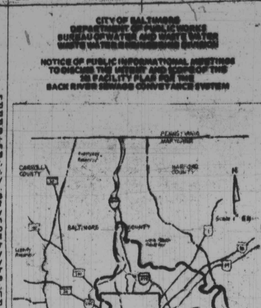
DEPARTMENT OF PUBLIC WORKS
BUREAU OF WATER AND WASTEWATER
WASTE WATER MANAGEMENT

NOTICE OF PUBLIC INFORMATIONAL MEETINGS TO DISCUSS THE PROPOSED 201 FACILITY PLAN FOR THE BACK RIVER SEWAGE CONVEYANCE SYSTEM



The City of Baltimore is initiating the preparation of a Facility Plan to examine the performance of the existing Sanitary sewerage system conveying waste water to the Back River Waste Water Treatment Plant and to demonstrate the need for extensions and improvements to the system.

The area to be studied is designated the Back River Planning Area and is outlined on the accompanying map. The area includes the northern and eastern portions of Baltimore City, the eastern portion of Baltimore County to the Gunpowder Falls and the northern portion of Baltimore County to the vicinity of Cockeysville.

An advisory committee will be formed jointly by the City of Baltimore and Baltimore County. This committee will consist of citizens, representatives of public interest groups, public officials, and citizens or representatives of organizations with substantial economic interest in the plan. It is anticipated that this committee will be subdivided into several task forces concerned with the planning in specific drainage basins. There will also be an executive committee which will consolidate the positions taken by the task forces. It is intended that the advisory committee will assist local elected and appointed officials involved in the decision making process by making recommendations on the important economic, social and environmental issues. The committee also will assist in constructive interchange among the various interests present on the group and thereby enhance the prospect of community acceptance of the plan.

In addition, the City of Baltimore will hire a full - time Public Participation Coordinator, who will coordinate public activities, arrange meetings, distribute information, and provide a contact for the public.

Private citizens and organizations desiring to be considered for membership on the advisory committee should send a letter of interest before April 5, 1980 to

Public Participation Coordinator
Room 306 Municipal Office Building
Baltimore, Maryland 21218

In order to provide convenient access to the Public Informational Meeting for interested citizens in the large drainage study area, separate meetings are scheduled from 7:30 to 10:30 p.m. at the following locations:

APRIL 17, 1980
PATTERSON SENIOR HIGH SCHOOL
100 KANE STREET
BALTIMORE, MARYLAND 21224

APRIL 24, 1980
LOCH RAVEN SENIOR HIGH SCHOOL
CROMWELL BRIDGE RD. & COWPENS ROAD
TOWSON, MARYLAND 21204

Representatives from the City City of Baltimore, Baltimore County, Environmental Health Administration, Water Resources Administration, Environmental Protection Agency and the consultant will be present to discuss the intent and scope of the Facility Planning Process, answer questions, describe participation activities, and receive information and ideas from the public.

All interested citizens are cordially invited to attend and participate in either or both of the meetings.

At least 30 days prior to the date of the meetings the following documents will be available for public use at City County public libraries in the planning areas.

"Fact sheet for the Back River Sewerage Conveyance System
201 Facility Plan, Metropolitan Baltimore Region, Maryland, February 5, 1980"
Public Participation Work Plan Back River Conveyance System
201 Facility Plan, November 29, 1979 "
"Citizens Guide to Facility Planning, February 1979"
"Public Involvement Activities Guide, February 1979"

Sealed bids or proposals for the State Aviation Administration and Systems at Baltimore Washington International Airport as prepared in Contract No. SAA-5AV-041 will be received at the Division of Facilities Maintenance of the State Aviation Administration as described in the contract specifications. The term of the contract is for eighteen (18) months.

Plans Specifications and other Contract Documents may be examined without charge at the Office of the Division of Facilities Maintenance at the State Aviation Administration Office, Central Terminal Third Floor Baltimore-Washington International Airport and copies thereof may be obtained upon payment of the sum of TEN DOLLARS ($10.00) in the form of a check made payable to the "State Aviation Administration." This payment will NOT be refunded.

Each bid must be accompanied by bid bond (Section 1), Bidders Affidavit (Section M) and a Proposal Guarantee in the amount of five percent of the Contract Price in the name of the "State of Maryland". A Performance Bond in the amount of the Contract Price will be required of the successful bidder. A Payment Bond in the amount of the Contract Price is required in addition to the Performance Bond. Attention is called to the recent enactment of Chapter 872 Laws of Maryland 1979 which does not require a "Proposal Guarantee", Payment Bond or Performance Bond if the Bid Price and resultant Contract Price is less than $25000.

No bids may be withdrawn after the scheduled closing time for receipt of bids for a period of sixty (60) calendar days. The bidder must supply all the information required by the Bid or Proposal forms.

Attention of bidders is called to Chapter 802 Laws of Maryland 1977 which places a requirement for disclosure of certain beneficial ownership interests to the Secretary of the State of Maryland. It is the bidders responsibility to familiarize himself with the requirements of this new law.

It is the policy of the Administration that small and minority business enterprises shall have the maximum practicable opportunity to participate in the performance of this successful Contractor agrees to use his best efforts to carry out this policy consistent with efficient performance.

The State Aviation Administration reserves the right to reject any and all bids and - or waive technical defects if in its judgement the interests of the Administration may so require.
