NOTICE OF LETTING

Baltimore, Md.
DEC. 7, 1979

Sealed proposals, in duplicate, addressed to the Board of Estimates of the Mayor and City Council of Baltimore and endorsed: "PROPOSALS FOR TEMPORARY ROOF REPAIRS, ORCHARD BUILDING AREA, 300 ORCHARD STREET, ORCHARD STREET CHURCH, COMMUNITY DEVELOPMENT BLOCK GRANT V, JOB NO. R-47-79" will be received at the Office of the Comptroller, Room 204, City Hall, Baltimore, Maryland, until Wednesday, Jan. 2, 1980, 11 o'clock A.M. Eastern Standard Time (positively no bids received after eleven o'clock A.M.) and at 12 o'clock noon on said date, they will be publicly opened and read by the Board of Estimates in Room 214 in Said City Hall.

A certified check of the bidder or a bank cashier's check or bank treasurer's check drawn on a solvent clearinghouse bank made payable to the Mayor and City Council of Baltimore or a bid bond executed on the form as provided in the Bid or Proposal for an amount which is determined by multiplying the total bid submitted by five percent and running the result to the next highest five hundred dollars ($500.00) or certification of a valid annual bid bond on file with the Department of Finance will be required with each bid.

The successful bidder will be required to give bond in the amount called for in the specifications.

Drawings, specifications and other contract documents may be obtained at the Office of the Commissioner of the Department of Housing and Community Development, Room 220, Saratoga Street Municipal Building, 222 East Saratoga Street, Baltimore, Maryland, on and after Dec. 14, 1979 upon deposit of a check made payable to the Mayor and City Council of Baltimore, in the amount of Fifteen Dollars ($15.00), which amount will not be refunded. CASH WILL NOT BE ACCEPTED.

The Board of Estimates reserves the right to reject any and all bids and/or to waive technical defects as it may deem best for the interests of the City.

Bids, when filed, shall be irrevocable.

Attention of bidders is called to the fact that no less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project and that the Contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin in consideration for an award.

It is a goal of the Maryland Department of Transportation that minority business enterprise participate in ten percent (10 percent) of the total value of prime contracts in excess of $100,000.00.

The Maryland Port Administration reserves the right to reject any and all bids, and - or to waive technical defects, if, in its judgment, the interests of the Maryland Port Administration so require.

Specifications, proposals and all other information may be obtained at the office of the Director of Engineering, Nineteenth Floor, The World Trade Center Baltimore, Baltimore, Maryland 21202, upon the receipt of a check in the amount of Twenty Dollars ($20.00), made payable to the Maryland Port Administration, which sum will not be refunded. Cash will not be accepted.

Any bid received after the time and date specified shall not be considered. A bid may be withdrawn by written request, submitted to the Maryland Port Administration prior to the scheduled time for opening of proposals, or authorized postponement thereof. No bidder may withdraw his proposal after the scheduled time of opening.

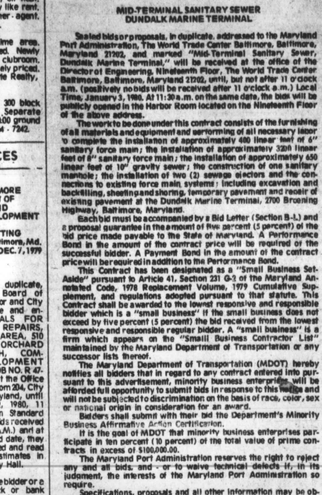
IS PROPOSING
TO RECONSTRUCT
PENNINGTON AVENUE FROM
ORDNANCE ROAD TO
VICINITY OF
CURTIS AVENUE AND BIRCH STREET
BC 256-7-015
F.A.P. No. M-2001(3)



This 0.6 mile reconstruction widening and channelization will complete the improved access system through the Curtis Bay area. The project is listed in Baltimore City's five year capital improvement program with construction funds allocated for fiscal 1979. However construction activity is projected beyond the program period because of time required to complete project design and right-of-way acquisition.

The project has Federal Highway Administration concurrence as a Non-Major Action, in accordance with volume 7, Chapter 7, Section 2, subsection 10.E.3 and 10.E.5 of the Federal Highway program manual, an Environmental Impact Statement is not required.

The proposed action will provide four 12 foot traffic lanes, two 12 foot parking lanes and a 15 foot median. The new bridge will be constructed to replace the deteriorated and undersized existing structure over Cabin Branch, at the northern terminus, the proposed north bound roadway will sweep eastward to align with Curtis Avenue; thereby eliminating the two right angle turns required of north-bound traffic.

PURPOSE

Location approval has been received from the Federal Highway Administration. The purpose of this notice is to afford interested persons the opportunity to request that a design public hearing be held.

Written requests for the opportunity to be heard at a public hearing may be addressed to Mr. William K. Heilman, 3rd floor, 222 North Charles Street, Baltimore, Maryland 21218 until January 7, 1980.

Beginning on December 7, 1979 a copy of the Environmental Assessment Form and Supplemental Report will be available for public inspection during normal working hours 9:00 a.m. to 4:00 p.m., Monday through Friday 2nd Floor, 222 North Charles Street, Baltimore, Maryland 21218.

Trench Tunnel Contract

This is the actual trench tunnel work of the project and is on the critical path for construction of the project. Its major constituents are the off-site work of tube fabrication and outfitting and the on-site work of dredging, tube placing, backfilling and construction of a disposal site. It also includes the relocation of a 48-inch water main crossing the tunnel alignment, the demolition of surface structures and utility, railroad and street relocations (both temporary and permanent) on the east riverside, and the demolition and restoration of an existing berth coincident with the project. Work also to be included in the Trench Tunnel contract is minimum interface problems among contractors. During the outfitting, all necessary embedded items, i.e., electrical conduits, drainage pipes, heat tracing elements and pull boxes, will be included.

It should be noted that the available documents are tentative and are NOT for bidding purposes. Based on current scheduling, the project would be advertised for construction bids in January 1981 for approximately an eight week period.

At the time of bidding, all contractors and subcontractors desiring to bid on, or sub-contract for work under the jurisdiction of the Interstate Division for Baltimore City will be required to be prequalified with the Department of Public Works, City of Baltimore.

At the time of bidding, IDBC will affirmatively insure that in any contract entered into pursuant to an advertisement, minority business enterprises will be afforded full opportunity to submit bids in and will not be discriminated against unthe grounds of race, color, or national origin in consideration for an award.

the student will need unlimited testing time, it will require that tests be administered orally.

To help blind students cop up with their tables, tests and other required readings are taped. For the visually impaired, any necessary aiding is done and notetakers are assigned.

For students with a hearing disability, a LOOP an electromagnetic induction system, is used. The machine allows the student to hear the instructor, who wears a microphone, from any corner of the classroom.

Tutors are assigned to students with specific learning disabilities (LSD). Other disabilities such as cerebral palsy, muscular dystrophy, epilepsy, sickle cell anemia, multiple sclerosis, polio, and arthritis are also handled.

In October, 1978, after several of the students said they wanted jobs, four were successfully employed under the College Work Study funding.

Energy tips

Do as much household cleaning as possible with cold water. Some cleaning products are actually designed to work better in cold water.

Americans use more than 30 times the energy they used 100 years ago but the population has increase only sevenfold. This means that each American is using about four times more energy than his great grandfarents.

When doing the family wash, separate drying loads into heavy and lightweight items. Since the lighter ones take less drying time, the dryer doesn't have to be on as long for these loads.
