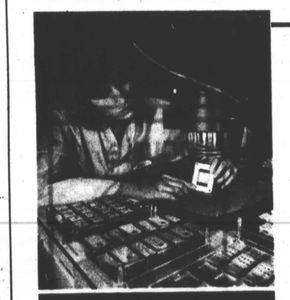
WHERE CAN YOU HELP CREATE FULLY INTEGRATED, NEXT-GENERATION AVIONICS SYSTEMS?



NORDEN HAS THE ANSWER.

At Norden Systems in Norwalk, Connecticut, you'll be part of exciting advances in diverse leading-edge technologies. We're directing our creative energy toward solving uniquely complex problems ...in synthetic aperture radar...sophisticated cockpit displays...multimode radar...digital electronics and millimeter wave systems.

The magnitude of our technical challenge is greater because our performance demands are more critical. This means you'll have wider career experience and interdisciplinary exposure.

If you're ready for new levels of professional achievement, we'd like to hear from you. You must have an appropriate technical degree and 3 or more years of relevant experience in one of the following areas:

- Software Design
- Analog Design
- Digital Design
- Radar Systems Engineering
- Radar Design
- Mechanical Design
- Product/Production Planning

We offer an excellent salary, a full range of benefits and ample opportunity for growth. To find out more: Call COLLECT Mark Smith at (203) 852-5408. Or send your resume to Mark Smith, Norden Systems Inc., 1 Norden Place, Norwalk, CT 06856.
