HARFORD COUNTY, MARYLAND
DEPARTMENT OF PROCUREMENT

Request for Qualification Statements for Consulted Services for Water Quality Study of Bush River

Harford County, Maryland, Department of Procurement, is inviting written statements of Qualifications from consulting firms to perform a water quality study of the Bush River located on the upper Chesapeake Bay. The study will include sampling, monitoring and analysis of water quality in a ten (10) mile long tidal estuary. Included in the qualifications statement should be an example of a water quality study that is representative of the firm's capability.

Statements of Qualifications will be received by the Department of Procurement, 45 South Main Street, Bel Air, Maryland 21014 until the close of business (4:30 p.m.), February 22, 1980. Statements of Qualifications should be entitled "Statements of Qualifications for Water Quality Study of Bush River."

The Statement of Qualifications shall include as a minimum the following information. The information shall be prepared on Standard Form 254 and 255.

1. Description of specialized experience and technical competence of the firm and its personnel in connection with the type of service required.

2. Description of firm's past record of performance of contracts involving this type of work.

3. Description of the ability of the firm to perform the work within time available considering the firm's current and planned workload.

The proposed work will involve the purchase of Parcels 42 and 44 from the present owner, Highway Supply Company, Howard County, Maryland. The County will then initiate action to improve the site consisting of providing the two parcels and providing parking spaces for approximately thirty (30) vehicles, provisions for ingress and egress to the property and landscaped. No persons, families or business will be displaced. The proposed site improvements will not have a significant environmental impact upon the area.

Any contract awarded as a result of this request for qualification statements is expected to be funded in part by a grant from the United States Environmental Protection Agency. The procurement will be subject to regulations contained in 40 CFR 35.936, 35.937 and 35.939. Neither the United States nor the United States Environmental Protection Agency is nor will be a party to this request or any resulting contract.

This request and any ensuing contract is subject to all laws and requirements of the State of Maryland, Harford County and its agencies, as well as to the pertinent provisions of Part 35 of Title 40 of the Code of Federal Regulations.

The negotiated contract will be a cost reimbursement type based on a cost ceiling and fixed dollar profit contingent on all work being performed.

Consultant must fully comply with the requirements, terms and conditions of the U.S. Environmental Protection Agency, Region III, Minority Business Enterprise requirements and Harford County's Minority Business Enterprise Program, including goals for minority business participation during the performance of any resulting contract. Consultant will appoint a company executive to assume the responsibility for the implementation of such requirements, terms and conditions.

Harford County reserves the right to evaluate the Statements of Qualifications received, waive any irregularities therein, select firms for submittal of proposals and - or reject any and all firms that submitted Statements of Qualifications should it be deemed in the best interest of the County.

Selected firms will be notified in writing and furnished a Scope of Services for submission of a technical and cost proposal. Inquiries regarding this request for qualification statements should be directed to James L. Albert, Project Engineer, Department of Public Works, 20 N. Main Street, Bel Air, Maryland 21014.
