Billy Graham

"One moonlit night more than forty years ago Billy Graham knelt alone under the Florida sky.

In a quiet prayer of submission that no one but God could have heard, he dedicated his life to a ministry of service.

From that humble beginning God granted Billy Graham a ministry that has taken him to every corner of the earth.

Yet he does not think of himself as a great evangelist. He considers himself a servant used by God to speak to the needs of people everywhere.

Dont miss this opportunity to be served by Billy and his Team. Make plans now to attend the crusade. All seats are free. Come and take yours to a new beginning.

He Has Been Called The Greatest Evangelist In History. But He Considers Himself A Servant.

The Greater Baltimore Billy Graham Crusade.

BILLY GRAHAM — "Our Team has accepted the invitation of a broad cross - section of the churches in your community to lead an evangelistic Crusade. We come to your city as servants of the churches, praying that two things will happen, among others: . . . . That the Gospel will be preached in the power of the Holy Spirit . . . and that the church itself will be renewed. I am asking you and your church to become involved in this united witness of presenting Jesus Christ as Saviour and Lord . . . and calling people to surrender their lives to Him. God bless you as you become involved."

Dr. Ralph Bell

Dr. Ralph Bell has been an associate evangelist with the Billy Graham Team since 1963.

He comes to the Graham ministry from a very successful pastorate and work among people in jails, prisons and juvenile halls.

Dr. Bell holds crusades in countries abroad as well as the United States.

In 1964 - 65 he was the host for his own TV ministry sponsored by the Billy Graham Evangelistic Association entitled, "Soul Free."

Dr. Bell is author of a book by the same title.

Much of Dr. Bell's ministry during the time Billy Graham is in town, centers around churches, prisons, jails and detention homes.

On numerous occasions he has been accompanied by Jimmy Mamou who was recently in Baltimore during high school assembly and prison ministries in preparation for the Crusade.

Myrtle Hall

Myrtle Hall was trained at the Juilliard School of Music in New York City.

She has sung on national television many times in the last 11 years.

Judging from the mail received at the Billy Graham headquarters in Minneapolis, Minn., she is increasingly popular with the viewing audiences who watch Billy Graham Telecasts.

Presently, Myrtle Hall is singing at Billy Graham Crusade meetings and is featured as a soloist at all of Dr. Graham's major Crusades. Myrtle was the featured soloist at the Mayor's Prayer Breakfast, this morning, Friday.

Jimmy Mamou

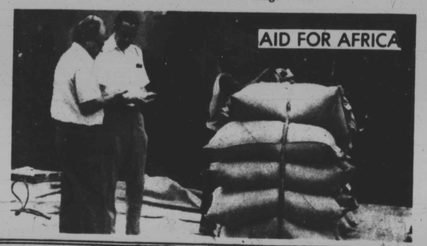
Jimmy Mamou ministered in high school assemblies and prisons while in Baltimore.

Evangelist, gospel, recording artist, husband and father, Jimmy Mamou worked his way up the ladder of success to Las Vegas where he entertained at the Thunderbird Hotel. The price of fame took its toll on his life. Drugs, immorality and craze for fame led him on a downhill road.

He learned the hard-way that once you reach the mountain-top there is nothing there.

His emptiness and disappointment led him into drugs. On his deathbed, after an overdose, he cried out to a God his mother had told him about as a child.

Through a stolen Gideon Bible he met the person of Jesus Christ and was transformed into a child of the King.



Financial policy

Dr. Billy Graham receives no remuneration from the Crusade.

He is paid an annual salary by the Billy Graham Evangelistic Association with headquarters in Minneapolis, Minn. expenses of other team members are prorated to the time spent in the Baltimore area. Apart from this and some printed material, the entire budget will be disbursed in this area.

The Greater Baltimore Billy Graham Crusade has been organized in accordance with the State of Maryland requirements and expressly for this Crusade. It is entirely responsible for the subscription and expenditure of all Crusade funds and is organizationally separate and completely apart from the Billy Graham Evangelistic Association, Inc.

All donations are income tax deductible.

A complete post - crusade audit will be made by a local accounting firm, and the audit statement will be published in the local press with additional copies available upon request.

James Davenport

James Davenport, co-chairman of the laymen's committee, states, Many of us are asking serious questions about the quality of life today. Those of us who are closely tied to the inner cities look at our young men and women and wonder where did it all go wrong.

"Regardless of the progress we make technologically and scientifically there remains a great deal of decent and violence in the world. We now realize more than ever that the root of the problem has little to do with lack of money or education but the lack within the person.

The make - up of the world has remained relatively the same but people have changed. They lack a relationship, most of their forebearers had with God.

When you know God, you know who you are and you live life with purpose. When you know who you are and your purpose, you can identify with other's compassionately.

A relationship with God brings spiritual perspective and concern for moral values.

The Crusade will share with people, many of whom do not normally attend a church on Sunday, the Good News, that God Loves Mankind and that he has a plan to give man peace and life, abundant and eternal.

Rev. Norman Sanders

Rev. Norman Sanders arrived in Baltimore from Reno, Nevada where served as Resident Crusade Director for the Greater Reno Billy Graham Crusade.

Rev. Sanders has been in Baltimore since December of 1980. He has been working in various capacities with the Crusade ministry.

He is presently serving as Associate Crusade Director, under the leadership of the Rev. Elwyn Cutler, Crusade Director.

While in Baltimore he has been speaking and working with ministerial groups as well as teaching Christian Life and Witness Classes.

His vision for Billy Graham's ministry in this city is for God to be glorified and that Christ would be magnified through this Crusade.

It is the number one priority of the evangelistic Crusade to awaken and equip the existing manpower of the area.

A significant and effective impact could be made upon delinquency, the racial problem, the inner city situation, and the untouchables of our society.

Dave Driver retires in style

By Pattie Hodges,
AFRO Women's Editor

A truly splendid affair was the retirement celebration held on Thursday, May 21 at Martin's Northpoint Gardens in honor of David S. Driver who retires from the Baltimore County School System at the conclusion of this school year after 38 years of service.

Known as Patapsco's "dean of principals," Driver, who was reared in the Back River Neck section of Baltimore County, has been noted throughout the years for his teaching and administrative excellence.

His credo has been: "The ingredients of a good education program are in teaching students to think and to develop necessary skills required to live successfully and happily."

This philosophy has carried him through the ranks from teacher at Sulphur High School (Eastern Shore) to principal of Benjamin Banneker where he served for 14 years.

He set a precedent as the first black assistant principal of the all - white Golden Ring Junior High.

Driver ends his career in education as prinicpal at Patapsco Senior High on a high note — with much praise from not only the staff members at schools where he has served but from parents within those school communities and his superiors as well. At his retirement dinner headed by many friends, co - workers, the welcome and toast were given by Ann Cymek, retirement celebration committee chairperson and the invocation and benediction by the Rev. Joseph F. Barr, associate pastor, Church of St. Matthew.

During dinner, music was provided for the last half hour by the Jazz - Rock Ensemble, which played "Night Train" and Mood Indigo."

Master of Ceremonies for the occasion was David Greenwood, principal, Catonsville Jr. High School.

Remarks of commendation from the Baltimore County School Board were given by Roger G. Hayden, president, Board of Education, and reminiscences "The Early Years" were done by J. Thomas Cunningham, asst. principal, Loch Raven Jr. High School.

During the musical interludes, Debbi Thorne and Ray Leone sang "Yesterday I Loved You," Ray Leone did "All Good Gifts" and Debbi Thorne did "The Way We Were" as a musical finale. Doug Brown was accompanist.

Ober remarks commending the honoree were given by Robert Y. Dubel, superintendent, Baltimore County Public Schools, Vaughn Weimer, principal, Pikesville Sr. High School, whose presentation was titled "The Golden Ring Experience" and Anthony Wicks, Area Personnel Specialist, Northwestern Area, who spoke on "The Patapsco Years."

Special presentations were made by Ms. Cymek.

Driver, who received many lovely gifts, was presented a huge photograph of himself. He thanked all graciously, acknowledging the special people and times during his career.

His wife and grandson Eric, were on hand for the celebration.

On the Jazz - Rock Ensemble were Paul Keegan, Dale Kelly, John Knopp, Paul Vangosen and Ken Wheeler.

Retirement celebration committee members were Ann Cymek, chair; Ray and Jean Gieser, David Greenwood, Ron Hammond, Barbara Hinkelman, Clara Jablonski, Helen Lassen, Charlotte Locklear and John Smeallie, in charge of music.
