Growing long nails comes naturally at Jacquie's Place

By Portia E. Badham
AFRO Staff Writer

You've always wanted lovely, long nails but growing them always seemed hard to come by.

They would split, chip and peel and just never seemed to get long enough to really be stunning.

Well, Jacquie's Place, a nail care salon could be the answer for you if you've got patience, power and are strong enough not to cry when you lose what you think maybe okay nails.

At Jacquie's natural nail growth is stressed and no chemical treatments are used. Instead, your nails are treated with proteins and cremes that start your nails back on the road to recovery.

Individual care is given to each client who has her nails analyzed and is given a specific program including how long it will take to grow healthy nails. Usually the process takes from 10 to 14 weeks depending on the amount of damaged areas.

"Everyone can grow nails," says owner Barbara Mittleman who sports 10 long gorgeous squared nails.

"We square our nails because it gives the nail more strength. When they're square they won't break as easily," she said.

The program includes, first, removing the tartar buildup with a glass lens and cutting the nails back to remove all damaged areas.

Jacquie's features 11 types of proteins that are used in the program. Each week the client is given a manicure which includes a relaxing 10-15 minutes in heated gloves to prevent dryness of the hands and nails.

"Most products on the market are not individualized," says Ms. Mittleman. "What might work on one person may not be good for another. At Jacquie's everyone has his or her program."

Clients at Jacquie's which has been open in Pikesville for 16 months, range in age from 12 to 70 according to Ms. Mittleman.

She says doctors have even sent patients with nail problems to her and in most cases she's been able to solve the problems.

While most of the clients start out at Jacquie's with nails that have been cut back, they soon see the results of the treatment and can show off long strong nails.

For parents

Parenting Without a Partner is the topic to be addressed at a free program offered at the Woodlawn Branch of the Baltimore County Public Library on Tuesday, April 28, at 7 p.m.

Dean Dorothy Siegel of Towson State University will lead discussion and present an informative video tape on the subject of parenting alone.

Free registration for the program begins on April 14. The library will also provide child care during the program if needed.

To register, call 265-7766 or visit the branch located at 1811 Woodlawn Drive, on the grounds of the Woodlawn Senior High School.

While serving as a driver for the District, Grant amassed a number of records. He has driven over 2,100,000 miles without a moving violation or a parking ticket.

For these accomplishments he has been given 30 safe driving awards through the years.

In addition to his safe driving, Grant has an amazing attendance record. During his 30 years service he has never reported to work late and has never taken a day of sick leave. As a result he has accumulated 3,070 hours of sick leave and received recognition for his service in the form of 40 outstanding or superior performance ratings during his career.

Looking back over the years Grant noted that four of the 10 district engineers he has driven for have gone on to become generals. He has seen the Baltimore District grow from 900 employees in 1954 to nearly double that number in 1981.

The Grant Family is going to retire in Baltimore, entertain their friends and travel whenever they get the urge. Grant put it this way, "I am going to take it one-day-at-a-time and enjoy retirement."

The Baltimore AFRO-AMERICAN NEWSPAPERS will help you honor your mother with a special MOTHER'S DAY TRIBUTE page on Friday, May 8th. With this thought in mind, we are taking this opportunity to suggest the publication of one of her fallow-up verses or any similar poem of your choice. Pictures (black & white preferred) may be used at a small additional cost. DEADLINE IS 3 P.M. FRIDAY, MAY 1st.

MOTHER'S DAY VERSES

1-M
Today is Mother's Day, dear mother,
A present we always did give
But God has taken you far away
To a much better place to live.
You were such a wonderful mother,
So kind, unselfish and true.
Our greatest possession, dear mother,
Was no one — other than you.

2-M
The white carnation that I wear
Is just a part of the respect,
I have for you dear mother,
And I never will forget.
For you were mine and I remember
The trials you pulled me thru,
The white carnation that I wear
Dear Mother, is my love for you.

3-M
On this Mother's Day, Mom, dear
Remembrance sheds another tear/
An etched spot/ love's window pane
I see your smiling face again
My heart's grief years limb no relief
Yet hope is not beyond belief.
That we will clasp each other's hand
Somewhere, sometime — we'll understand.

4-M
On Mother's Day, the world becomes
The prettiest kind of place.
And thoughts of you enrich each hour
To give it added grace.
The flowers I place upon your grave
The clouds against the blue
Seem brighter than they were before
Because I'm forever thinking of you.

5-M
A tribute of everlasting love
For all that you have done
We know that God has given you
The rest that you have won.

6-M
If you could just be here with me.
Of I could be there with you.
And we could chat of this and that
And the things we used to do.
Wouldn't it be wonderful,
Wouldn't the world seem gay
And wouldn't it be grand to be
Together, this Mother's Day

7-M
Mother's Day brings back memories
Of wonderful times we knew.
A Family Day together
For then dear, we had you.
And all these recollections
Of the happy days long gone,
Bring sadness and a heartache
As Mother's Day morning dawns.

8-M
What is home without a mother?
All things that world may send;
But when I lost my darling mother,
I lost my dearest friend.

9-M
In all the world there is no other,
To take the place of our precious mother
The first love, we know;
The last we forget.
The love of Mother, the sweetest love yet.

10-M
Dear Mother, on this Mother's Day
What words can we impart
That would tell the true devotion
We have within our hearts.
No words can tell love's message
But this we know is true:
There's no one like a mother,
No mother quite like you.
