motor Lodge where the entire family was entertained in Disco by George Allen Jr. of Catonsville, Md.

Unlike most events of this nature, the children of the family were also present at the Disco, but in a separate room. There was a span of over four generations.

The sixtieth wedding anniversary of Mr. & Mrs. George Tyler announced to be celebrated in Mt. Airy.

Among those from out of town present were Azaria N. Anderson of San Jose, California, John M. Anderson of Palo Alto, California, Miss Pathena Anderson of Greer, S.C.; Others came from Pennsylvania, Washington, D.C. and Havre de Grace. The event was supported by over 150 family members and numerous life - time family friends.

BG and E to increase natural gas charges

The Baltimore Gas and Electric Co. said it will charge its 500,000 natural gas customers an additional 20 percent by November to recapture an increase in its costs.

Utility spokesman Charles J. Franklin Jr. said the increase will reflect higher prices it expects to pay to its sole supplier, the Columbia Gas Transmission Corporation.

Franklin said the increase would raise the average residential customer's bill about $5.64 per month, but would be partly offset for the first year because Columbia has been ordered to refund an average $1.41 per month.

Commercial customers will pay between 20 and 25 percent more for gas and industrial customers will pay about 33 percent more, Franklin said. Franklin said Columbia has filed a rate increase request with the federal Energy Regulatory Commission. Columbia can automatically pass on the increase if the commission does not act within 30 days, which Franklin said invariably happens.

Columbia would be forced to refund the money if the commission later denied the increase.

Franklin said the increase was caused in part by the phased decontrol of wellhead gas prices. Decontrol was designed to encourage companies to produce more natural gas.

He said BG and E expects to have plenty of gas for the coming winter.

"The gas supply outlook has improved substantially," he said. "For the first time since 1974 we are accepting new gas customers."

Franklin said the supply improved because Columbia is receiving gas from Algeria, which has increased supplies by about 10 percent and because customers have been conserving energy.

He said Columbia recently lifted restrictions on the amount of gas it permits BG and E to buy.

The School's May Ball, at which a queen is chosen according to the highest amount of money raised by a contestant during their competing period from October through April as a real winner. It is not merely a lovely affair.

The monies raised are a welcome part of the Masonic program, for they make possible the campership, the building fund, which in the near future will help in the erecting of a new Masonic Temple, and for possible scholarships, as well as for the campership party.

Streetcar Museum closed

As a result of extensive flood damage caused by Tropical Storm David, the Baltimore Streetcar Museum will be closed indefinitely.

Three to four feet of water flooded the Museum's property in the 1900 block of Falls Road. Extensive damage was done to the displays and merchandise in the Visitors Center, and the carhouse containing the Museum's streetcars was damaged as the water made its way inside.

Dr. and Mrs. Carter leave Monday for stay in Rome

Dr. Harold A. Carter, pastor of New Shiloh Baptist Church, will fly to the Republic of Italy, Monday, Sept. 17 where he will conduct a two - week Evangelism Campaign in the northern city of Turin. Accompanied by his wife, Dr. Wetanomah Carter, he will also visit Rome.

A confederation of Baptists under the leadership of Rev. Paulo Spanu, heard Dr. Carter address European Baptists in an evangelism and education conference that met in Zurich, Switzerland one year ago.

The conference met at the Ruschlikon Theological Seminary where Dr. Carter attended as a member of the Worldwide Baptist Congress whose headquarters is in Washington, D.C.

As a member of the Committee on Evangelism, Dr. Carter spoke, and his message caused several countries to approach him about leading evangelistic crusades among their people.

The Italy Crusade is one of those developments.

The coordinator of the crusade, Rev. Paolo Spanu has stated that the theme of the crusade will be "The Bible As Word of Liberation".

The doctrine of personal salvation through Jesus Christ will be strongly emphasized during the meetings.

Locally, Dr. Carter pastors 78 - year old New Shiloh Baptist which is a strong leader in radio evangelism, food evangelism, scholarships to all college and university students, and is noted for its Saturday Church School Program.

The Saturday Church School Program is an innovative program of doing traditional Sunday School work on Saturdays augmented with academic and vocational courses.

Recently New Shiloh was honored to be one among some 20 churches in a published study, "Models of Metropolitan Ministry" by B. Carlisle Driggers, whose publisher is Broadman Press, Nashville, Tenn. The book can be acquired through the publisher or the church.

Dr. Wetanomah W. Carter, who shares in the Radio Ministry as coordinator of public outreach, will also join him in the evangelistic campaign in Italy.

Dr. Wetanomah Carter

Dr. Harold A. Carter

Dr. Carter's role in his appearances in Italy is an important one since he will be presented as a former collaborator of Martin Luther King, a man who has inspired so many people in Italy and is a good example of a Christian man who did not bend in front of gigantic oppositions.

A spokesman for the Italy Evangelistic Committee informs Dr. Carter:

"But we expect from you an even more important role. During the week previous to the meeting in the public square, we shall have evening meetings for our Baptist Churches, and we would be privileged to have you as the main speaker.

"These will be meetings of "revival" and of rededication for all those who will come.

We expect from you a strong appeal for the renewal of our Christian lives, oriented toward evangelism and personal witness.

I shall never stress enough our great need to have opened up for us a wider vision of our Baptist involvement in evangelism and in strong Christian living.

To sum up your role, therefore, you would give five messages to our churches during the week of Sept. 17 - 21 and two public addresses in the period of Sept. 24 - 30.

You and your wife will be our guests here in Turin during the campaign and should you decide to spend here a few days of rest as visitors, we will be most pleased to have you.

I shall be your interpreter both for the revival week and the public meetings.

It would also be useful to have the text and music of your songs, so that we can print them with translations to be distributed to those who will come to our meetings.

If you need a piano or guitars to accompany your singing, please let me know at your earliest convenience.

If you and your wife want to stay on here in order to visit this historic part of our country, I shall be delighted to be your guide.

I hope you will also have an afternoon to meet with the Baptist ministers of the Piedmont region — some of us, too, need encouragement and vision.
