REV. PARSON

Coming within sight of the city, he wept over it and said, "If only you had known the path to peace this day, but you have completely lost it from view." Luke 19-41.

Why is Christ weeping? He is weeping for His Land, His city, His PEOPLE! His friends, and for you. How can I stop Him? What must I do?

Training institute planned for women

Two national political campaign techniques training institutes— one for women judicial candidates and one for black, Hispanic, Asian Pacific and native American women have been scheduled on consecutive weekends in April in Overland Park, Kan., by the National Women's Education Fund (NWEF), according to NWEF Executive Director Rosalie Whelan.

The institute for judicial campaigns is scheduled April 11-13 at TWA Breech Training Academy, Overland Park, Kan. (Kansas City metropolitan area).

The newly-formed National Association of Women Judges is cooperating with NWEF in this campaign techniques institute.

The specialized techniques institutes for black, Hispanic, Asian Pacific and native American women is to meet April 18-20, also at Breech Academy.

Colorado State Sen. Polly Baca Barragan and Tennessee State Rep. Lois DeBerry, chair of the National Association of Black Women State Legislators, are co-chairing a program advisory committee for the specialized techniques program.

"Both institutes are a part of the NWEF continuing political skills training program for women, emphasizing the unique aspect of women's candidacies as well as those techniques basic to every campaign." Whelan said.

"They are open to women who expect to participate in political campaigns as candidates, campaign managers or responsible staff members. Institutes are presented by national and regional campaign experts, including women who, themselves, have run for public office."

A $100 fee covers room, board, tuition, and materials for each institute. Applications for registration, limited by space available, can be obtained from NWEF, 1410 Que St., N.W., Washington, D.C. 20009.

A limited amount of financial aid is available, on basis of need. Aid applications can also be obtained from NWEF.

NWEF is a national, non-partisan, not-for-profit organization established in 1972 to increase the numbers and influence of women in public life.

Previous regional campaign techniques institutes and management seminars have included more than 700 participants from 34 states.

The two 1980 campaign techniques institutes have been funded partially by grants from the Charles H. Revson and Muskiwinni Foundations of New York.
