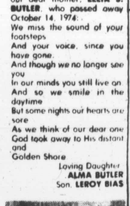
In Memoriam

BUTLER - In loving memory of our dear mother, **LELIA S. BUTLER** who passed away October 14, 1974.
We miss the sound of your footsteps
And your voice, since you have gone.
And though we no longer see you
In our minds you still live on.
And so we smile in the daytime
But some nights our hearts are sore
As we think of our dear one
God took away to His distant and
Golden Shore
Loving Daughter
ALMA BUTLER
Son **LEROY BIAS**



CREW - In loving memory of our dear one **RALPH CREW** who passed away October 15, 1972
Today our hearts are heavy
Our thoughts are all of you
If we had seen you to the last
And held your dying hand
And heard the last sigh from your heart
we would not feel so bad
We did not know the pain you had
We did not see you die
We only know you went far away
And never said goodbye.
MOTHER, FATHER, SISTERS and GRANDMOTHER

HUNDLEY - In loving memory of our dear mother, **FANNIE HUNDLEY** who passed away October 17, 1980
Loving and kind in all her ways
Upright and just to the end
of her days
Sincere and true, in her heart
and mind
Beautiful memories she left
behind.

DOROTHY ANDERSON

SMITH - In loving memory of my dear mother, **DAISY IRENE SMITH** who passed away October 20, 1965
A good time is better than
great
riches
And good favor is above silver
and gold.
Devoted Daughter
MRS. KATHERINE HAWKINS

HEALTH SUPERINTENDENT
This individual will have the programmatic and administrative responsibility for the operation of Springfield Hospital Center, Maryland's largest State operated psychiatric facility. The Center is located in Carroll Co. and serves adolescent, adult and aged persons from Baltimore City, Montgomery, Carroll, Frederick and Howard Counties. The superintendent will hold administrative authority and program responsibility for the operation of this 1246 bed in patient facility. The primary mission will be to deliver quality psychiatric care in a cost effective manner. It will be the responsibility of this position to manage and balance the hospital budget of approximately $38 million. This position will provide direction and coordination of various hospital programs, with an emphasis on the integration of hospital services with community services. The incumbent will need to provide necessary programmatic emphasis on the rehabilitation and resocialization of the chronic patient as well as acute care. These goals require the development of an appropriate system to provide for a gradual shift in emphasis from long term institutional care to the community based treatment of mental illness. This person will continue the direction of obtaining JCAH accreditation for Springfield.
Requires a Master's Degree in Health Human Service or management field or MD, and 4 years of progressively responsible management and program experience and expertise in health programs, preferably mental health, hospital management and service delivery.
